

THE TRUTH ABOUT GOD, OUR CREATOR AND REDEEMER!

Have you ever wanted to know what was really taught in "The Original Scriptures?" We have two questions for you before you begin this great quest.

1) Do you truly love the truth, even when it hurts?

2) If pursuit of the truth about God led you to discover that the Original Scriptures are scientifically irrefutably true and that they held the clear truth about God, eternity, love, health, success, friendship, financial freedom and happiness all in a wonderful blueprint for you, would you put Him and His Word to work in your life today?

A STUDY ON YAHUWAH'S NAME FOR SEEKERS OF TRUTH

Since the successful Maccabean YeUWdi revolt in 167 BC against Antiochus Epiphanes and the subsequent formation of the political-priest party called "Pharisees," the YeUWdi (who became today's "Jews") have followed a large set of extra-Scriptural laws the Pharisees made up and enforced to control the YeUWdi by the priests and latter rabbi. These are called "fence laws" (to "fence around the Scripture" they say) but they break the Scripture teaching "do not add to Scripture nor take away" (V MoshAH/Dt 4:12, 12:32, TehaleYAim/Psalms 19:7, I Sa 3:17, YAHUWcanon/John 17:17, Rev 22:18-19).

The biggest of these laws was "only a priest could say or call upon the Holy Name of YAHUWAH" (Tamid 7:2, Sota 7:6). The penalty was the horrible pagan practice of "stoning to death." When the Romans conquered the YeUWdi in 46 BC, they outlawed stoning and introduced crucifixion. Our Lord YAHUW, being a non-priest in the eyes of the Pharisees, was crucified because he broke this "fence law" saying, **"I tell you that hereafter you will see the Son of AHdam now dwelling as The Right Hand of YAHUWAH, The Power" (MatithYAHUW/Mt 26:64)!**

After the fall of "YArushalom," which had indeed degenerated into the Pharisaic "Jerusalem" in 70 AD, the YeUWdi culture and faith became nomadic and began rapid disintegration. To counter this, the fence laws of the Pharisees were codified into a book called the Talmud in 250 AD. By 500 AD, a strong group of rabbi arose to enforce it called **the Massorettes**. The Massorete rabbi and scribes (500-1500 AD) faithfully copied the Old Testament in everything except one very major area; honoring the first three of the 10 Commandments which all deal with worshipping YAHUWAH by His Holy Name. They refused to "proclaim His Name to the nations" (II MoshAH/Exodus 9:16), following instead the "leaven of the Pharisees" which YAHUW warned us of. These laws of the Pharisees were gathered into a book in 250 AD and **is still followed over the Scripture by Jewish rabbi today.** It is called the **"Mishnah" which in turn makes up the majority of The Talmud** which 99% of Jewish Rabbii follow today.

The Talmud, while helpful in some historical things, is overall a very "unscriptural" book, claiming that **everyone other than Yeudi or Jews are "pigs!"** Such rabbinical arrogance has continually and often unjustly given the "Jews" a selfish myopic name among Europeans. **The Talmud is also the source of the Rabbi's refusing to worship YAHUWAH by His Holy**

Name. This contradicts the Scripture 24,000 times! It contradicts all the prophets, King DaUWid (sn David) and the Apostles! Fearing the loss completely of their "EbrAHisti" language and culture, they invented "vowel points" around 500 AD and began inserting them in the Scripture under the words. They were faithful except on the most important word, God's Holy Name! Whenever they came to one of the 6,957 times YAHUWAH occurs in the **Old Testament**, they vowel pointed it to read "Eloah" (e,o,a) which is the title "**Almighty El-The Eternal Loving One**".

They also changed many of the prophets names when they started with "YAHUW" to the camouflage "Yeho," like "Yehoshua" instead of the correct YAHUW. They did great disservice to our faith hiding YAHUWAH from the world. The Original Scripture calls upon all Jews as everyone else to repent and return to the great faith of our forefathers and the Apostles. ***YAHUWAH the one and only God did not create a different salvation path for Jews.*** "**Everyone** who calls upon the Name of YAHUWAH shall be saved" is from the prophet YAH-el (sn-Joel) 2:32 in the Old Testament, quoted by PetUWr (Peter) in the first sermon after Pentecost (Acts 2:21)!

However, the massoretic scribes did vowel point "yod, hay" correctly as "YAH" in the 49 times it occurs independently in scripture, as in TehaleYAIM (sn-Psalms) 68:4, 68:18, 77:11, 89:8, 94:7,12, 102:18, 104:35, YashaYAHUW (sn-Isaiah) 12:2, 26:4, 38:11 et al). These are translated correctly only once in the King James Bible; "Extol Him who rides on the clouds by His Name Yah" Ps 68:4. We have a great hope for Jews today. Ezeckiel 37:16-19 speaks of a soon coming day when "the stick of YAHUWdAH" and "the stick of YAsarel" will be reunited. That is happening right now. However, neither the "Yeudi" nor "the Jews" are ever prophesied about as returning to YAHUWAH unless they repent, like all of us must, from breaking God's heart, His 10 Commandments. **We call upon "Yitsrael, all Yehudi and all Jews to repent and return to the Great Faith of our forefathers as YAHUWans (YAHUWdi). The continued blind following of the rabbi for the Talmud is rebellion against our Creator YAHUWAH and will destroy anyone just like following the 'Church' is destroying precious Christian lives.**

SO WHO CHANGED YAHUW TO "IESUS" AND THEN "JESUS?"

In Greek, the "YA" in AbrAHUW (Paleo-Hebrew) was usually transcribed as iota or "I" and pronounced correctly as "YA." Greek used the letter H "hoi" as the "AH" sound. The capital case of the Greek letter "heta" is also H and is sometimes "ah," sometimes "ee." ALL OF THE EARLY GREEK SCRIPTURES, UP TO 700 AD, WERE WRITTEN IN CAPITAL GREEK LETTERS called Majuscules (some scholars call them "Uncials" which correctly applies only to Latin manuscripts).

The Vulgate is the Roman Empire Church's Latin redacted and corrupted and only Catholic authorized translation of the Greek and Hebrew scripture started in 325 AD and finished in the early fifth century, 412 AD by Jerome.

The Vulgate was the first to change our Savior's Holy Name from IHY or IU (YAHUW) to "IESUS." As with any large group, this did not happen overnight. "The love of many" had grown cold among the fringe and "business first" Christians. Gradually, the popular generalized "kurios" (Lord) had replaced "YAHUWAH the Savior" among "Romanized

Christians". Later abbreviations IC, IHS (the Greek "YAHUWshous", still meaning "YAHUWAH Saves") was re-interpreted to mean "IeSus" as it remains today among Catholics and was ignorantly adopted by "Reformation Christians!"

"IeSus" gave rise to "Jesus." The Catholic Church changed the iota hoi "IH" ("YAHUW") to iota heta "IE" (pronounced "YEe") and the "shous" to "Sus" which allowed the Roman Empire's millions of "Sus" (Seus, Zeus) sun-god worshippers to join this new "Holy Roman Universal Christianity" without changing their god! "Iesus" means "out of Sus" or "Son of Sus/Zeus!" Your choice is "who do you follow," "Zeus" or YAHUWAH? YAHUWAH IS THE ONE AND ONLY GOD!

Thousands of true YAHUWan ChristiYAans steadfastly objected to this "Abomination that desolates" the way of salvation our God made for us. They protested the huge influx of "Sus" worshippers of Rome's new "Universal Catholic Circe (Church)." The minutes of the first "Church Council" 321-325 AD, called the **Council of Nicea**, states **"We will have nothing in common with the YAHUWans who killed our Dominus."** They made it a death penalty to worship on the Sabbath. Being the 4th Commandment, this gave reason to slaughter the YAHUWans who would not change.

They outlawed the **worship of YAHUWAH**. At first, Constantine had allowed "religious freedom" but when the Catholic Circe (Church) failed to attract the majority of Roman subjects, it was made mandatory to join the Circe (Church). By the way, Circe (Church) is the root latin word for sorcery, se'ance, and/or circus. **Shocking, huh?** Tens of thousands of remaining faithful YAHUWans again refused to join the Circe/Church or to worship pagan gods! They were rewarded with a martyrs death. Based upon the catacombs of Rome alone, over 2 million YAHUWans were slaughtered in the first years of "the Catholic Circe/Church!"

SUMMARY OF EVIDENCE FOR YAHUWAH AS OUR GOD IN SCRIPTURE

1) No true scholar debates that "Joshua's" true name in the Hebrew is "YAHUW". This is because "YAHUW" is well established by dozens of theophonic Scriptural words like "Hallel U YAH", YAHUWdAH, Abr AH am, "YA'acob", YAoseph, YArU- shalom, YashaYAHUW, YermeYAHUW, ZackerYAHUW, MatithYAHUW, YAHUWcanon (John), DaUWid (David), YAOel (Joel), EliYAHUW (Elijah) and many others, most of which are corrupted and given "sign names" in English, for example, the YAH(UW) to "iah." The Massorettes also vowel pointed all of them correctly unless they began with YAHUW (as "YAHUW" in which they systematically changed them all to "Yeho"). However, remember, the Mishnah (the numerous burdensome oral laws from the Pharisees, "beware of the leaven of the Pharisees"), which they followed rigorously, commanded them to veil God's "Sacra Nomina," as indeed, their Rabbinical successors continue to do today.

However, the corruption of the Massorettes and Rabbi's **did not have much influence in the Eastern and Semitic world** where the old pre-New Testament AbrAHUW (YAHUWdAH, YAHUWans, AbrAHYA) had traveled for 1500 years before them! These Biblical **theophonic** (words that have parts of **YAHUWAH**'s name in them, used as a message) words are still widely used in over 500 Semitic languages today by millions of people, all heavily infiltrated with 3,000 years of YAHUWdAH diaspora (the scattered AbrAHUW speaking YAHUWans)! Even the

Koran (Quran) reflects many theophonic words. (Mohammed was protected by "Yehudi" in Medina and joined a synagogue for four years and was taught "Yehudaism" in his early years! What a pity he did not meet a YAHUWan. However, still, the Koran (Quran) teaches that the "one hundredth" Name of God, which is yet to be revealed to them, is the saving Eternal Name of God and will be revealed only in the "Latter Days!" The Quran also teaches that the TorAH (the five books of MoshAH), the NabiYA (the Prophets) and the "Injil" (the Gospels as properly translated or in their originals) are all from God and should be read by all peoples, especially all Muslims!

To argue against the hundreds of Scriptural theophonic names and words, you would have to assert that somehow millions of Semitic people separated by thousands of miles in hundreds of different languages and cultures, intertwined with ancient diaspora Jews, by some "really incredible fluke," all changed the original "Yeho" names to the now false YAHUW names they use today! If you can believe this, I want to sell you some of my palaces on the moon!

2) The Greek translation of the AbRAHYAHUW (HebreW) Books of MoshAH, called the **Septuagint**, written in 250-150 BC, transliterates "YAHUW" as "IHSOYS." Most modern scholars, trying to salvage "Jesus", think the Greeks were incapable of saying "YAHUWshous," which would be exactly the Greek equivalent (as discussed above) and somehow were forced to say "EEZus." They ignore the early Greek texts which universally write the Savior's name as IHY, IH, IU, IC and a few later ones as IHS, all of which are abbreviations for IHYH or IHsoys which is the phonetic transliteration of "YAHUWAH" and "YAHUWshus". Obviously, IH, IU and IHY in the Greek texts mean "YAHUW". **In most early Greek texts, like P-45, P-46, P-72, P-77, Codex Sinaiticus, Codex Vaticanus, Codex Alexandricus and the Ephraemi pamlimpset, the "SOYS" is left off because of three main reasons.**

a) Every YAHUWan ChristYAn believer knew it was the AbRAHUW (gk-EbrAHYAsti) word for Savior, Saves, and Salvation and was not part of the eternal salvific Holy Name of YAHUWAH the Beloved King.

b) It also had the "PRIMARY" meaning expressed in Acts 2:36, "this YAHUW, whom you crucified, God has made him both YAHUWAH and ChristUW (Beloved King of YAHUWAH)." YAHUW the incarnated prophet was also YAHUWAH Himself in a human form!

c) One of the most important reasons "SOYS" is not placed in our Savior's name in the original Greek New Testament is because of the possible intentional corruption of associating our Savior with the popular god "Sus" (as in Ephe-Sus, also spelled Seus, Zeus)! This of course is exactly what the Holy Roman Universal Empire (Catholic) did in 321 AD and both Catholics and Protestants continue to do until this very day!

IMPORTANT NOTE: The Greek "SOYS" never occurs in any of the early original manuscripts of the New Testament as a name for our Savior which we have seen!!!

Our primary modern scholars fear going against the current popular "Circe" (Church) tradition and telling you the truth. They want you to keep "supporting the church" which in turn encourages you to buy their corrupt "Catholic/Protestant Bibles." Therefore, you must see

this for yourself! **If our English "IAH" as in IsaIAH, JeremIAH, ZackerIAH and HalleluIA all come through the Greek for the original Hebrew "YAH," why do they translate the same Greek letters (IH) for the Savior's Name as "Je" (for "Jesus")? Why don't we sing "AHlelu-JES"?**

It is very obvious they are bowing to popular, traditional or economic pressure rather than using their normal excellent translation skills! If they can trace early English Hallel U IAH through Greek to the Hebrew correctly, they can easily get YAHUW (instead of "JeZus") and YAHUWAH (instead of "Jehovah" "Yehweh" or "YAHweh"). All the Hebrew letters and phonics are the same! **The other 340 theophonic Scriptural names and places are pure overkill!** There really can not even be long debate on this among true objective scholars!

3) As if we need any more overkill, we also have a basic repeat of the above in Early Assyrian, Coptic, Syriac, Arabic, Byzantine, Alexandrian, Korinthian, Mystran and Western Greek pre-and extra Vulgate manuscripts!

4) The horrible history of the Catholic Church!

Obviously, Jerome and the "Holy Roman Empire" did not understand the Holiness of God's or the Saviors's name. Secondly, they simply wanted to wrestle any remnant authority away from residual pockets of true "YAHUWan believer's who still called upon His Name, challenging the authority of the "Holy Roman Empire." Finally and most demonic, one third of the Roman Empire under Constantine worshipped the old Babylonian/Greek/Roman Supreme god Sus (Seus, Zeus). "Ie Sus" means in both Greek and Latin **"Son of Sus!"** Constantine was a devoted sun-god worshipper (Sus being the most popular name among sun-god worshippers) for 30 years after declaring "Christianity" the Empire's "universal" religion! He, in conspiracy with corrupt "Bishops," changed our Savior's Eternal Name to the pagan name "son of Sus (IeSus, which 1,200 years later became Jesus)."

No doubt, God's YAHUWan remnant down through history has been made up of individualist thinkers and people of courage! It took real committment to go up against the entire Roman empire both before the Great Corruption of the fourth century and even more afterwards when you were threatened with death by the Roman political religion, then the Roman Church and after 638 AD, the sword of the Muslims! Millions died at the stake for holding fast to their "YAHUWan Faith!" We look forward to meeting these great warriors in the coming Kingdom!

A few "Qahals" (Covenant-families of YAHUWans) survived, but most were martyred by Catholic death squads as heretics. Occasionally a brilliant passion for God and His Word would spring forth in the centuries following, but it appears most were martyred quickly. Then the Holy Spirit of YAHUWAH broke the first 1,290 years of The Great Tribulation with the preaching of the Oxford professor John Wycliff and his "Lollards." They would stand on street corners of London and other English cities and towns, reading Wycliff's English translation of the Catholic Vulgate (which was evidently all he had).

Between 412-1777 AD, the Catholic Church prohibited by death the translation of the Latin Vulgate into any language of the people, especially the increasingly freedom loving English and

Scottish! Then a great YAHUWan Eagle arose among the Dutch named **Johan Ahlen**. He found a Majority Text Greek New Testament and became a YAHUWan. He was soon martyred by "the Church," but his faith greatly impressed another young man name **Valla**. Valla collected several Greek manuscripts and himself became a full YAHUWan. The church arrested him also and burned him alive. **Valla's half-disciple** was a man named **Erasmus**, who changed the course of history for the next five hundred years **by changing the Greek New Testament YAHUW to the Catholic Vulgate Iesu and Jesus**. By doing this, the church let him live, but Erasmus' corrupted text led all the Protestant Reformers astray, keeping the Catholic "Jesus."

Whereas the printing of the translated Vulgate and Erasmus Scriptures in 1480-1600 AD gave rise to the great Reformation of the 1500's, YAHUWAH's true path of salvation was again buried in the Original Scriptures waiting for a later day when truth doers would seek this Holy Word "with all their heart." This would finally throw off the Great Tribulation of Daniel 12 and MatithYAHUW 24. Although the "Great Corruption," already 1200 years old at the time of the Reformation, was deeply embedded, the Reformers blazed away at the more obvious corruptions of the "Holy Roman Church," like buying forgiveness of sin by purchasing "indulgences" from the church and "salvation is only in the Catholic Church!"

The Catholic Church was losing thousands as the Protestant preachers correctly branded them "The Anti-Christ" and the **"Beast of Mystery Babylon" in Rev 12 & 13**. This was the Beast that revived the gods of ancient Babylon having "blasphemous names upon her heads" (Rev 12 & 13). The "demonically brilliant" Jesuit priest Ribera in the Council of Trent (1545) came up with a new theory of "the Rapture of the Church" before the end times. Since that "rapture obviously had not taken place, the Catholic Church could not be the Beast of Rev 12 & 13 or the Anti-Christ. The amazing part is that from the publishing of the Scofield Bible in the early 1900's, most Protestant preachers have bought Ribera's diversion!

The Council of Trent in 1545 led to the rise of "The Jesuits" who vowed to defend the Pope with their very lives. They revived **"The Inquisitions" which burned at least 70,000** innocent truth loving believers at the stake and slaughtered hundreds of thousands more on the battlefields. In some areas, only 25% of evangelical pacifists like the Anabaptist and Menonites survived the genocide of Catholics and State Church "Protestants." However, out of this reform came a multitude of Biblically based reforms continuing even today. Most of our modern denominations were begun by spiritual pioneers "trying" to return to scriptural truth. Yet most of them, with over 42,000 "christian" denominations now, would be horrified how their successors have used their work to divide God's people today even more and to foster more violence.

A few New Testament Greek manuscripts, following the Septuagint, transliterate the AbrAHUW YAHUW to **"YAHUWsous"** which is proper since 1) it is not the salvific part of our Savior's eternal name and 2) it is the normal Greek masculine ending of most Greek names. The Hebrew "shua" is actually gender neutral but obviously our Savior was a male as is our Heavenly Father. **IHSOYS in Greek would be pronounced "YAHUWshous"** to the general public meaning **"YAHUW the Savior."** Among believer's, they would say **"YAHUWshous"** for MeoschiYAach while He was on earth (meaning **"YAHUW-Savior"**) or **"YAHUWAH-shous" referring to the glorified Saviour after the resurrection meaning "YAHUWAH the Savior" and "YAHUWAH Saves."** The transition between YAHUW to YAHUWAH our King (MeoschiYAach, ChristUW) is the prayer of Christ **"return to me the Glory I had with You,**

Father, from before the world was" (YAHUWcanon- sn-Jn 17:5, Phil 2).

The full transition and awareness of His disciples can be seen in Acts 2:36 "God has made this YAHUW, whom you crucified, both YAHUWAH and God's Anointed Ruler (ChristUW)." A study of the various spellings of Joshua's Hebrew name in the Old Testament will show that "YAHUWsha" and "YAHUW" are interchangeable. It appears that the abbreviated form 'YAHshua' always meant 'YAHUWshua.' This same use of abbreviated spellings is seen in many of the spellings of YashaYAHUW(UW) (sn-Isaiah), YermeYAH(UW) (sn-Jeremiah), ZackerYAH(UW) (sn-Zechariah), et al. The consistent Greek translation of "YAHUW" into the Greek "IHsoys" can even be seen in your English Bibles in three places of the **Greek name YAHUW (sn-Joshua) found in Acts 7:45, Acts 13:6, YAHUWdAH (sn-Hebrews) 4:8 in the Greek NT. Here you will find many English Bibles calling Joshua (but in the Original text-"YAHUW") the name "Jesus!"** Scores of times in the Septuagint (the Greek translation of the OT around 250-150 BC) YAHUW (Joshua) is translated "IHSOUS" which was pronounced YAHUWshous. The New Testament YAHUWans dropped the "shua" and the "shous" immediately after the Resurrection, as we should continue in today. He **"was given the Name above all names"** (Phil 2). He is forever more, no longer the Great sinless Prophet of God, but rather YAHUWAH our King, Savior and God!

WHY IS THE RESTORATION OF CALLING UPON YAHUWAH'S ETERNAL HOLY NAME IMPORTANT?

This biggest reason is so that you might be saved for eternity! The only path to eternity is through God's and our Savior's Holy Name! "For whosoever calls upon the Name of YAHUWAH shall be saved" (Acts 2:21, YAOel (sn-Joel) 2:32, 3:16). Also see TehaleYAim (Psalms) 91:1-16, Rev 3,7,14, 22:4! You *can not* "call" upon a name you cannot pronounce! The pronunciation of a name never changes! So, it is vital that you learn how to pronounce the only name that can save you! Acts 2:21 says in the latter days calling ("Qara, Yada"- means to shout His Name out loudly with extended hands in praise) upon His name will be directly linked with salvation! "For there is no other name under heaven given among men by which we must be saved" (Acts 4:12).

The Name of the Savior was and is today the same as God's Holy Eternal Name (YAHUWcanon (Jn) 5:43, 17:11,12). Scholars have mis-transliterated God's Holy Name as "Jehovah" and "Yahweh!" There never was a "J" or "W" in Hebrew! Neither was there a "J" or a modern "W" sound in English until 500 years ago! The Holy Spirit also has that same name (YAHUWcanon/Jn 14:26)! Have you ever wondered what MatithYAHUW (sn-Matthew) 28:19 meant "Go you..immersing in THE NAME of the Father, the Son, and the Holy Spirit?"; or YAHUWcanon (sn-John) 5:43 "I carry my Father's Name."; or YAHUWcanon/Jn 17:11 and 12 "Holy Father, keep them in Your Name, THE NAME you gave me!" There is only one Name above all Names. Hang on! You are about to receive the Biblical "key of knowledge" that makes scripture understandable for the first time in your life!

Throughout the scripture, God's people "Qara ha Shem" ("called upon His Name"). The MeoschiYAach taught us to pray beginning with "Hallow be thy Name." Since the Saviour's Name and God's Holy Name are the same, all of the promises linked to "praying

in my Name" in both New and Old Testaments are empowered only when we use His true Name! Ever had unanswered prayer even when "you really believed?" Now you know why!

God and the Son's true Name alone **empowers Christ's true believer's** with Himself. **"In that day," declares YAHUWAH, "you will call me 'My Husband.' You will no longer call me by the names of pagan gods. I will remove the NAMES OF BAALS (corruptions of His Name, "other lords") FROM YOUR LIPS! No longer will their names be spoken BY YOU!"**(AHosha/Hosea 2:16-17). Today, begin worshipping YAHUWAH the father, YAHUWAH the Savior and YAHUWAH the Holy Spirit! CALL upon Him by His Eternal Holy Name! Confess YAHUW is YAHUWAH and Your King (ChristUW, Acts 2:36, Rom 10:9-10)!

If this is your first time to hear this, you might be shocked! Our only desire is for you to know the truth! We want you to know the truth! The time has come for the deception of Satan to come down! Like in the times of EliYAH (sn-Elijah) it is time to break the idols in the land.

In His Name YAHUWAH we believe for Kadisha's blood to be made pure and healed, HalleluYAH
