*Being a
member here
is something to celebrate!
Literally.*

Since North Shore Federal Credit Union is a member-owned financial co-op, we get to do things a little differently than a traditional bank. At the end of each year, we give money back to members through our Patronage Rewards Program. We've given more than \$4 million in rewards over the past 22 years. Save it, donate it to charity, or treat yourself – it's your choice how you celebrate.

2017 Patronage Rewards were credited to members' accounts on December 31st. Check your account or statement for details!
