

Picture Day

Picture Day: By Dan's Camera City at Movement Theater Fri April 20th for Dancers & Actors! Please use show guidelines for hair & make-up for picture day (go lighter on the make-up though).

Time slots are listed - be on-time!!! Show up dressed & ready in 1st costume! Please remember all dance shoes! There will be an area for changing. Dan's Camera will provide proofs for you to choose from in a few weeks. **No money is due on picture day!** Even if you don't plan on ordering, please try to come out for the group shot. Memory mates will be available, similar to sport team pictures. For multiple classes/costumes, the memory mate is an affordable option. Actors - you are welcome to get your pictures too in costume!

Please do not arrive too early...there will not be room in the studio for multiple classes to "hang out". Kindly wait in your car or outside until your assigned picture time slot.

If your child is in multiple numbers, you may stay in the studio to change and wait.

Kindly, do not bring siblings or extra family members.
