

Hello Region 6!

No Legislative Report this month.

We had a great time at our Region Memorial Run on July 14, we dedicated the run to Danny Badour. Sadly, he passed away earlier in July. We'd like to thank Sharon Badour and family members who came to the run.

We had Awareness coaster made up distributed to area bars that support us.

Juicy Bones - Beaverton

The Tool Shed - Munger

Shot and Shell - Essexville

Roadside Bar - Pinconning

AJ Baileys Bar - Bay City

Thank you to all that support ABATE of Michigan.

It's been a great summer for riding so far. Keep it safe, shiny side up, rubber side down.

August 3-5, we had our camp out, it was a great time and I would like to thank Gail and Ralph Shiffer for hosting the event, also thank you to Jan and Danny Brown, it was great that you guys were able to come out and be with us.

September 9th., 9-11 Remembrance Run, Lumberman's Park- Wolverine, MI. Contact Bob @ 989-732-5534 for more information. This is the State Bike Raffle, which is a great time.

That is all for now.
