## CONFRONTING TODAY'S GENDER ISSUES

Johnny went to school Monday and came home Mary Friday.

Parents insist on sending their 4 year old boy to a church preschool in a dress. A kindergartener suffers nightmares fearing she will wake up a boy because of what she is seeing on TV and heard in school. A Christian nurse struggles in her responsibilities at La Leche League over instructing a lactating "man" how to properly nurse a baby. A woman walks into the restroom and finds a man there. The above have all happened in our District.

It is here. It is now. It is Dr. Weise's topic.
