NP United Academy Soccer 9/10U

We play similar aged teams from clubs in Indiana participating in the Indiana Soccer League (ISL). The amount of travel is dependent on the division the team registers in and at this age group we will try to register in a division that limits travel to the greater Indianapolis area, with an occasional trip within a 1 hour radius of New Pal.

Practice: 2 nights per week – One night with the club’s technical trainer and the other with your team’s coach.

Games: 6-10 regular season games (generally played as double headers), plus a weekend tournament, and a couple “friendly” practice games scheduled by the coach.

Coaches: NP United is striving to have all travel coaches certified with a state license to provide the highest level of training to your child and all must pass a thorough background check for your child’s safety. Please let us know if you are interested in coaching or being an assistant.

Cost: Fees cover team and player registrations with ISL, referee fees, tournament registrations, technical training and winter sessions.

- Payment options are available
- Full year commitment (Fall and Spring): \$850 & includes winter sessions
- Fall or Spring only commitment: \$475 & includes winter sessions
- Uniforms: Uniforms are not included in the price of registration and are purchased separately through Score.
- Mandatory Uniform Kit: ≈ \$140 (includes 2 jerseys, 3 training shirts, 2 shorts, 2 socks)
- Our uniform provider also has branded fan gear available for purchase.

Additional information about the program can be found on the next few pages.

Fall practices start in late July and Spring practices start in March. Winter training sessions get started in January at 84 Turf Sports (US 40/200W – Greenfield).

What are NP United's Overall Objectives?

- Focus on development of the players
- Instill lasting technical skills and introduce tactics
- Utilize small sided play to expand creativity, ball mastery & field awareness; challenging players to play more “creatively” & “instinctively”, with & without the ball

Is my child ready for academy/travel soccer?

- Players will be receiving advanced technical training and need to be physically able to perform tasks and have the ability to comprehend given instructions.
- Our goal is to develop player's skills in a positive and fun environment, disruptive and disrespectful behavior toward anyone at the soccer fields will not be tolerated.
- NP United often hears from parents that their only regret about joining the Academy program is not having joined sooner.

What if my child can only play in the Fall or Spring?

- The league has taken this into consideration and while you are registered with NP United for a full year (per ISL Rules), you only pay for the season in which your child plays.
