FEE SCHEDULE

Mill Creek Equestrian feeds a variety of top quality Purina grains for options to suit every horse's needs. We keep both alfalfa mix and pure grass hay in stock. Mineral blocks are kept available in every stall.

Full Care - \$700.00/month

- One stall in a size and location that best suits the horse
- Private tack closet (one per owner)
- Access to all barn amenities
- Grain fed twice daily
- Hay fed in the stall and in turnout as needed
- Supplements fed daily (owner to provide in daily-dose containers)
- Rotational dewormer administered quarterly (as needed based on fecal testing)
- Turnout up to 12 hours daily (weather permitting)
- Turnout group of no more than 8 horses of the same sex
- Winter blanket changes as needed based on temperature changes
- Fly masks/sheets put on and taken off for turnout as needed
- Protective or therapeutic boots put on and taken off for turnout/stabling as needed
- Stall and water buckets cleaned daily
- Tracking, scheduling and handling for routine vet and farrier care if desired
