Dear Potential NAWIC Sponsor:

The Fargo-Moorhead, ND Chapter of NAWIC would like to invite your company to consider being a sponsor for the October 2016– September 2017 membership year. The Fargo-Moorhead, ND Chapter was chartered in 1978 and includes members from all aspects of the construction industry. Your sponsorship enables us to start and continue our unique educational programs, scholarships, and community involvement.

NAWIC Education Foundation Adult Education Certification Programs

The Foundation offers these home-study certified programs:

- **Certified Construction Associate (CCA)** – a six-part course (ACCE accredited)
- **Construction Document Specialist (CDS)** – a two-part course
- **Construction Industry Specialist (CIS)** - a comprehensive introductory look at the construction industry that will prepare the participant for further training and educational opportunities needed in the various construction career pathways.
- **Construction Industry Technician (CIT)** – an overview of the construction industry and its processes.
- **Construction Bookkeeping Technician (CBT)** – learn to set-up and operate a simple bookkeeping system for a construction company.

NAWIC Education Foundation Youth Programs

The Foundation also offers programs to introduce school age children to a career in the construction industry:

- **Block Kids** – grades K-6 – program stimulated ideas and creates an awareness of the construction process.
- **Accessory Structure Project (ASP)** – grades 8-12 – a cross-curriculum team project that promotes awareness of the construction industry while promoting leadership and teamwork.
- **CAD Design/Drafting (CDD)** – grades 9-12 – program brings real world drafting problems to the classroom.

Women in Construction Week (WIC Week): Each year during the first full week of March, we celebrate women in the construction industry by hosting fundraisers, community events, educational seminars, and networking opportunities.

Sponsorship Opportunities

Enclosed is a packet detailing each of the six annual sponsorship levels available and a sponsorship commitment form for your consideration?

Sincerely,

A handwritten signature in black ink that reads "Amy Berg".

IMPORTANT FACTS:

The ***National Association of Women in Construction*** (NAWIC) is one of the largest Women's organizations in America. It is also one of the largest construction associations in America.

Our association membership consists of business owners as well as top management and administrators, who are directly responsible for purchasing equipment, supplies, and services.

Founded in 1953 by 16 women in Fort Worth, TX, NAWIC has grown to over 3,500 members and approximately 128 chapters, with chapters in almost every state. We have affiliates in Australia, Canada, New Zealand, South Africa and United Kingdom.

The state of North Dakota only has one chapter. Fargo-Moorhead, ND #246 is one of 20 Chapters that make up the Midwest Region which covers the states of North Dakota, South Dakota, Minnesota, Wisconsin, Illinois, Iowa, Nebraska, Kansas and Missouri.

NAWIC Education Foundation (NEF)

NAWIC's commitment to education can be seen in a variety of areas. For more than 40 years, the NAWIC Education Foundation (NEF) has offered creative and educational programs for students from grade school to high school. The Foundation's award winning Block Kids program, Accessory Structure Project (ASP), and the CAD Design/Drafting competition introduces students to careers and opportunities in construction. The Foundation also offers these home-study certification programs: Certified Construction Associate (CCA) (ACCE accredited), Construction Bookkeeping Technician (CBT), Construction Document Specialist (CDS), Construction Industry Technician (CIT) and their newest program Construction Industry Specialist (CIS).

NAWIC Founders' Scholarship Foundation (NFSF)

Each year, NFSF awards up to \$25,000 in scholarships to students who are pursuing a secondary education or trade in a construction-related field. Scholarships range from \$500 to \$2,500. Since its inception the Foundation and NAWIC chapters have awarded more than \$4 million in scholarships. The Fargo-Moorhead, ND chapter is committed to making construction education a reality through innovative programs and our annual "*Onie Loeks Memorial Scholarship*".

Some Facts to think about as to why Your Sponsorship is so vital

- According to the Bureau of Labor Statistics, women comprise about 10 percent of the construction workforce today. To remain competitive, the industry must continually recruit and train women.
- According to the US Department of Labor Bureau of Labor Statistics, the industry will have to bring in approximately 240,000 workers each year to replace the retiring baby boomers and those leaving the industry. One of NAWIC's goals is to work with companies and associates alike to provide skilled women for the industry. We all must work together to ensure the future of a skilled construction workforce.
- NAWIC's core purpose is to enhance the success of women in the construction industry.
- Chapter meetings, national Annual Meeting & Educational Conference (AMEC), and regional conferences provide opportunities to build a strong communication network for developing and broadening valuable business contacts.
- Various committees such as Safety & Health Awareness and Professional Education encourage members to participate in their areas of individual expertise, and to offer enhanced knowledge and support from other members with similar specializations.
- With your sponsorship, the Fargo-Moorhead, ND Chapter can implement and maintain educational programs for the future generations through programs such as Block Kids, Girls Build, and the Garden Shed Project. The chapter will also have the ability to partner with other organizations in the area such as the Construction Specifications Institute (CSI), Associated General Contractors of America (AGC), Habitat for Humanity, and United Way to broaden education and help the local community.
- As an employer, your support of NAWIC as a sponsor or by enrolling your employees as chapter corporate members will bring your company recognition as a supporter of women in the nontraditional field of construction. NAWIC is a 501(c)6 nonprofit association. Its membership dues may be tax deductible as a business expense.
