

Town of Lowell

***Annual Town and School Report
For Year Ending
December 31, 2022***

LETTER OF DEDICATION TO ALDEN WARNER

Alden Warner has retired as a selectboard member after 26 years (1996-2022) of providing exemplary and dedicated service to our Town. In addition to staying current with all the responsibilities of his position, he has always been willing to do even more. The phrase, "Call Alden" has been often used at the office whenever an issue arose. If his years of experience did not give him answers for resolution, he would research to find the correct process and move forward to completion. His presence was always welcomed in the office. When he was there, it was either to research and weigh options or, on a less serious note, to provide a sense of humor to promote the great atmosphere. We also wish to thank him for the times he filled positions when they became temporarily vacant.

His considerable knowledge was continually a welcoming factor when the Board needed to review possibilities for decision making. It has always been so obvious that his concern for the welfare of the Town was his priority. He welcomed discussion so that all thoughts were on the table before a final decision was made.

We already miss his presence but wish him all the best in his future plans.

Alden, we think of you so often and want to express our appreciation for all you have done for this Town. Again, thank you so very much.

***ANNUAL TOWN
REPORT***

**For Year Ending December 31, 2022
Town of Lowell, Vermont**

***Lowell Graded School on
Tuesday
March 7, 2023.***

Delinquent Taxes-2020	\$13,530.53
Delinquent Taxes-2021	\$23,566.18
Delinquent Taxes- 2022	\$57,458.75
Total Delinquent Taxes	\$109,625.61

Treasurer's Report

As you can see the municipal tax rate increased from .1136 to .2792. The reason for the large increase is for several reasons.

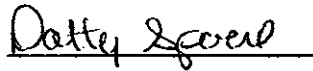

1. We had a large paving grant \$87,500 we used to help bring down our tax rate.
2. We didn't have the \$12,064.00 for the Sheriff's Dept.
3. With the cost-of-living increase, nearly all vendors have notified me of an increase in their 2023 billings.
4. Paving budget increased by \$25,000 a year.
5. The Ambulance service went up another \$10,920.

2022 Town of Lowell Audit Report

The Town Auditors audited the various town records for 2022 on January 26, 2023 which includes the accounts for the Historical Society, Lowell Cemetery Association, Fire Dept Special Equipment Fund and F.O.L.K. (Friends of Lowell Kids). For the Historical Society – many receipts are missing and there is incomplete information, no deposit slips/receipts were included, and no bank statements for the beginning of the year were not available for audit, bottom line - this account was not able to be audited this year. For the Lowell Cemetery Association – records were in very good order and were in balance, bank reconciliation records were cross referenced to journal entries, payroll records were in good order. The Fire Dept Special account was in excellent condition and everything was in balance. The F.O.L.K account had many receipts missing for the beginning of the year, however the last half of the year showed great improvement. The books for the town accounts were all in good order and in balance.

Listers' Report 2022

The Duty of the Listers is to update & maintain the Grand List accurately each year & have it "Lodged" or certified by each Lister, Selectboard member & the Town Clerk. The Lowell Grand Lists are kept in the vault- from 1828 to 2022! To complete this work, we update & verify property sales, subdivisions, new or updated houses & structures, plus credits and exemptions. Examples include Veteran's Credits, Current Use, Contracts, & much more. Surveys, deeds and transfer documents are sent to Cartographics to update the 'Tax Maps' yearly. These maps are assessable on the Town website- lowelltown.org.

To be granted the Residential (Homestead) Tax Rate a resident must file the Homestead Declaration, Form HS-122 with Form HI-144, with or after you've filed your income taxes with the IRS & VT. The 'Free File' programs do not usually include the above Forms HS-122 and HI-144. If you need help don't hesitate to call the Office & we can help!

Each Spring we begin our inspections relying on the building permits you filed. It's a great help to us if you include floor plans & septic & water sites. Thank you! The value of these improvements is as of April 1st each year. We send you notices of the change of values in June, the Grievance Notices.

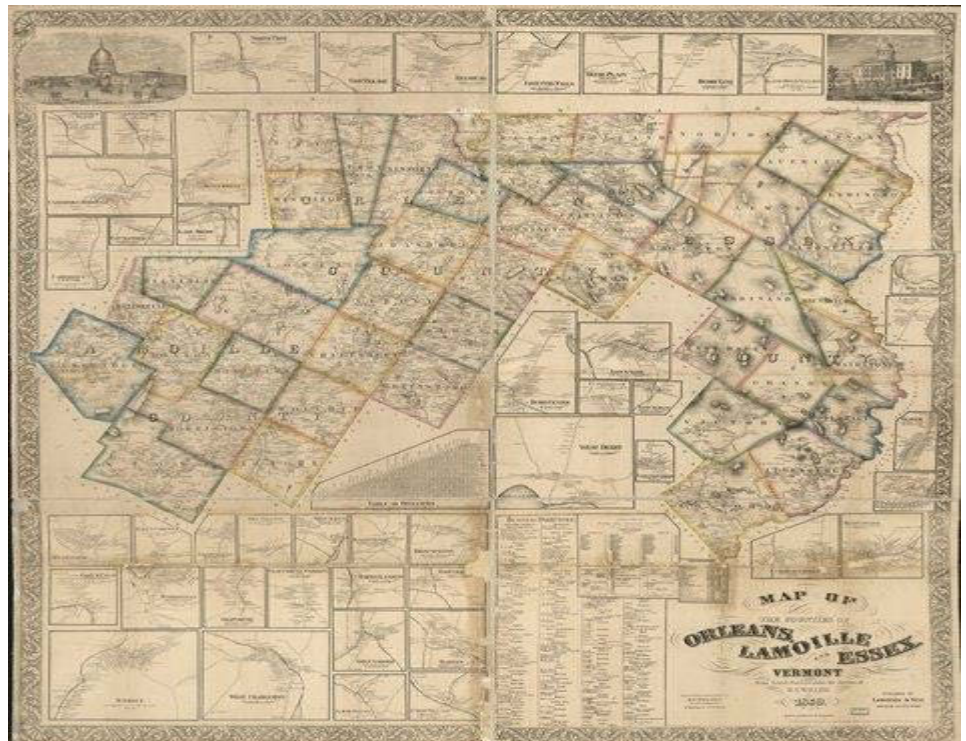

This year we begin the long overdue townwide reappraisal! We sent our first RFP letters out in December 2019. In July 2023 the appraisal firm will set up in our Town Office. The inspections won't start until 2024. We will put notices on the Town website, lowelltown.org, when the actual inspections begin. The last townwide reappraisal started in 2013—10 years ago!!

Respectfully Submitted,

Mark Higley

LOWELL PLANNING BOARD & BOARD OF ADJUSTMENT

(ZONING BOARD)

Lowell Zoning Board meetings are open to the public. The regularly scheduled meeting time is the first Monday of each month at 6:00 p.m. at the Lowell Town Offices on Route 100.

Check the meeting is on.

Please remember that most buildings and alterations whether commercial or residential need a permit. Permit applications may be picked up from the Town Clerk or the Zoning Administrator. Failure to secure a permit can result in a fine.

The Board welcomes your feedback and encourages your input so please feel free to contact any board member with questions and suggestions.

Respectfully submitted,

Lowell Planning Board and Board of Adjustment (Zoning Board)

THE LOWELL HISTORICAL SOCIETY

The Lowell Historical Society is looking forward to a more active year in 2023 than the previous few when covid slowed us down.

The Lowell Historical Society will again be offering the Harry Wellman Scholarship. The monetary award will be given to a graduating Lowell senior or seniors attending any schooling who is accepted and enrolling in college, and will be chosen among those submitting an essay on any aspect of Lowell history. You may base your essay on interviews with family, friends and residents, written sources like diaries, old newspapers and published books. You may also use direct observation of remains of the past (rock wall foundations of now gone buildings, etc.). Essays are due by Monday, July 17th and should be sent to Lowell Historical Society, Lowell Town Offices, 2170 Vermont Route 100 in Lowell or e mailed to samuelthurston@gmail.com. The essay should be no less than 500 words. Any questions may be directed to Sam Thurston at 744-6859 or samuelthurston@gmail.com

Note the deadline which is later than many scholarships. The historical society likes to send letters regarding the scholarship directly to Lowell seniors, so look for it!

The Lowell Historical Society maintains a history room in the Town Offices which is open to the public by appointment. It contains numerous interesting artifacts from the Lowell of the past, including photos, old town reports, maps, old school photos, newspaper and magazine and articles on Lowell, census data, records and other historical data. If you have not visited it for a few years, come take a look: you may be surprised at how we keep accumulating interesting things. If you have old diaries, letters, family reminiscences or the like we may be very interested in including them in our archives, either the originals or copies.

If your ancestors were born or lived in Lowell before the 1970's there is a great source for research and study in the Betty Kelley Archives, which is located in the Town Clerk's office and may be used anytime the Town Clerk's office is open. Compiled by Betty Kelley, this cabinet has a folder for practically every family born in Lowell from the earliest settlers to the end of the Twentieth Century. It contains extensive genealogical dates, photocopies of obituaries and weddings and other newsworthy articles. Occupations are sometimes noted, and some stories and reminiscences are included.

You may purchase a copy of A History of Lowell at the Town Clerk's office during their regular hours or order one to be sent by mail. The cost is \$25 tax included or \$30 if we mail it to you. Order from the Lowell Historical Society, Vermont Route 100, Lowell, Vermont, 05847.

The Historical Society is very grateful for the donations of artifacts, photos, historical letters and documents (the originals or photocopies) and other materials that document Lowell. We continue to learn about our town. There is always more to the story, as they say.

FOREST FIRE WARDEN REPORT

Anyone in the Town of Lowell wishing to have an open fire must first receive a **"Written Burn Permit"** from the local Fire Warden, or Deputy Fire Warden. You may find their telephone numbers posted around town. All burn permits are free.

This year there **WERE 67** permits issued by the Fire Warden, Deputy Warden and Town Fire Chief. The Fire Warden and Deputy Warden should be the first to call for a permit as they are updated daily on fire weather danger and conditions. As you may have seen at the town green there is a daily fire danger sign to let residents know of the fire danger level. This is updated daily during spring, summer and fall fire seasons.

NOTICE:

Due to calls from neighbors of illegal burning of toxic materials. Wardens or members of the Fire Department may make random checks of the burn piles. Please respect your neighbors and do not burn garbage. Certain building materials such as roofing, vinyl siding, foam rubber, etc.... There are **finer** for burning **without a permit**, so please call the Warden or Assistant Fire Warden

We wish to thank everyone who called for a permit this year before burning. And please help prevent forest fires.

Thank-you for your cooperation,

Genny Nick- Forest Fire Warden

Marc Sicotte- Deputy Warden

TIEGEN GRADE 4

Mountain View Cemetery Association

The Lowell Cemetery Association manages the care and finances of the Mountain View Cemetery. Town funding, volunteer effort, and contributions of material and equipment enable the Association's mission to maintain, improve and beautify the cemetery. In addition to lawn care, town funding enabled professional cleaning of several dozen monuments in 2022. The Association requests town funding of \$5500.00 for 2023 to provide ongoing maintenance and improvements.

The Trustees of the Lowell Cemetery Association recognizes the Richardson family for their long dedication and commitment for the betterment of the Mountain View Cemetery. Jack and his sons, Ken, Keith, and Jamie continued a line of support running from Jack's grandfather Horace through his father and mother, Percy and Ilene, and now carried on by his granddaughter Kristi and nephew Wayne. For many years the Richardson family has overseen the management, operation, and care of the cemetery with limited resources and little recognition. The Trustees would like to take this opportunity to express our appreciation. Thank you.

F.O.L.K. (Friends of Lowell Kids)

The generosity of our small town never ceases to amaze us. We work hard to plan and organize events throughout the year to benefit all of the children in the town of Lowell. This organization is not just made up of parents, but grandparents, and community members who truly just care and have great intentions. Yet none of it would be possible without the support that comes from those who join us at an event, who donate or give in some other way. It takes all of us! So FOLK wants to thank you for all you do. This year we were fortunate to be able to hold more events, making it a very successful year. If you would like to make a suggestion for future events or projects then please remember to fill out our survey so we can hear all the voices of our supporters.

We hope that you will check out our website if you have not yet. Be sure to look for our “Forms & Feedback” page to request funding or support for activities for children, or share your ideas or requests with us. We welcome new ideas for programs, events or fundraisers you’d like to see us help make a reality for the children of Lowell.

Friends of Lowell Kids typically meets on the second Tuesday of every month at 6:30pm. The location is usually at the Lowell Graded School. Please feel free to reach out to us at any time or let us know if you’d like to attend a meeting so we can keep you posted. We welcome your ideas and look forward to working together to build more opportunities for children in our town.

Sincerely,

Members: Carla Raboin, Keri Willey, Shannon Escalante, Jennifer Blay, Sonja Blodgett, Samantha Santaw-Wright, Cheryl Clarke, Jesse Waldenville, Angela Audet, Jeremy Pion, Anita Gagner

Junior Members: Vivianna

Waldenville, McKenna Blay,

2022 LOWELL PUBLIC LIBRARY NEWS

After 40 years of dedicated service to the Lowell library and community, Regine Griswold retired at the end of December 2022.

Regine began her tenure in 1982 when the library was housed in what was then the town hall. The library moved to its current location in 1998.

The Lowell trustees wish Regine well and gratefully thank her for all the years she dedicated to caring for the library.

Following Regine's retirement the trustees reviewed several applicants for the position and extended an offer to Nancy Allen.

Nancy has extensive library experience that she brings to the position and we are excited to have her working with us to make our library the best it can be.

She began working on January 21st and will be on duty Tuesday's from 4pm to 6pm and Saturday's from 10am to 12pm. Nancy will be sorting through books to make room for newer books. We plan to add more children's materials as well. Please stop in to meet Nancy and enjoy the library space. Free Wi-Fi is available, inside and outside the building.

There are trustee positions open this year so please come forward if anyone has an interest and helping our library flourish.

DEDICATION TO REGINE GRISWOLD

Regine Griswold retired as librarian for the town of Lowell at the end of December 2022.

Her tenure as librarian began in 1982 when the library was housed in the lower section of the town hall. When the current offices were built in 1998 she and her husband Floyd moved all the books and office contents to the new location. This began the work of building shelving and creating the library as it exists today.

Regine has been a staple in the community providing entertainment and educational materials for our enjoyment for 40 years.

The Library Trustees would like to thank her on behalf of the town for this lengthy investment of time and energy to keep us supplied with the magic of stories. She has been a dedicated steward, sharing her passion for reading with all of us.

With much gratitude, we wish her well in her retirement.

Baseball Sports Fund:

We had 22 students ages Pre-K through age 12 play baseball / softball here at Lowell Graded School. We registered teams with the Cal Ripken program. We had a strong return of our younger players which was a great sign for the future of our teams. We also had a strong showing of volunteers to coach our kids, it is very much appreciated. Without volunteers this wouldn't be possible! We were able to resurface our main ball field, due to the ongoing generosity of our taxpayers, which allowed our kids who played on other towns' teams to use Lowell as their home field.

As our kids are aging out of the Cal Ripken league any additional volunteers would be greatly appreciated, please reach out with any questions.

If you have questions about baseball programs please don't hesitate to ask us.

Thank you,

Ryan and Mandy Sargent

Announcements & Reminders:

- **All Australian ballot articles warned by North Country Union High School (NCUHS) will be voted by the Australian ballot system as well as Lowell Graded School. Ballots will be available at the Town Office by in person voting and absentee requesting.**
- **Polls will be open this year at 9:00 a.m. and close at 7:00 p.m.**
- **You must file a HS122 Homestead Declaration Form EACH YEAR with your annual state tax return to receive the residential tax rate from the Town. For more information and help please call the Town Office to speak to the Listers or go to www.tax.vermont.gov.**

The recycling compacter at the Town Garage are open to the public on Saturday mornings from 8 a.m. until 12 noon. There is a staff member on site to assist you and answer any questions you may have about acceptable items.

REPORT OF DOG LICENSES

Dogs Licensed (2022)	141.
Penalties	\$ 67.00
Special Licenses	\$ 45.00
Total License Fees Received	\$ 1,439.00
Fees Paid to VT State Treasurer	\$ 680.00.

DOG REMINDER

ALL DOGS 6 MONTHS & OLDER MUST BE LICENSED BY
APRIL 1st, 2023

50% Penalty charged after April 1st, 2023.

Dog License Fees:

\$9.00 each neutered or spayed.

\$13.00 each not neutered or spayed.

Fee After April 1st, 2023

\$ 11.00 each neutered or spayed.

\$ 17.00 each not neutered or spayed.

The Animal Doctor will be hosting a Rabies clinic every Wednesday in March 2023 at her facilities only.

(YOU MUST SHOW PROOF OF VACCINATION AT TIME OF LICENSING)

PLEASE NOTE

All dogs, cats, ferrets & wolf/ hybrids must be vaccinated against rabies.

TOWN OF LOWELL- DOG ORDINANCE

An ordinance establishing regulations for the control of domestic pets and wolf-hybrids has been adopted by the Selectboard since October 5, 2004 and took effect on December 6, 2004.

No owner, keeper or other person shall permit a dog or wolf-hybrid owned by him/her or under his/her keeping or control, to run at large; such person found in violation shall be subject to civil penalties or other enforcement remedies – as provided by law.

A copy of the ordinance is available at the Town Clerk's office.

The Animal Doctor
56 Eastern Ave
Newport Center, VT
802.334.1503

2023 Vaccine Clinics

All Wednesdays in March from 10 AM to 12 PM

Curbside vaccines available for all dogs and cats!

Please bring previous vaccine records for your pets if you have them.

TIME TO SPAY AND NEUTER YOUR CATS AND DOGS!

The VT Spay Neuter Incentive Program (**VSNIP**), under the VT Department of Children & Families, is administered by VT Volunteer Services for Animals Humane Society. **Funded by a \$4.00 fee added to the licensing of dogs, this monetary resource is limited by the number of dogs licensed, which is required by law by six months of age.** Puppies and kittens can have the first rabies vaccination after 12 weeks of age. If unable to schedule an appointment with a veterinary office for this vaccination, Tractor Supply Stores hold monthly clinics as well as humane societies during the month of March. Call for their schedules. After the vaccination, contact your town clerk and provide proof of the rabies vaccination to license your dog.

Rabies IS in Vermont and it IS deadly.

Licensing a dog:

- 1) Helps identify your dog if lost.
- 2) Provides proof your dog is protected from rabies in the event your dog is bitten by a rabid animal {but still needs immediate medical attention}.
- 3) Protects your animal if they bite another animal {or person – which could result in the quarantine of your dog or possibly euthanized in order to test for rabies if not currently vaccinated}.
- 4) Pays for this necessary program addressing the population situation in VT.

For an Application for VSNIP and a List of Participating Offices, send a S.A.S.E. (a 9" Self-Addressed, Stamped Envelope) to: VSNIP, PO Box 104, Bridgewater, VT 05034. Or, to download and print, go to: VSNIP.VERMONT.GOV Indicate if it's for a cat, dog or both. Once *fully* completed, you will mail it back. If approved, you will receive your Voucher and instructions.

The cost for the surgery to you is only \$27.00, providing there are no complications. Fellow Vermonters pay the balance of your account from funds collected at the time of dog registration. Please be **SURE** your cat or dog is completely flea and tick free **before** the visit. Animals left UN-neutered are more prone to forms of cancer.

Thank veterinarians for their participation in this important program. If your veterinarian is not a participant, please encourage them to join. Several veterinarians have retired, leaving a reduced number of participating offices. VSNIP offices are accepting less reimbursement than what they would usually charge for their services. We NEED them :) Let them know you appreciate the difference they've made in our state over the years when euthanasia was the means of animal over-population control. Those days are behind us ~ let's keep it that way!

Sue Skaskiw, Administrator 1-800-HI VSNIP (1-844-448-7647)

VSNIIP is funded by \$4.00 added to the licensing of dogs. Dogs are required by law to be licensed in the town in which you live by six months of age. Proof of a rabies vaccination within the last year is required to be able to license a dog. Puppies and kittens can have a rabies vaccination after 12 weeks of age. Tractor Supply stores offer monthly rabies clinics as do some humane society shelters.

Below is a list of places that offer low cost spay & neuter clinic options to VSNIIP. Animals usually come home the day of surgery. If you must travel, enjoy the day in the area! You may want to call your local humane society to see if they've added a spay day to their schedule.

LOW COST SPAY NEUTER OPTIONS: LOOK UP THEIR WEB SITES 😊

Cat Crusaders of Franklin CTY: Franklin CTY residents considered first. 802-782-9968

Community Pet Clinic: Humane Society of Chittenden CTY, 3 clinics a week! 802-923-9023

WARNING
LOWELL SCHOOL DISTRICT MEETING
THE LEGAL VOTERS OF THE TOWN OF LOWELL, VERMONT ARE
HEREBY WARNED AND NOTIFIED TO MEET AT THE ELEMENTARY
SCHOOL IN SAID TOWN OF LOWELL ON TUESDAY, MARCH 7, 2023 AT
10:00 A.M. TO ACT ON THE FOLLOWING ARTICLES, VIZ:

1. TO ELECT A MODERATOR FOR THE ENSUING YEAR
2. TO ELECT A SCHOOL DISTRICT DIRECTOR FOR A THREE-YEAR TERM
3. TO ELECT A UNION SCHOOL DISTRICT DIRECTOR TO FILL THE REMAINING TWO-YEARS OF A THREE-YEAR TERM
4. SHALL THE VOTERS OF THE LOWELL TOWN SCHOOL DISTRICT APPROVE THE SCHOOL BOARD TO EXPEND \$2,186,336.00, WHICH IS THE AMOUNT THE SCHOOL BOARD HAS DETERMINED TO BE NECESSARY FOR THE ENSUING FISCAL YEAR?
5. SHALL THE VOTERS OF THE LOWELL TOWN SCHOOL DISTRICT AUTHORIZE THE BOARD OF SCHOOL DIRECTORS TO USE \$65,000.00 OF THE UNALLOCATED, UNAUDITED GENERAL FUND BALANCE FROM THE 2021-2022 SCHOOL YEAR, TO REDUCE TAXES IN THE 2023-2024 SCHOOL BUDGET?
6. SHALL THE VOTERS OF THE LOWELL TOWN SCHOOL DISTRICT AUTHORIZE THE BOARD OF SCHOOL DIRECTORS TO TRANSFER TO THE TAX STABILIZATION FUND \$65,000.00 OF UNALLOCATED, UNAUDITED GENERAL FUND BALANCE FROM THE 2021-2022 SCHOOL YEAR TO BE USED IN FUTURE BUDGETS WHEN THE TAX RATE IS TO INCREASE MORE THAN 3 CENTS?

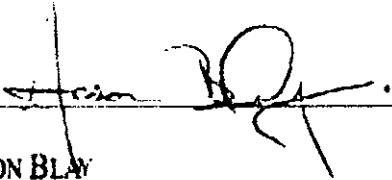

DATED AT LOWELL, VERMONT THIS 26th DAY OF JANUARY, 2023:

TOWN OF LOWELL

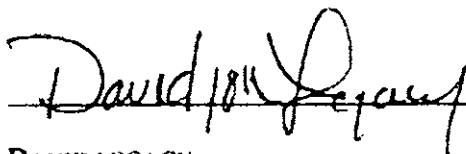

BOARD OF SCHOOL DIRECTORS

STEVE MASON

JASON BLAY

DAVID LEGACY

A Letter from the Lowell School Board – January 2023

As we are exiting a time of disruption caused by the worldwide epidemic of COVID, the year 2022 has presented all of education with a new set of challenges to be overcome.

The first is a nationwide shortage of general school staff and teachers. We are beginning to experience a number of negative effects on education a teacher shortage brings. For example,

- 1) Students may not have access to the same level of instruction as they would with a full complement of teachers. This can lead to gaps in their knowledge and skills and make it more difficult for them to succeed academically,
- 2) Class sizes may increase as a result of the shortage, making it more difficult for teachers to give individual attention to each student. This can lead to a decrease in the quality of education, and
- 3) Schools may be forced to hire untrained or unqualified teachers in an attempt to fill the teacher shortage leading to a decrease in the overall quality of instruction, and the teacher shortage may lead to increased teacher burnout and turnover, as teachers are asked to take on additional responsibilities and work longer hours.

Overall, a teacher shortage can have serious consequences for the education system and the students it serves. For this reason, in 2023, North Country Supervisory Union (NCSU) will be taking an inclusive approach to the issue asking for input from students, staff, parents, and the community at large for help in finding solutions by holding a series of public forums in towns across the NCSU. All are invited to participate. We are happy to report that at this time Lowell is fortunate that a teacher/staff shortage hasn't really affected us.

As we write this report to the Town of Lowell, we can report a modest increase in the school budget for the next fiscal year. Despite this, however, are being told that there is likely to be a decline in the tax rate associated with the school budget. While we don't know exactly how much that decrease will be, it is a welcome development. Pertinent to this, as school board members, we are often asked by community members "*Why does the cost of educating our children keep going up?*" We would like to take a few lines to address this question as there are a number of factors that can contribute to the rising cost of education. First, rising costs are tied to realities that include staff salaries, building maintenance, state-mandated programs, and other expenses noted below. Second, in many cases, state and federal funding for education has declined in recent years, which can put pressure on schools. Third, as is the case of all households, food, energy cost (electricity and heating fuel), and other expenses contribute to the rising costs.

In addition to the points above, one of the big factors that affect the increase in the cost of education for many of our local schools is decreased enrollment in schools. Lowell has seen a decrease in its student population over the years of over 40% at the same time most of Lowell's school budgets have shown a steady increase.

This has been true for most of the schools in NCSU as our schools, generally have seen some decline in student enrollment. Why does this lead to higher costs? It is a complex issue with no easy solutions. The reasons why fewer students in public schools can lead to higher costs are:

- 1) Fixed costs, such as the cost of maintaining buildings and grounds, that do not decrease even if there are fewer students. This means that the per-student cost of these expenses increases as the number of students decreases.
- 2) Changes in funding. Schools receive less funding from the state government if there are fewer students leading to a decrease in the resources available to the school, which results in higher costs per student.
- 3) The ever-rising cost of health insurance.

There are many factors that can contribute to higher costs in public schools when there are fewer students, however, over the years, *Lowell Graded School* has carefully managed its budgets in order to minimize the impact on students and their families by often presenting "cost of living" increases while returning unspent money to the taxpayer, putting unspent money into tax stabilization accounts and allowing money to go into a maintenance fund in the case of unexpected facility needs.

We are especially pleased to report that of this writing, planning has begun for the return of the eighth grade trip to Washington, DC! After a few years, this Lowell tradition will again take place.

As always, we are most proud of the support the community has given to its school and the incredible work that our teachers and support staff give every day to ensure student safety and well-being. This is apparent as our students continue to gain recognition by excelling amongst their peers while here at Lowell School and even after they move on. We recognize how fortunate we are to have such commitment!

"The mission of Lowell Graded School is to provide a safe, challenging and engaging learning environment that promotes achievement and is tailored to individual student needs."

School Year 2022-2023

Greetings Lowell Graded School Community,

I would like to start by *Thanking* the incredible group of people who make up Lowell. Everyone has just gone through a tumultuous time not experienced by any of us previously. Many were frightened, confused, agitated, and paralyzed as they carried out their everyday activities. School was still in session while we navigated these stressors to provide a sense of normality and keep moving students forward academically. Children as young as 3 years old came every day to participate in their education and learn all they could from an amazing group of instructors, while dealing with these emotions. We were able to do this largely because of the support we received from you!

This school year we did some restructuring with our grade configurations. We were able to move to a more individualized model, instead of having combined classes in the primary grades. This is due in thanks to ESSER funds. Our Middle School is 5th-8th grades, with 3 core teachers. We have one teacher for math, one for science and one for humanities. We feel fortunate to be able to provide this small group instruction to our students. Our hope is to continue this model to have the greatest academic and social/emotional impact providing the needed support for students.

Allow me to speak for a moment about our exceptional staff. We are fortunate and unique in the fact that approximately half of our staff also live in Lowell. Another interesting fact that is impressive, collectively our staff has over 250 years of service to Lowell Graded School. Perhaps we should change our name to Lowell Community School!

Our building encountered a couple of major upgrades during the summer of 2022. We installed a commercial hood in the kitchen to meet fire code. We also had the outside of the building painted. This entailed more work than anticipated as there were boards

that needed to be replaced. These are just a few of the projects that have been completed to help make our school environment the best and welcoming place to educate our kids.

As I close my annual letter, I would like to state what an honor and privilege it is to be the Principal of Lowell Graded School. This is a distinction I hold with genuine reverence and pride. I realize I cannot begin to mention all of the wonderful things happening in your/our school; therefore, I am elated to once again be able to invite you to come in and check out what we are doing. I welcome your considerations and feedback. Please, let's not forget or allow ourselves to get sidetracked, *it truly is all about "OUR CHILDREN!"* On behalf of the students, staff, and board at LGS, I would like to take this as an opportunity to express my sincere gratitude for your continued consideration, cooperation, and support!

Sincerely,

Anita Gagner

As a Title I school, Lowell Graded School receives federal funds to support the academic success of all learners.

**WARNING FOR THE ANNUAL MEETING OF THE
NORTH COUNTRY UNION HIGH SCHOOL DISTRICT**

The legal voters of the North Country Union High School District, consisting of the Town School Districts of Brighton, Charleston, Derby, Holland, Jay, Lowell, Morgan, Newport Center, Troy, Westfield, and City of Newport, are hereby notified and warned to meet at the North Country Career Center Assembly Room (Room 380), in Newport, Vermont, on **Monday, February 27, 2023**, at 5:30 p.m., to act upon the following business, to wit:

- ARTICLE I: To elect, by ballot, the following officers for the district: a moderator, a clerk, and a treasurer, each to serve for one year.
- ARTICLE II: To hear and act upon the reports of the district officers.
- ARTICLE III: To decide what salaries shall be paid to officers and directors of the district.
- ARTICLE IV: Shall the voters of the North Country Union High School District approve the school board to expend \$19,475,500, which is the amount the school board has determined to be necessary for the ensuing fiscal year?
- ARTICLE V : Shall the voters of the North Country Union Junior High School District approve the school board to expend \$6,211,900, which is the amount the school board has determined to be necessary for the ensuing fiscal year?

Voting on the aforementioned ARTICLE IV will be by Australian ballot at each regular polling place in each member town and city of the North Country Union High School District on **Tuesday, March 7, 2023**. Voting on the aforementioned ARTICLE V will be by Australian ballot at each regular polling place in the towns of Derby, Holland, Jay, Morgan, Westfield, and the City of Newport on **Tuesday, March 7, 2023**. The polls shall be opened and closed according to law and as set by the Board of Civil Authority of each town or city within the union District. The respective Boards of Civil Authority shall be responsible for determining persons' eligibility to vote and the supervision of the election. The presiding officer shall direct the manner in which the vote and ballots on the appropriation questions are counted in each respective town and city. The municipal clerks of the member towns and city shall certify the tallies to the Board of School Directors and transmit the certified counts to the North Country Union High School District Clerk.

**WARNING FOR THE ANNUAL MEETING OF THE NORTH COUNTRY UNION
HIGH SCHOOL DISTRICT (Continued)**

DISCUSSION AND DEBATE ON THE APPROPRIATIONS SHALL BE CONDUCTED AT THE ASSEMBLED NORTH COUNTRY UNION HIGH SCHOOL ANNUAL MEETING ON **MONDAY, FEBRUARY 27, 2023**, AT 5:30 p.m. THE ASSEMBLED MEETING SHALL ALSO CONSTITUTE THE PUBLIC INFORMATIONAL HEARING REQUIRED BY 17 V.S.A. §2680(0).

ARTICLE VI: To see when, by date and time, the North Country Union High School District shall hold its Annual District Meeting in 2024, and the time it shall hold special district meetings under the provisions of 16 V.S.A. 706j (a) (5), 706p, 17 VSA 2643 and 17 VSA 2655 including any special meetings held subsequent to the Annual District Meeting in 2023.

ARTICLE VII: To do any other business that may legally come before the meeting.

ARTICLE VIII: To adjourn.

Dated at Newport, Vermont, this 17th day of January 2023.

A column of five handwritten signatures on lined paper. The signatures are written in dark ink and vary in style, some being more cursive and others more blocky.

A column of four handwritten signatures on lined paper. The signatures are written in dark ink and are more cursive and flowing than those in the left column.

Academically Accomplished ❖ Effective Communicators & Collaborators
Technologically Skilled ❖ Globally Aware ❖
Contributing Citizens ❖ Respectful of Our Environment
Physically, Emotionally & Socially Healthy
Appreciative Of & Skilled In the Visual & Performing Arts

NCSU SUPERINTENDENT OF SCHOOLS ANNUAL LETTER

As many of you may already be aware, after serving as NCSU's superintendent for the last eight years, John Castle stepped down from his post on June 30, 2022 to pursue another opportunity, and I took over beginning July 1, 2022. In my 33 years of working in education in a variety of roles, I've had the privilege to work for a lot of superintendents. John's sense of integrity, advocacy for our students, passion for teaching and learning, and strong moral compass made him a very effective leader. Our supervisory union is a better place because of John's commitment to and vision for our schools, and I'm very fortunate for the awareness and experience needed in order to offer consistency and continuity of these same commitments and vision through this transition.

We continue to frame our work with students by thinking about NCSU's Design for Learning and our Work and Learning Plan. Both documents can be found on NCSU's website at <https://sites.google.com/ncsuvt.org/ncsu-learning-design/home>. Since it's been about nine years since we've looked closely at the Design for Learning, we will soon engage NCSU stakeholders to provide input into this framework for a potential revision.

As you know, education has undergone many changes over the last few years, creating some big challenges, including staffing and funding changes.

Like many schools and businesses in our region and state, NCSU has experienced some challenges with filling positions and retaining staff. Currently, we have approximately 52 positions open across our supervisory union, including approximately 27 teaching positions and 29 support staff positions. When we are short-staffed, everyone who is working in the system is doing more than is usual, which creates stress in the system.

You may have heard about some changes in the way that special education is funded. The legislature has mandated switching from a reimbursement model to block grant funding. This has had an extremely negative effect on our SU-wide budgets. For this year and moving forward, the legislature is phasing in block grant funding. Instead of receiving 56% reimbursement of whatever the special education cost is, we receive a block grant per student. Districts and supervisory unions with lower special education students will see an increase in revenue, but at NCSU, we have lost approximately \$750,000 in revenue from FY22 to FY23.

Although our work with students in a post-pandemic world has had some challenges, I want to express how proud and grateful I am of our NCSU students, families, and staff. Illnesses continue to afflict both the students and staff. Because of increased absences, the need to differentiate and provide a multi-tiered system of support for students has increased. With students missing instruction, concepts or skills, and having different gaps in instruction, the need to deliver effective universal instruction while planning and implementing substantially different instructional pathways for the varied needs of students continues to be a large focus of our professional development and priority within schools. Additionally, students continue to require an increase of social-emotional support. For many students, a prolonged heightened sense of anxiety and uncertainty has compounded this need. Despite these challenges, NCSU's community of students, families, and staff have rallied to keep our educational systems progressing. We have not only done what's required, but we are also continuing to strive for excellence and to exemplify our district's 4C's of Character, Competence, Creativity and Community. Thank you for your support and for the opportunity to serve our community in my new role.

JAY PEAK POST NO. 28, INC. – AMERICAN LEGION (Requesting \$300)

254 Dominion Avenue North Troy, VT 05859-9701

John Hurlburt, Commander (802) 487-9116

January 5, 2023

Town of Lowell:

First on behalf of Jay Peak Post #28 members, (Legionnaires, Auxiliary and sons of the American Legion) we wish to thank you for your support of the American Legion. The appropriated funds provide the means of the Post to purchase flags and markers for replacement near a veteran's headstone in neighboring cemeteries. We also rely on these funds to replace American service flags that fly at the Post flag park, support Memorial Day Observances and defray operational costs.

In Appreciation,

John Hurlburt

December 19th, 2022

Town of Lowell:

Green Mountain Farm-to-School is requesting an appropriation in the amount of \$800 from the Town of Lowell to support the Lowell School Garden Program and the associated Farm-to-School Program.

Green Mountain Farm-to-School (GMFTS) is a non-profit organization with a mission to strengthen local food systems in Vermont by promoting positive economic relationships, education, and access between schools, farms, and communities. In 2022, our Green Mountain Farm Direct program distributed \$542,938 worth of local food from 51 farms and producers to 116 schools, retailers, restaurants, food shelves, and other institutions throughout Vermont; our Lunchbox program provided 4,000 free meals to NEK children in the summer months; and our Farm-to-School program served 2,412 students in 15 different NEK schools.

As part of our Farm-to-School program, GMFTS coordinates student and community involvement in the Lowell School Garden. Over the last year, every student at the school has been involved in maintaining and harvesting the garden. Produce from the garden was served to students in the school cafeteria or provided to community members in need in the summer months. GMFTS has also worked with the school to purchase local food, host monthly taste tests, teach nutrition and gardening workshops, lead farm field trips, and host activities at the Fall Festival.

With the town's help, GMFTS can continue to provide the School Garden and Farm-to-School Program for the Town of Lowell, producing fresh local food for the cafeteria, and giving students the knowledge and skills they need to make healthy food choices. The funding from grants, towns, individuals, and businesses covers a portion of the school garden and Farm-to-School Program. Funds received from the town will pay for tools, seeds, equipment and supplies, as well as staff time needed to maintain the school garden in the summer months.

We are deeply grateful for the support from Lowell in the past. Thank you for your consideration and please reach out if you have any questions or need additional information.

Respectfully submitted,

Catherine Cusack
Executive Director

November 15, 2022

Town of Lowell
2170 VT. Rte. 100
Lowell, VT 05847
Attn: Christy Pion

This is a request for a contribution of \$1000 from the Town of Lowell for FY2023 and a report of the agency's activities during the last year. We appreciate the continued support from the residents of Lowell and we look forward to serving you in the coming years.

In the last year, July 2021 through June 2022, LCMHS has provided services including child and family mental health, crisis services for individuals, and a variety of other community-based services to improve outcomes for individuals and families in the Lamoille Valley. As well our agency continues working with local, county, and state police and other first responders and local schools to help improve outcomes for persons impacted by sudden and unexpected events such as accidents and other serious incidents.

We at the agency hope you will support LCMHS in our effort to promote the health and wellbeing of our neighbors.

Sincerely,

Michael Hartman
Chief Executive Officer

Dear Lowell Residents,

Lamoille County Mental Health Services strives to provide the highest quality services and support to our community to enhance independence and quality of life. Over the past year we provided quality services to Lamoille Valley residents with all of our programs including a 24 hour 365 day a year Mobile Crisis Team (MCT) responding to requests from children, families, and individuals as well as local police, ambulance, Copley Hospital inpatient and Emergency Department, Lamoille Valley school districts and other partners. The Mobile Crisis Team also provides Critical Incident Stress Debriefing for first responders, families, and work colleagues coping with the aftermath of a traumatic event. This is the only full time mental health emergency crisis response service in the region. For the fiscal year ended June 30, 2022 we served four (4) Lowell individuals providing over 112 services over the course of fiscal year 2022.

In the past five years, we have created a community peer support program, the Cadre team, to support individuals who are experiencing a difficult time to have a peer to talk with or to assist them in getting over a temporary challenge. We have also developed into a Zero Suicide agency to help reduce suicides in our area, among the highest county for suicide related deaths in Vermont. This effort has been successful in training over 200 staff and community members on basic suicide prevention and over 70 providers on doing specific suicide intervention therapy. As well, LCMHS is sponsoring a survivors of suicide support group which is open to all communities to help individuals cope with this challenging event. Funding support from local governments can help to expand these efforts.

Our community and school treatment/support programs continue to provide service by telehealth and in person for children and families through the challenges of covid and other needs and this year we are continuing to develop new pathways to help families cope. Meanwhile our Developmental Services program has also done phenomenally well as we have recently been found to continue to have one of Vermont's strongest employment programs for persons with intellectual and development disabilities.

In these challenging times, town contributions and support, are always valued, making them more important than ever as all of us wrestle with post Covid 19 recovery and the many needs that spring from it. We are committed to do what we can to support our families and friends who find themselves in need and help to mitigate the many health impacts of the pandemic.

Sincerely,

Michael Hartman

Lowell, VT 05847

Dear Lowell Selectboard members and Residents of Lowell,

This year, the Missisquoi River Basin Association (MRBA) celebrated 25 years working to protect and improve water quality! As a non-profit organization, it is thanks to our volunteers – which include school groups, teachers, paddlers, and farmers, to name just a few – that we succeed in our mission to identify and address issues that affect water quality in the Missisquoi River and its tributaries.

MRBA Projects and Programs:

Ecological restoration, streambank stabilization, and river clean-up efforts: During 2022, as in most years, MRBA volunteers assisted with tree plantings (an additional 1300 trees were planted along streams and the river during 2022!), helped pull trash from our riverbanks, and assisted with our continued study of non-chemical ways to combat Japanese knotweed.

Water quality sampling: MRBA staff and volunteers also collected water quality samples from 10 locations within our watershed during 2022; monitoring stream health throughout our region.

Assisting farmers and landowners: In addition to implementing projects (tree plantings, bank stabilizations, water bars, combating invasive species), we also conducted several site assessments this year. These are designed to help landowners understand what water may be doing on their property, and some ways to mitigate or improve their relationship with runoff.

Educational programs: We love providing hands-on educational opportunities to students through our watershed model, rainfall simulator, and Bugworks program. In 2022, we were pleased to help bring back Lake Lessons, a half-day water-focused field trip for area 4th graders; we also are assisting in a year-long educational experience, called Winds, Waves, and Variables, for the Lowell School and several other of our watershed schools.

We respectfully request the Town's support of MRBA through a \$200 donation so that we may continue to serve our community with these programs. Your appropriation will help us continue to provide programs, assist landowners, and will help us grow our team so that we may better serve our watershed towns.

Your support of our organization in past years is so greatly appreciated and the funds have been put to good use. We thank you very much for your consideration of our 2023 request.

Sincerely,

John Little, MRBA President

Missisquoi River Basin Association (MRBA)

November 7, 2022

Town of Lowell Select Board,

On behalf of the Northeast Kingdom Council on Aging, we are writing to ask for an appropriation from the town of Lowell to support our work with older Vermonters living in your community. Your support is vitally important as we continue to face challenges due to the increased costs for food and fuel, and the increasing need to protect and feed elder Vermonters.

The NEK Council on Aging serves as a central guide for older Vermonters to gain services and assistance in their communities. In FY 2022, the Council aided **over 4,350 residents of the Northeast Kingdom** and with our congregate and home-delivered meals program, **delivered 224,343 meals**. We also offer a Helpline; Medicare counseling and Bootcamp; exercise and mobility programs; specially-trained staff who help people develop long-range planning as they age; family and caregiver support programs and grants; case management for those who need a bit more support with aging in place; as well as support to apply for fuel, food, and pharmacy programs. Our nutrition programs partially fund 14 meal sites and home delivered meals under the guidance of our registered dietitian. Working with RCT and Legal Aid, we provide for the complex challenges people face while living in a rural community. Our work is supplemented by over 320 volunteers who serve as home-delivered meals drivers, wellness program leaders, and home-based caregivers.

As a private, 501c (3) non-profit corporation, we have been serving older Vermonters for over 43 years. This year, we are requesting the amount of \$300 from the residents of the town of Lowell. We have enclosed a brief letter in support of this request for inclusion in your town report and a copy of our 2022 Annual Report.

Suggested wording for the warning article for town meeting follows: *"Shall the town vote to appropriate the sum of \$300 to assist the Northeast Kingdom Council on Aging in providing services to older Vermonters in the ensuing year."*

Please feel free to contact me should you have questions or need additional information.

Warm regards on behalf of the staff and Board of Directors of the NEK Council on Aging,

Meg Burmeister
Executive Director
www.nekcouncil.org

The mission of the Northeast Kingdom Council on Aging is to *"Help People Age with Independence and Dignity."* Our goal is to enhance the ability of these Vermonters to live as independently as possible, actively participating in and contributing to their communities.

March 2023

For over 44 years, the Northeast Kingdom Council on Aging has been a valued and trusted resource for older Vermonters to age independently, their way. Our mission is to deliver the person-centered support necessary for our older Vermonters to sustain their independence and live well in their communities.

Our valuable services include a Helpline, Medicare counseling and Bootcamp, specially-trained staff who help people develop long-range planning as they age, exercise and mobility programs, family and caregiver support programs and grants, case management for those who need a bit more support with aging in place, as well as assistance in applying for fuel, food, and pharmacy programs.

Our nutrition programs partially fund 14 meal sites and home delivered meals under the guidance of our registered dietitian. Working with RCT and Legal Aid, we provide solutions for the complex challenges people face while living in a rural community. In addition, our work is supplemented by over 320 volunteers who serve as home-delivered meal drivers, wellness program leaders, friends who make neighborly check-in phone calls, and home-based caregivers.

Our service area extends across the entire Northeast Kingdom, all Caledonia, Essex, and Orleans counties. During this past year, 3 residents of Lemington used the services of our organization to meet their needs. People called our Helpline for assistance with caregiving and programs such as 3SquaresVT, Medicaid and Medicare, our e-learning portals Trualta and GetSetUp, fuel assistance, and transportation, among other services. Our website www.nekcouncil.org provides information on many of our programs and services.

We sincerely thank the residents of Lemington for your continued support to make a difference in the lives of your residents who are often the most vulnerable. As a private non-profit, we are able to remain independent and put the focus on our clients who need unbiased assistance.

If you have a friend or family member who may benefit from our services, please contact us. We're just a phone call away at the Helpline: 800-642-5119 or (802) 748-5182.

In gratitude,

Meg Burmeister
Executive Director

The staff at the NEK Council on Aging wish to extend a special note of thanks to all the residents of the towns that supported us with an appropriation or donation during the COVID-19 pandemic. Requests for our services increased substantially and we remain grateful for the support of our friends in the Northeast Kingdom as we continue to help elder Vermonters to age positively.

RE: 2023 Town Meeting Appropriation Request

Dear Town of Lowell Select Board and Community Members:

The professional employees at Northeast Kingdom Human Services, Inc. follow their mission to empower individuals, families, and communities by promoting hope, healing, and support. We ask you to financially support our mission and agency by including the following article in your 2023 Town Meeting Warning.

ARTICLE: Shall the Town of Lowell vote to raise, appropriate, and expend the sum of \$1758 for the support of Northeast Kingdom Human Services, Inc., a not for profit 501(c)(3), to support community members who cannot otherwise afford care?

This request is the same amount as voted at the 2022 Town Meeting.

A Fiscal Year 2022 Summary Activity Report of how Northeast Kingdom Human Services (NKHS) supported your town and the Northeast Kingdom is included with this letter.

For more information about our agency and services, please visit our website at <https://www.nkhs.org>, or call our offices in Derby (802-334-6744) or St. Johnsbury (802-748-3181). Emergency Services are available 24/7.

We strive to respond to community needs with quality care.

Respectfully,

Kelsey Stavseth, Executive Director
Northeast Kingdom Human Services Board of Directors and Leadership Team

Contact Ruth Marquette at RMarquette@nkhs.net regarding appropriation questions.

November 18, 2022

Town of Lowell,

Since the late 1960s, Northeast Kingdom Learning Services, Inc. (NEKLS) has served the residents of Orleans, Essex, and Caledonia counties. NEKLS began in one location in Newport, and has since expanded to provide free services in five Community Learning Centers as well as various off-site and in-home educational programs. Residents of these counties who have accessed NEKLS services have worked toward obtaining a high school diploma or GED, gained job skills, and prepared for college courses, in addition to continuing support for the Orleans and Northern Essex County Big Brothers Big Sisters program.

Community groups like NEKLS continue to face financial difficulties due to state and federal budget constraints. The hundreds of community members we interact with each year depend on town appropriations to keep programs free and help them achieve their goals. Funding supports the introduction of new educational options as well as the maintenance of current high-quality programs. NEKLS is asking for a \$250.00 town appropriation to fund programs that are available to locals.

In 2019, NEKLS added Ready, Set, Grow Child Care Center, which is licensed for 98 children and cares for infants (6 weeks old) to school-age children year round (up to age 12). Bringing this childcare center to the community was a transformative project that included a partnership with NEKCA Head Start to create a spectacular center that recently earned 5 STARS in Vermont's Child Care Rating System.

Enclosed is our NEKLS appropriations flyer to include in your town report; it is a detailed summary of our services for taxpayers' information.

We hope you will continue to support NEKLS as we look forward to another year of being an important partner in your community. Thank you for your consideration.

Respectfully submitted,

Michelle Faust

To the Voters of Lowell:

The Northeastern Vermont Development Association (NVDA) has long been a regional advocate for stronger communities and vibrant local economies. As a combined regional planning and economic development organization, we are uniquely suited to effectively serve the municipalities and businesses of the Northeast Kingdom.

This year, we are again requesting annual dues from our member communities. These funds are critical, as they allow us to provide direct technical assistance to the 50+ municipalities and the many businesses in our region. Municipal contributions also allow us to leverage additional state and federal funds that benefit our region.

While local governance becomes more complex, our talented staff remains available to assist your community. Throughout 2022, we continued helping local government and businesses navigate the ongoing challenges resulting from the pandemic, including pursuing new opportunities to aid in regional recovery. We continued assisting communities and businesses with ARPA funding and other state and federal recovery resources. Our regular services continued as well, including:

- Land use planning & regulation;
- Transportation studies and project planning;
- Digital mapping and GIS services;
- Grant writing and administration;
- Direct business support, referrals, and lending to employers in our region;
- Energy planning and water quality planning to help communities meet evolving statutory requirements;
- Planning for natural hazards and local emergency response;
- Brownfield assessments and remediation assistance;
- Economic development activities to grow and strengthen businesses in our region;
- Training for local officials.

How have we served your community? In 2022, NVDA staff helped the town to update the expired town plan. Under our transportation work we conducted traffic counts on some of the town roads. We also helped the town with Grants In Aid and in emergency planning and preparation.

Municipal contributions to NVDA have remained the same since 2016. This year, however, the NVDA Board has approved the first of three small adjustments that will occur over a five-year period to lessen the impact on municipal budgets. In 2023, dues will increase to \$0.85 per capita (from \$0.75), with a maximum of \$3,965 and a minimum of \$565. We take great pride in serving the communities and businesses of the NEK. This additional contribution allows us to continue providing a high level of professional service. We take pride in keeping communities aware of new opportunities through our e-newsletter and social media. Contact us at tgonyaw@nvda.net to receive our e-newsletter and like us on Facebook.

Sincerely,
David Snedeker
Executive Director

Request for 2023 Town Dues

Greetings:

The Northeastern Vermont Development Association (NVDA) is now making its annual Request for Town Dues. In past years, we have used the term “appropriations” rather than “dues”, but “dues” more accurately reflects the Town’s status as a member community of NVDA, which your Town has been since 1950. We greatly appreciate your continued support.

Town of Lowell

Amount Requested: \$754

Possible funding methods**:

1. As a line item in the operating budget
2. As an article on the warning

Example:

“Shall the town vote to appropriate a sum of money not to exceed \$754 to the Northeastern Vermont Development Association, for planning, development, promoting and publicizing the resources of Caledonia, Essex and Orleans counties with other towns in the three counties?”

****Many of NVDA’s member Towns are also members of the Vermont League of Cities & Towns (VLCT) and have those dues included as a line item in the Town budget, rather than as an article in the Town report. Please consider including the Town’s membership with NVDA as a line item as well.**

OCCAC/SIU Town Report FY 22

Dear Citizens of Lowell,

The Orleans County Children's Advocacy Center / Special Investigations Unit is a non-profit organization dedicated to investigating, prosecuting, and providing victim advocacy services for victims of sexual violence, child physical and sexual abuse, and crimes against vulnerable adults. The OCCAC/SIU represents a collaborative partnership between the Orleans County State's Attorney's Office, Vermont State Police, the Orleans County Sheriff's Department, Newport Police Department, Northeast Kingdom Human Services, North Country Hospital and the Department for Children and Families, as well as various therapeutic service providers.

In fiscal year 2022, the OCCAC/SIU was involved in 60 investigations throughout Orleans County related to allegations of physical and sexual abuse against children and 3 investigations related to allegations of sexual violence against adult victims. Town funds supplement our state funds and help us to support our investigators in effectively investigating incidents, our victim advocate in helping victims from your community through this very difficult process, and the State's Attorney's office in attaining justice. Our goal is to prevent further trauma to the victims by providing a safe, non-threatening, family friendly space to meet and explore allegations of abuse. Members of our Team receive specialized training to investigate these sensitive cases.

The OCCAC/SIU is an associate member with the National Children's Alliance (NCA). As the accrediting agency for Children's Advocacy Centers (CAC) across the county, NCA awards various levels of accreditation and membership to centers responding to allegations of child sexual and severe physical abuse. This designation means we meet rigorous national standards that ensure these allegations are investigated and prosecuted effectively and efficiently, while providing coordinated support services to victims and their families.

The Orleans County Children's Advocacy Center / Special Investigations Unit is requesting funds in the amount of \$250 to continue our efforts in supporting families in your community. Please feel free to contact me if you have any questions or need further information.

Thank you for your continued support.

Sincerely,

Meghan Gyles, Executive Director

"Our Mission is to create and support relationships between community volunteers and individuals with intellectual and developmental disabilities so that all are heard, empowered and fully included in the community. We strive to engage all members in opportunities that enhance quality of life."

November 28,2022

Dear Lowell Voters,

Orleans County Citizen Advocacy (OCCA) was founded in 1988 to promote friendships between individuals with developmental disabilities and community volunteers. Through one to one matches, we help our members build empowering relationships where each person is respected, included,and heard.

In the last few years, in order to address challenges of isolation and loneliness brought on by the covid pandemic, we have attempted to increase meaningful opportunities for community inclusion by offering a variety of in-person and online activities. However, we continue to face obstacles to meeting the diverse unmet needs of people with disabilities in our communities.

To address these needs, OCCA has begun a brand-new program to create a "hotline" for anyone in Orleans County with developmental disabilities (or their caregivers) to call for help. Our goal is to assist people who may fall through the cracks between what private and public support networks provide. We intend to get the hotline up and running in the beginning of 2023 with a robust publicity campaign. We will periodically evaluate and adjust our program to ensure effectiveness. We encourage anyone who is interested in volunteering for any of our programs to contact us.

Since its inception, OCCA has continued to function without any federal or state funding. We have a small budget and low overhead. Our activities are funded through town appropriations, donations and small grants. All appropriations stay in Orleans County and directly impact and benefit our neighbors. We thank Lowell voters for your past support, and once again are asking for an appropriation of \$200.

Best Wishes,

Rich Ossias and Ann Stannard

Co-Chairs, OCCA Board of Directors

Orleans County Fair Association

278 Roaring Brook Road
PO Box 580
Barton, VT 05822
www.orleanscountyfair.net

The Orleans County Fair Association is proud to have served this community by hosting the Orleans County Fair since 1867, 156 years this year!

We are a non-profit organization with all the typical struggles being experienced in today's society. Our long-term success has come from old fashioned Northeast Kingdom pride and determination as well as reliance on the creativity of our volunteer members.

The OCFA is recognizing the need to maintain our wonderful traditions and history as well as seek and implement new ideas with an adjusted business plan. Roaring Brook Park is an expansive venue which in recent years has been helping to celebrate Memorial Day and 4th of July festivities as well as many other local celebrations. I'm sure most of you have attended the grounds at one time or other in the past. Our continued goal is to invite your return to the park and to introduce you to our new and exciting plans!

This past year we used our donations to maintain our grounds and replacing tables and chairs in our floral hall area. We are also working on funding to assist us with making our barn area better and the area of the barns to allow more exhibitors and spectators to enjoy the area. Our on-going efforts to maintain the 150 year traditions and to include modern entertainment and experiences brings us to you for a little help.

We are seeking an appropriation in the amount of \$500 toward these efforts. Any other amount would be wonderful. It is also our pledge to you that we will apply any funds received in an important and meaningful way and that we will report back to you next March on specifically how your contribution was utilized.

Thank you for your support,

Sincerely,

The Orleans County Fair Assoc.

December 13th, 2022

Orleans County Historical Society
dba Old Stone House Museum & Historic Village
109 Old Stone House Road
Orleans, VT 05860-9557

Town of Lowell, Vermont

Dear Select Board Members:

The mission of the Old Stone House Museum & Historic Village is simple yet essential: Preservation, Education, Inspiration. It is carried out each day by ensuring our heritage remains relevant to our community. Our organization brings local history to life each year for thousands of visitors; seniors, adults and children alike. We are proud to continue loyally serving our community with high-quality programming, events and research opportunities.

Since 1917, the Old Stone House Museum & Historic Village has worked to preserve and share the rich history of our corner of the world. The historic village includes eight historic buildings, along with remarkable collections of furniture, paintings, clothing, tools, photographs, diaries, maps and letters that all illustrate aspects of our regional history.

This year we've increased outreach to our community through additional educational programming and affordable or free events. We continue to give tours to visitors through the season. Our onsite lodging options (airbnb, Harvest Host and Hip Camp) bring tourists from all over the map to Orleans County. Our collections team avails our rich and extensive collections representing our local history and families to the public year around.

Support from the towns in our community plays an important role in helping the entire site operate. With this in mind, we ask that you include the following article in your Town Meeting warning:

"To see if the Town of Lowell will appropriate the sum of \$550 for the Orleans County Historical Society to assist in maintaining the Old Stone House Museum and its programs, and direct the selectmen to assess a tax sufficient to meet the same."

Our year-end financial report will be submitted on the first of January. I respectfully submit this request and thank you for your help.

Sincerely,

Molly Veysey, Executive Director
Old Stone House Museum & Historic Village

Town of Lowell
Lowell Town Office
2170 VT Rt 100
Lowell, VT 05847

Re: Request for town appropriation

Dear Lowell Voters,

Rural Community Transportation, Inc. (RCT) respectfully requests that the following special appropriation article appear on the 2023 warning for the Town Meeting:

Article: Shall the Town of Lowell vote to raise, appropriate and expend the sum of **\$700.00** for the support of **Rural Community Transportation, Inc.** to provide services to residents of the Town of Lowell.

RCT is a nonprofit 501(c)(3) corporation which provides public transportation services throughout Caledonia, Orleans, Essex and Lamoille Counties. In FY2022, RCT provided 818 rides to 27 residents of Lowell, traveling 26,189 miles at a total cost of \$20,024.53. RCT continued to provide safety-focused, demand-based rides in COVID-19 pandemic conditions without interruption in service.

RCT operates with federal and state funding; however, our funding sources typically require between 20% and 50% locally matched dollars. All town appropriations received are used to provide the required local match, and are therefore vital to RCT's operation.

We hope you will vote to fund this request, and RCT looks forward to continued service to the residents of Lowell.

Sincerely,

A handwritten signature in black ink that reads "Jessy M Pelow".

Jessy M Pelow
Office Administrator

Phone: (802)748-8170 • Fax: (802)748-5275 • <http://riderct.org>

"COMMUNITY IS OUR MIDDLE NAME"

Special Appropriation Recipient Report

Rural Community Transportation, Inc. (RCT), is a private nonprofit 501(c)(3) corporation which has provided public transportation services throughout Caledonia, Orleans, and Essex Counties since 1991, and now serves Lamoille County. RCT operates fare-free shuttle and commuter bus routes, allowing connections between towns in our region and the ability to travel throughout Vermont and beyond. RCT also provides demand-response transportation services under several programs, such as Medicaid, the Elderly & Disabled program, and Rides 2 Wellness.

RCT runs four commuter routes to enhance access to employment, connecting Morrisville to the towns of Barre and Waterbury, and St. Johnsbury to Montpelier and to Littleton. We operate three shuttle routes tying Morrisville, Newport/Derby, and St. Johnsbury/Lyndonville residents and nearby Vermonters to essential locations, from grocery stores to medical centers. Shopping routes provide similar service spanning Morrisville and Stowe in the west, Newport and surrounding towns in the north, and Lyndon to New Hampshire in the east. Our neighbors who utilized over 130,000 rides in FY2022 have expressed their gratitude and noted their dependence on our services.

As COVID-19 restrictions are relaxed and Vermont moves forward, RCT remains committed to providing safe, reliable, accessible, and affordable transportation, and continues to be responsive to the safety needs of riders, including those who may not have another means of pandemic-sensitive transportation.

RCT gratefully benefits from a robust and growing volunteer program, with sixty volunteers providing rides to neighbors and those needing non-shuttle transportation to access vital services. We depend on our volunteers to help meet the needs of their neighbors near and far.

RCT operates with federal and state funding; however, our funding sources typically require between 20% and 50% locally matched dollars. All town appropriations received are used to provide the required local match, and are therefore crucial to RCT's operations. Your generosity allows RCT to transform your funding into the ability to thrive, grow, and provide your community with reliable quality transportation service.

Cultivating a Northeast Kingdom where all people thrive free from abuse and oppression

December 12, 2022

Town of Lowell
Christy Pion
2170 VT Rte. 100
Lowell, VT 05847

Dear Christy,

We at Umbrella thank you and your town voters for supporting our agency services in the past. We are asking for your support again to be added to the 2023 Town Meeting Warning.

Shall the Town of Lowell vote to raise, appropriate and expend the sum of \$825 for the support of Umbrella to provide services to residents of the Town?

Please find that we have sent the town report and financials with this request and we would be happy to answer any questions that you may have.

Sincerely,

Amanda Cochrane
Executive Director

Activity Report for Lowell
Fiscal Year 2023 * July 2022 – June 2023
Town Appropriation Request: \$825

Since 1976, Umbrella has ensured that communities in Caledonia, Orleans and Essex counties have access to services that cultivate a Northeast Kingdom where all people thrive free from abuse and oppression. Umbrella operates 4 multi-faceted, client-centered programs and plays a crucial role in decreasing the incidence and impact of domestic and sexual violence. Services offered include:

- **Social Change** focuses on prevention education and initiatives in schools and in the community that aim towards preventing gender-based violence, and creating a community where abuse and oppression are acknowledged and addressed. One of our strategies is to provide pathways for girls to work within this social change and prevention field through the Youth in Power Program. In FY22, we provided 1865 youth with educational workshops throughout our 17 school partners. We provided 214 adults with educational programs through 12 workshops and 5 advocacy training sessions.
- **Advocacy Program** serves survivors of domestic and sexual violence, stalking, teen dating violence, as well as violence related to gender or sexual orientation - which in total we characterize as gender-based violence. In our work, the client leads and we support them in any way they need us to including legal advocacy, housing advocacy, support with parenting after trauma and more. In FY22, 633 individuals received direct advocacy, 65 adults and 39 children were housed in our emergency shelters as a result of fleeing domestic or sexual violence and 25 people were housed in our Transitional Housing program.
- **Family Based Services** focuses on child-care and strengthening family relationships. *Kingdom Child Care Connection (KCCC)* assists families in the Northeast Kingdom to receive subsidized childcare, appropriate child care referrals and specialized childcare placement support. *The Family Room* offers supervised visitation for families throughout the Northeast Kingdom. In FY22, KCCC served 732 families and the Family Room worked with 50 families, serving 70 children.
- **Economic Empowerment** serves women with significant barriers to employment in Orleans and Northern Essex Counties. Our *Cornucopia* program, and our social enterprise, *Dolcetti* each wrap around women to support them in building job readiness skills while helping them to address challenges in their lives so they are able to move towards financial self-sufficiency. In FY22 as part of the skill-building program, participants packaged and prepared 30,453 meals for homebound seniors through Meals on Wheels.

Given that some services are provided anonymously, it is difficult to provide each town with a precise number of people served by Umbrella. However, at least 14 households in Lowell were served by Umbrella in Fiscal Year 2022 and the community as a whole benefited from prevention and outreach programs in schools, as well as training and consultation for human service and law enforcement professionals.

Community support is critical to sustain our programming and to discover innovative approaches to the work Umbrella does. We are deeply grateful for Lowell's support.

Respectfully,

Amanda Cochrane
Executive Director

Umbrella Inc. was incorporated in 1981 as a 501(c)(3) non-profit corporation whose mission is:
To cultivate a Northeast Kingdom where all people thrive free from abuse and oppression.

Re: Request for Town Appropriation - Vermont Rural Fire Protection Program

Dear Board of Selectpersons, Town Clerks and Auditors:

On behalf of the Vermont Rural Fire Protection Task Force, I am writing to request your support for the Vermont Rural Fire Protection (RFP) Program, formerly called the Dry Hydrant Grant Program. The RFP program helps Vermont communities protect lives, property, and natural resources by enhancing fire suppression resources. Program Manager and Engineering Technician Troy Dare helps local fire departments identify appropriate sites for dry hydrants and other rural water supply systems, designs installations, and finds financial resources to support the costs of construction. During the **25+ years** of the program, almost **1200 grants** totaling over **\$2.6 million** have been provided to Vermont towns for the installation of new rural fire protection systems, as well as for replacements and repairs.

The Rural Fire Protection Program is managed by the Vermont Association of Conservation Districts (VACD). VACD is the membership association of Vermont's fourteen Natural Resources Conservation Districts, whose mission is to work with landowners and communities to protect natural resources and support the working landscape throughout the state.

We have made several adjustments to the Rural Fire Protection Grant Program in recent years, including changing the name from Dry Hydrant Grant Program to Rural Fire Protection Program to better reflect the diverse range of projects we support. We have increased the maximum grant award amount from \$5,000 to \$10,000 per project. New rural fire protection systems, along with repair, replacement, relocation, and upgrades of existing systems, and drafting site development, are eligible for grant funding on an ongoing basis. And we now consider applications from Vermont towns and fire departments on a revolving basis throughout the year rather than just once a year.

The annual expense of the Rural Fire Protection Program in FY 2022 was **\$285,901**, of which **\$165,422** was paid in grants to support the construction and repair of **27 rural fire protection projects** throughout Vermont. The remaining budget covered site assessments, project design and program oversight. Most of our funding comes from the Division of Fire Safety of the Vermont Department of Public Safety, through annual appropriations by the Vermont Legislature. In addition, the program receives support from the US Forest Service through the Vermont Department of Forests, Parks and Recreation. Unfortunately, these

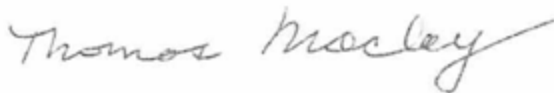

grants do not completely cover the costs of the program. Therefore, we are respectfully requesting that you include a \$100 appropriation in your town budget to support the Rural Fire Protection Program. In FY 2022, we received over \$9,000 in town appropriations from over 90 towns. We are deeply grateful for your ongoing support.

216 Vermont communities have benefitted from the Rural Fire Protection program. Our goal is to extend this support to all Vermont towns and continue to assist local fire departments in reducing the risk of injury, loss of life, and damage to property and natural resources, thereby improving the safety and welfare of Vermont communities.

Enclosed please find a summary report for the Rural Water Supply Grant Program, as well as an invoice and W-9 from VACD in case they are required. VACD's tax form 990 is also available upon request. Please feel free to contact me, Troy Dare, or Jill Arace, Executive Director of VACD, with any questions you may have. Our contact information is provided below. If you would like to receive this appropriation request by mail instead of by email, please contact Troy Dare.

Thank you for your consideration.

Sincerely,

Tom Maclay, Chair

VERMONT ASSOCIATION FOR THE BLIND AND VISUALLY IMPAIRED
HELPING ACHIEVE INDEPENDENCE IN A VISUAL WORLD SINCE 1926

12/9/2022

Town of Lowell
Christy Pion
Clerk-Treasurer
2170 Vt Rte 100
Lowell, VT 05847

Dear Ms. Pion,

For many years, the town of Lowell has supported our mission to help Vermonters with visual impairments to be more independent, cultivate adaptive skills, and improve their quality of life. With your help, the Vermont Association for the Blind and Visually Impaired (VABVI) has completed another successful year. Thank you for your ongoing support!

It costs VABVI approximately \$1,000 to provide one year of service to each adult client. In FY22 VABVI served 1,145 clients in the state of Vermont, including 1 adult and 1 student in Lowell, and 29 adults and 13 students in Orleans County.

An estimated 14,000 Vermonters are currently blind or visually impaired. As the “Baby Boomer” generation ages, this number is expected to increase to at least 25,000 by 2030. We anticipate that the increase in demand for our services will continue well into the future. Our neighbors, family and friends are among those who may be coping with vision loss.

Last year local towns and cities provided us with over \$27,704 in support, which went directly to client services. We hope that Lowell will consider supporting VABVI again this year with an allocation of \$200 to help fund our services in your township. If you have any questions or would like additional information, please feel free to contact me by phone at (802) 863-1358 ext. 219 or by e-mail at sgougher@vabvi.org.

Thank you for your consideration.

Sincerely,

Samantha Gougher

VERMONT ASSOCIATION FOR THE BLIND AND VISUALLY IMPAIRED
HELPING ACHIEVE INDEPENDENCE IN A VISUAL WORLD SINCE 1926

Report of Services for Town of Lowell

The Vermont Association for the Blind and Visually Impaired's 2022 Fiscal Year saw the organization's continued success in adapting to the ever-evolving COVID-19 pandemic.

This is an excellent time for VABVI not only to reflect on changes from the past several years, but also set goals based on an increased number of clients and schools and other public environments being re-opened. As projected in recent years, the aging population of our state promises a continued increase of clientele. We believe that the innovations developed as a result of the pandemic are a demonstration of VABVI's ability to accommodate increased demand in even the least ideal circumstances. Moving forward, it is exciting to imagine the strides we will make in enabling blind and visually impaired Vermonters to be more independent, develop adaptive skills, and improve their quality of life.

SMART Device Training Program: The SMART Device Training Program has served a higher number of Vermont seniors each year we've offered it, especially because of the COVID-19 pandemic. Due to social distancing protocols, technology has become essential for our clients to be able to live independently while remaining social and connected to their communities. Clients who received technology training prior to COVID-19 have reported that the skills learned in this program have been invaluable throughout the pandemic, and clients who sought out our help during the pandemic will continue to use SMART Technology in the future.

PALS (Peer-Assisted Learning and Support) Group: PALS Groups, held throughout Vermont, are monthly meetings where members share coping strategies and discuss the practical, social and emotional challenges of vision loss. While PALS groups have been operating remotely via Zoom and telephone over the past two years, arrangements are being made to resume in-person meetings by the end of 2022.

HAPI (Helping Adolescents Prepare for Independence): The HAPI program enables Teachers of the Visually Impaired and Certified Vision Rehabilitation Therapists to work one-on-one with students to practice daily living skills.

IRLE Summer Camp (Intensive Residential Life Experience): IRLE camp helps VABVI students develop social skills, meet fellow visually impaired peers, learn independent living skills, and improve self-advocacy skills. This year's camp took place in Upstate New York at Six Flags Great Adventure Lodge and nearby attractions such as rail biking and bowling.

In FY22 VABVI served 1,145 clients in the state of Vermont, including 1 adult and 1 student in Lowell, and 29 adults and 13 students in Orleans County.

For more information about VABVI's services or volunteer opportunities, please contact Samantha Gougher, Development Associate, at sgougher@vabvi.org. Thank you very much for your support!

Christy Pion Town Clerk
Town of Lowell
2170 VT RTE. 100
Lowell, VT 05847

Dear Ms. Pion and voters:

The Vermont Center for Independent Living (VCIL), a statewide, non-profit organization dedicated to improving the quality of life for people with disabilities, respectfully requests funding from the Town of Lowell for our FY'22.

Annual support from over 140 cities and towns across the State helps VCIL assist Vermonters with disabilities achieve dignified and self-determined lives. VCIL works to serve individuals who can benefit from our direct services as well as to educate and inform members of the community about disability related issues and independent living. Direct services are available to residents of Lowell in a number of ways. Peer counselors work with residents in their homes or other locations; small grants for adaptive equipment; Meals on Wheels for people with disabilities under the age of 60; Home Access modifications; individual and systems advocacy and programs for youth. Information, Referral and Assistance is available to all residents by calling VCIL's I-Line, at 1-800-639-1522 (Voice and TTY).

This past year VCIL spent **\$3,600.00** on home modifications and **\$450.00** on meals for residents of Lowell. **We are requesting \$90.00 from the town** to help more people with disabilities in the coming year. Enclosed you will find a summary of VCIL's programs and services for the town and a copy of our FY'23 budget.

Thank you for your consideration. If you have questions or need additional information, please do not hesitate to call.

Sincerely,

Sarah Launderville
Executive Director
slaunderville@vcil.org

Enclosures

THE VERMONT CENTER FOR INDEPENDENT LIVING #03-0271000
TOWN OF LOWELL
SUMMARY REPORT

Request Amount: \$90.00

For over 43 years, The Vermont Center for Independent Living (VCIL) has been teaching people with disabilities and the Deaf how to gain more control over their lives and how to access tools and services to live more independently. VCIL employees (85% of whom have a disability) conduct public education, outreach, individual advocacy and systems change advocacy to help promote the full inclusion of people with disabilities into community life.

In FY'22 (10/2021-9/2022) VCIL responded to thousands of requests from individuals, agencies and community groups for information, referral and assistance and program services for individuals living with a disability. VCIL Peer Advocate Counselors (PACs) provided one-on-one peer counseling to **158** individuals to help increase their independent living skills and **6** peers were served by the AgrAbility program. VCIL's Home Access Program (HAP) assisted **172** households with information on technical assistance and/or alternative funding for modifications; **80** of these received financial assistance to make their bathrooms and/or entrances accessible. Our Sue Williams Freedom Fund (SWFF) provided **91** individuals with information on assistive technology; **39** of these individuals received funding to obtain adaptive equipment. **454** individuals had meals delivered through our Meals on Wheels (MOW) program for individuals with disabilities under the age of 60. Our Vermont Telecommunications Equipment Distribution Program (VTEDP) served **29** people and provided **16** peers with adaptive telecommunications enabling low-income Deaf, Deaf-blind, Hard of Hearing and individuals with disabilities to communicate by telephone. Due to the pandemic VCIL was able to start a new (temporary) program, Resilience and Independence in a State of Emergency (RISE) which served over 600 people in the 2 years it was funded. The Rise Program helped provide an array of items or services if the needs were directly related to the Covid-19 epidemic.

VCIL's central office is located in downtown Montpelier and we have five branch offices in Bennington, Chittenden, Franklin, Rutland and Windham Counties. Our PACs and services are available to people with disabilities throughout Vermont.

During FY'22, **2** residents of **Lowell** received services from the following programs:

- Meals on Wheels (MOW)
(over **\$400.00** spent on meals for residents)
- Home Access Program (HAP)
(**\$3,600.00** spent on home modifications)
- Information Referral and Assistance (I,R&A)

September 9, 2022

Lowell town
2170 VT Rte. 100
Lowell, VT 05847

Dear Select Board,

The mission of Vermont Family Network (VFN) is to empower and support all Vermont children, youth, and families, especially those with disabilities or special health needs. Formed in 2008 when two organizations, the Vermont Parent Information Center (VPIC) and Parent to Parent of Vermont (P2P), merged, VFN has collectively served families across Vermont for more than 30 years. Vermont children, youth, and families are provided with a "one-stop shop" to help them reach their full potential. VFN gives a strong start, lifts family voices, and advances inclusive communities.

We are writing you today to ask for your support in continuing to serve families in Lowell town and throughout the state, with an appropriation of \$ 250. Traditionally primarily funded through state and federal grants, we find that waning funds threaten to slow our work and minimize the number of families we can support. We are reaching out to communities like Lowell town where we have served many families to seek your help. Your appropriation will help ensure the work we can do all around the state continues to happen with the same excellence and care that it has for the past 30 years.

We are proud to serve over 1,500 families yearly with expert information, referral, and assistance services provided by family support consultants located in Williston, Newport, and Rutland, an annual conference and more through our Family Support Program.

Vermont Family Network is also home to Puppets in Education, an educational puppetry team that teaches children and parents about important issues like anxiety awareness, bullying, child abuse, and disability awareness through engaging performances that emphasize compassion, respect, effective leadership, and communication. Each year over 10,000 school children and adults benefit from these educational programs and workshops.

Thank you so much for your consideration. The funding received will go a long way to ensuring our ability to continue to provide the much-needed services to Vermont families. Please feel free to reach out to me at Claire.giroux-williams@vtfn.org, or my cell phone at 301-509-2435 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Claire Giroux-Williams".

Town of Lowell
cpion@lowelltown.org

November 26, 2022

Dear Town of Lowell Select Board,

The North Country Friends Group of the Vermont Symphony Orchestra appreciates the Town of Lowell for supporting *SymphonyKids* programs for the children in your town. *SymphonyKids* is an outreach program with a mission to engage children in classical music through audience participation and encourage students to develop a lifelong enthusiasm for music.

It is our understanding that the Select Board can make the decision to add our request for an appropriation of \$100.00 to the 2023 Town Meeting Warning. We hope that you will consider sharing this letter and Article with town voters.

Article: Shall the Town of Lowell voters approve the sum of \$100.00 as an appropriation to the Vermont Symphony Orchestra's educational and youth access programs?

SymphonyKids involves a number of youth music education programs which benefit our youth in the Northeast Kingdom. We visited and drew students from communities across the NEK including Barnet, Brighton, Burke, Glover, Greensboro, Hardwick, Newport, North Troy, Walden, Waterford, Woodbury, and Wolcott during the financial year.

- 320 kids (elementary and middle school) attended the VSO's **Musicians in Schools** programs, which took place in both schools and libraries. These 45-minute concerts highlight the connection between STEM (Science, Technology, Engineering and Math) and music with live performances by a trio of musicians and a storyteller.
- 12 high school chorus students from Lake Region Union High School are training and will participate in our December 2022 **Brass Quintet and Counterpoint concert** in Newport.
- 68 kids (ages 1-17) took part in our **Musical Petting Zoo** at Burke Mountain during the July 2022 Summer Festival Tour concert performance and received reduced price tickets.
- 11th grader Maaike Dam from Kirby was the winner of our October 2022 **MasterClef** student music composition competition

The 2023 appropriation from your town will go towards the VSO's general education work in the NEK and access to VSO performances for young people in the community. Your support in providing access to classical music for ALL children is greatly appreciated! Should you have questions about this appropriation request, please contact me at 802-673-2447 or raamarq@hotmail.com. For more information about the VSO, visit their website at <https://www.vso.org/>.

Thank you!

LETTER FROM THE JAY FOODSHELF

A very special thanks to everyone who donated time, food, and money to the Jay Food Shelf. With the continued support & generosity from area community members, the food shelf can continue to serve many people in the area when they need a little help.

For information, whether you qualify for the food shelf program or the USDA Commodities, please visit the food shelf site in the Jay Municipal Building on Thursday during operation hours of 9 am to noon or email kim.lucier1961@gmail.com.

For those who wish to make a donation of money, you can do so by sending a check to Jay Area Food Shelf, c/o Jay Town Clerk's Office, 1036 VT RTE 242, Jay, VT 05859 or online via PayPal thru the Jay Focus Group: www.jayfocusgp.com.

Thanks to all who helped make the program a success. A special thanks to Berry Creek Farm for the 2022 season in kind donations. Many thanks to those individuals/businesses/organizations who did food drives and/or donated food directly to the Food Shelf and to the many individuals/businesses/organizations for their generous donations, which included Vermont Food Bank, Rozelle Inc, Intershack, Jay Focus Group, Hannaford, and the towns of Lowell, Westfield, Jay, and Troy.

Thanks to your help, in 2022 The Jay Area Food Shelf served approximately 225 households in the towns of Jay, Lowell, North Troy, Troy & Westfield.

SERVICE REPORT FY 2022 ORLEANS ESSEX V.N.A. and HOSPICE, INC.

Orleans Essex Visiting Nurse Association (VNA) and Hospice, Inc. provides professional quality home health services to the residents of the 24 communities in Orleans and northern Essex counties. We serve the elderly, homebound and chronically ill through the VNA and homemaker programs and the terminally ill through our Hospice program. Special programs include a variety of clinics available to the public. As the only not-for-profit agency serving the area, our services are available to anyone in need regardless of their ability to pay and all clients are charged the same fee for the same service. We are locally controlled by a volunteer Board of Directors representing the towns we serve. We adhere to strict regulations, which prohibit the practice of charging more to a client who can afford services to compensate for those who cannot. All revenue, by law, goes back into the Agency to provide, maintain, and improve services and programs.

SUMMARY OF SERVICES:

Total Agency Visits FY 2022	41,113
Total Visits FY 2022 - Town of Lowell.....	1,060

During Fiscal Year 2022, home based services were provided to 32 individuals in Lowell for a total of 1,060 multi-disciplinary visits. 9 residents received services through Agency-sponsored wellness programs.

Appropriation Request for 2023.....\$3,500.00

Members of your community are in need of services daily and they receive them from the dedicated staff of the Orleans Essex VNA and Hospice, seven days a week, 24-hours a day. The funds your community appropriates to our Agency allow us to continue providing much needed care to individuals without third party insurance and those unable to pay, and provide special programs open to all community members. The Orleans Essex VNA & Hospice is supported by donations, service fees, and the generosity of communities who realize that in order to continue providing high quality home health services to their family members, friends, and neighbors, appropriations are desperately needed.

Respectfully submitted,
Lyne B. Limoges, MSN, RN

PO BOX 355
NEWPORT, VT 05855

Telephone
(802) 334-3333

Fax
(802) 334-3307

The Orleans County Sheriff's Department has been honored to provide the Town of **Lowell** with patrol services this past year. The enclosed chart shows the total incidents, total arrests and traffic violations for your town from January 1st, 2022 through December 30th, 2022.

The Orleans County Sheriff's Department has had the opportunity to work this past year with the United States Marshal's, ATF (Alcohol, Tobacco & Firearms), DEA (Department of Drug Enforcement Agency), United States Border Protection/Customs, Homeland Security Investigations, Vermont Drug Task Force, Newport Police Department and Vermont State Police in an effort to make our community a safer place to live and a pleasurable place to come and visit. We will continue to work with our Federal and Local partners to continue with the effort to fight back against violence occurring within our community.

The Orleans County Sheriff's Department continues to be supplemented by the Newport Police Department for dispatching services for nights and weekends. We all continue to be very pleased with the level of service that has been afforded to this department and the towns we serve.

The Orleans County Sheriff's Department participates in the Governor Highway Safety Program and look forward to providing the added coverage to our community in 2023.

The Orleans County Sheriff's Department currently has a Deputy assigned to Lake Region Union High School as their School Resource Officer. Deputy Morrill has done extremely well in the position and has built wonderful relationships with students, staff and families.

We continue to work in partnership with the Newport Restorative Justice Board to maintain a "Drug Take-back" box in our lobby at the Sheriff's Department. The Department has collected approximately 220 lbs of prescriptions in 2022. We also participate with Wal-Mart and Kinney Drugs in Derby on National Drug Take Back Day. Each year this program, in cooperation with the DEA, is responsible for getting hundreds of pounds of drugs out of medicine cabinets and off the street and properly disposed of by incineration.

In December the Sheriff's Department celebrated the 15th anniversary of "Operation Santa". We received generous, overwhelming support from many local area businesses and community members. **Thank you!** The program helped bring a happy holiday season to over **311** children in our community. We want to once again thank our own Tammy Lacourse who works tirelessly all year to make this a success. If you know of a family or child (children) in need throughout the year with clothing or other needs please contact your school to let them know, if not please contact the Orleans County Sheriff's Department to see if we can help.

Respectfully Submitted,

Jennifer L. Harlow

2022 ANNUAL REPORT

NEK Broadband had a successful and busy year. Construction continued throughout 2022, and customers in Concord, Waterford, and Lunenburg were connected to our fiber-optic internet network! We prepared multiple grant applications, received significant funding from a multitude of sources, and were able to procure and purchase a majority of the materials needed to continue construction throughout our district.

PREPARING FOR CONSTRUCTION

- We purchased over 700 miles of fiber optic cable.
- More than \$2 million in hardware and equipment was ordered.
- We submitted the necessary applications to eight electric and communication utility companies, giving us access to more than 12,000 utility poles spread over 500 miles of roadways in 24 towns. We are now able to prepare these poles for installation.

BUDGET SUMMARY

2022 Budget to Actual (Projected)			2023 Proposed Budget	
	BUDGET	ACTUAL (Projected)

GRANTS & FINANCING

- This year, the Vermont Community Broadband Board (VCBB) approved \$8,023,915 in Pre-Construction Grants and \$20,865,889 in Construction Grants.
- We secured American Rescue Plan Act (ARPA) Fiscal Recovery Funds from 13 towns, totaling \$941,750 plus an added \$941,750 in matching funds from the VCBB.
- We secured and completed a USDA Rural Business Development Grant to build seven miles, serving 90 premises.

BUILDING CAPACITY

- We hired three full-time employees in 2022, and are in the process of hiring additional staff.
- Contracts have been finalized with all major construction and operations companies.
- We secured warehouses in both Saint Johnsbury and Brighton.

 OUR SERVICE IS AVAILABLE TO 432 ADDRESSES IN CONCORD, WATERFORD, AND LUNENBURG.

36 
MILES BUILT
 IN 2022, WE BUILT 36 MILES OF OUR NETWORK THROUGHOUT THE NEK BROADBAND DISTRICT.

ABOUT NEK BROADBAND

We are a Communications Union District (CUD), a municipal entity representing our 51 member communities in Caledonia, Essex, and Orleans counties, plus Wolcott in Lamoille County. Our district is building high-speed broadband internet infrastructure for underserved communities in the Northeast Kingdom of Vermont.

Newport Local Health Office Annual Report 2022

Twelve Local Health Offices around the state are your community connection with the Vermont Department of Health. Your district office is at the address and phone number above. We provide essential services and resources to towns in Essex and Orleans Counties in order to protect and promote the health and well-being of people in Vermont. For example, in the past year and beyond, the Newport Local Health Office:

Protected communities from COVID-19: Since the pandemic began three years ago our doors have remained open, and we've been able to serve communities thanks to individuals, families, schools, businesses, first responders, and countless others that worked with us to meet the needs of local towns. We provided vaccine, testing, and information, along with other key public health services.

Worked to prevent and control the spread of disease: In collaboration with community partners, since COVID-19 response efforts began, we hosted over 70 COVID-19 vaccination clinics and provided over 7,370 COVID-19 doses. Since August 2021, all local health offices have also documented and helped manage 8,125 COVID-19-related situations, including 1,271 COVID-19 outbreaks.

Ensured local preparedness for future emergencies: We worked with partners like schools, hospitals, and emergency personnel to ensure effective pandemic response and support preparedness to distribute medicine, supplies, and information during public health emergencies. This year, we responded to the emergence of human monkeypox virus by sharing information and providing vaccine to community members.

Stayed attentive to people and communities most underserved: We provided services and resources to people who are more likely to experience adverse health outcomes due to health inequities. For example, we provided vaccine at schools without access, shelters, meal, and food distribution sites, farms, and more.

Collaborated with Town Health Officers around environmental health: To help Vermonters better understand the relationship between their environment and their health, we collaborated with towns and other local partners. Find information about environmental health including lead, cyanobacteria (blue-green algae), food safety, drinking water, climate change, healthy homes, healthy schools, and more at www.healthvermont.gov/environment.

Provided WIC services and resources to families and children: Provided WIC nutrition education and support to 1,068 individuals between July 1, 2021 and June 31, 2022, while enabling them to save on groceries so they can have more to spend on other things their family needs. WIC also empowers families with breastfeeding/chestfeeding support and provides referrals to other health and nutrition services. Learn more at www.healthvermont.gov/wic.

Supported student health and youth empowerment: According to the Vermont Youth Risk Behavior Survey, 59% percent of students in Essex County and 45% in Orleans County agree or strongly agree that they "believe they matter to people in their community." The state average is 58%. Regionally, efforts like mentoring and after-school enrichment programs help to ensure youth feel valued and included.

Promoted health in all policies: Health is not just individual behaviors and access to care, it's also housing, transportation, food access, education, natural resources, and other social determinants of health. We worked with towns, schools, worksites, healthcare providers, and other community organizations to establish plans, policies, and programming that improve health and wellness. To achieve health, we must continue to work together to improve opportunities for health across all sectors and periods of our lives.
