Public Comments: Mr. Christ: What happened at the meeting in Sheldon regarding selling the school.

Supervisor May: I did not go, my husband went. This is between the Town, the School and a private investor. In the end it will be up to the Planning Board. I guess it was quite a meeting.

Mr. Ahl: Did we get any residents correspondence regarding this, as there are several residents that border that.

Town Clerk: I received one phone call, regarding the school and what was being planned for its use, from Mrs. Geoghegan.

Supervisor May: Do you want the Board to write a letter.

Mr. Ahl: The Board could write a letter showing interest or concern from Orangeville. People can write letters of concern or interest to the Sheldon Board. This Board could write a letter of a positive nature.

Supervisor May: There were a lot of people at the public Hearing, the Doctor from Mental Health, Judges, Pharmacists and the County were there to answer questions.

Mr. Christ: It would be good if the building was put to use for something.

Mr. Gautheir: Snyder Road, my granddaughter was leaving the house and the visibility is very poor. On Buffalo Road there are trees by the bridge. Wade does an outstanding job, people are speeding a lot down this road.

Supervisor May will speak to Wade about the trees and visibility. The residents could begin a petition regarding the speed on this road, and we possibly could work to lower the speed limit. The state is involved with the speed limit signs, but we can put up blind drive signs.
