

We are MOVING!

Our family at Resurrection UMC will be selling our home of 20 plus years and will no longer be able to maintain their ministry and connection with Resurrection Preschool. This news came as a surprise to all of us and has left many of us wondering about the future of our long-time preschool ministry. In the midst of what could have been a devastating storm, God has provided a beautiful community to adopt us at Waypoint Church. We are moving to our new location on August 13th and will begin our new school year on Wednesday, September 5th. While our name, location, and covering will be shifting, our mission, philosophy, and staff will remain the same. I couldn't be more grateful for God's provision, to Resurrection UMC and Waypoint as we work out all the details in transition, and to our beautiful preschool families who have stood by us and encouraged us through it all. So, here's to a new year and a new season serving young children and families at Waypoint Preschool.
