

damon howatt

...maker of America's finest
and most beautiful custom bows

HOWATT Del Rey

62, 66 and 69 inch lengths, weights to 55 lbs. at 28 inches. Choice of handle style. White bow glass only. Price includes royal purple padded suede fabric case. The unexcelled beauty and performance of the Del Rey makes it the king of the Howatt line. **150.00**

HOWATT Matador with VTC

66 or 70 inch lengths, weights to 55 lbs. at 28 inches. Choice of handle style. Revolutionary VTC units permit you to "tune" the bow for smoothness and balance. Available in gleaming dark hardwood with black bow glass or Partridge wood with choice of glass color. Padded case included. **137.50**

HOWATT Vigilante

66 and 69 inch lengths, weights to 55 lbs. at 28 inches. Choice of custom handle. White bow glass only. A magnificently styled target bow of rich rosewood. The Vigilante meets the needs of the archer seeking top performance and unexcelled beauty in a medium priced bow. **100.00**

HOWATT Catalina

66 and 69 inch lengths with weights to 55 lbs. at 28 inches. Choice of handle and bow glass color. The Catalina is the preference of many leading target archers for its smooth and consistent performance. Often the winner against bows costing nearly twice as much. **85.00**

HOWATT Palomar

64 and 69 inch lengths, weights to 55 lbs. at 28 inches. Choice of handles and bow glass color. A most versatile bow. The longer length model is an ideal man's target bow, the shorter length for women. But because of its exceptional speed, many will choose the 64 inch model for hunting. **75.00**

HOWATT Monterey

62 inch length only with weights to 75 lbs. at 28 inches. Choice of handle style and bow glass color. One of the most popular hunting bows ever produced and in lighter weights a perfect lady's bow. Unquestionably one of the most beautifully styled and finished bows in its class. **65.00**

HOWATT Diablo

54 and 58 inch lengths, weights to 75 lbs. at 28 inches. Choice of custom handles and bow glass color. The one truly deluxe hunting bow on the market. Designed for power and accuracy and for rugged field use, the Diablo is nonetheless a rare beauty. **65.00**

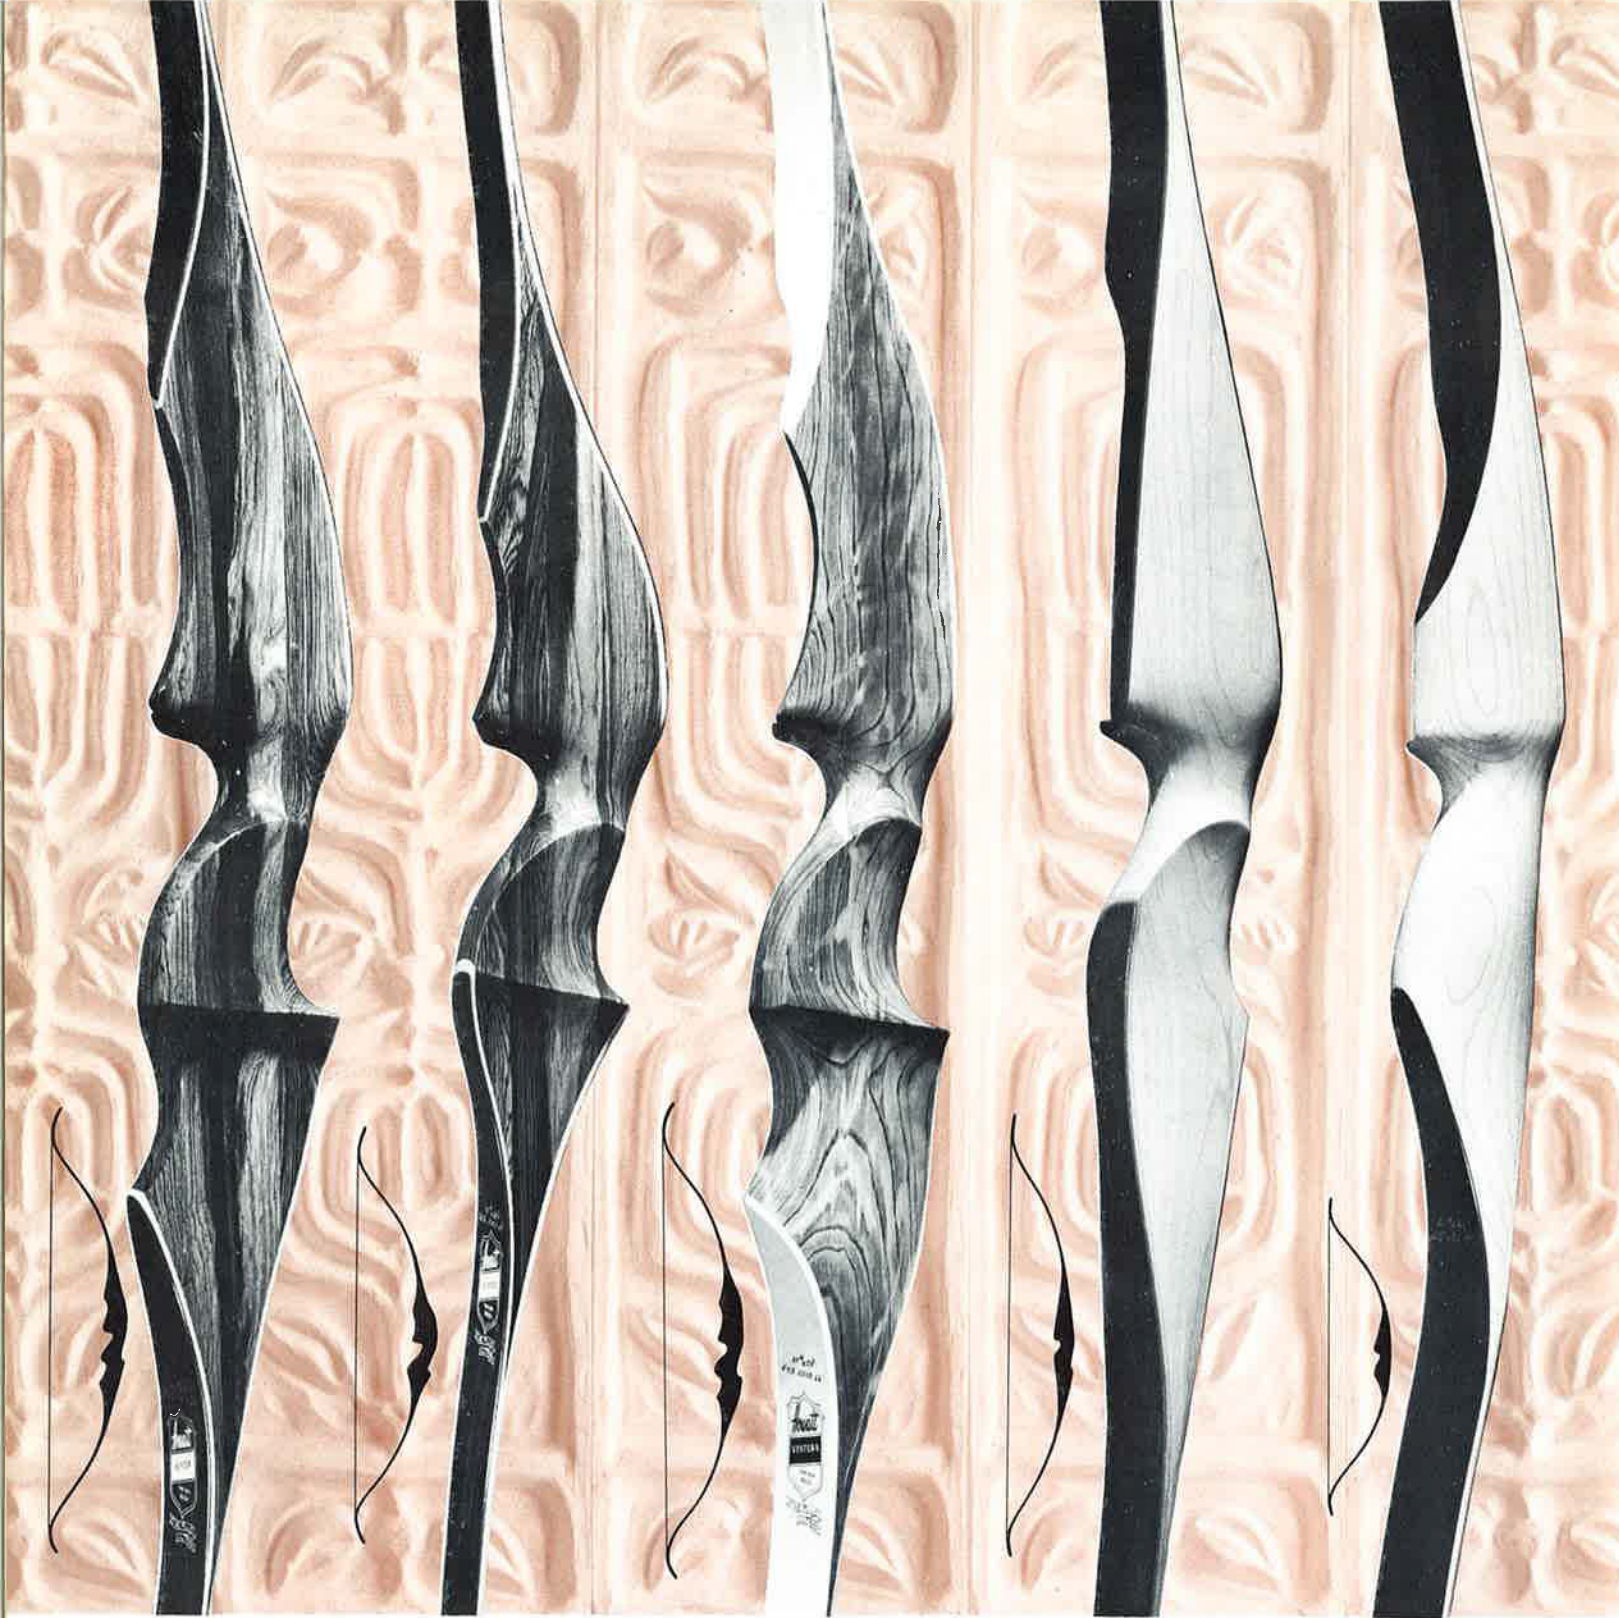

Vigilante

Catalina

Palomar

Monterey

Diablo

HOWATT Hunter

62 inch length only, weights to 75 lbs. at 28 inch draw. Choice of bow glass colors and custom handle style. In spite of its modest price, the Howatt Hunter packs plenty of the speed, power and consistent accuracy required for hunting or field shooting. **55.00**

HOWATT Hi Speed

54 and 58 inch lengths with weights to 75 lbs. at 28 inch draw. Choice of custom handle style and bow glass color. An excellent hunting bow that delivers the kind of consistent performance trophy hunters demand. Very fast, with lots of power and accuracy. A real beauty. **55.00**

HOWATT Ventura

66 inch length only, weights to 45 lbs. at 28 inch draw. Made of beautiful Brazilian walnut with California style handle and turquoise bow glass. This must be one of the most outstanding archery values to be found. An all-purpose bow for men or women. **47.50**

HOWATT Cavalier

62 inch length with weights to 55 lbs. at 28 inches. Available with standard California handle of eastern maple but with choice of bow glass color. A very fine performer and a perfect beginner's bow for adults. In the hands of an expert, an extremely accurate bow. **29.50**

HOWATT Little John

44 inch length with weights to 25 lbs. at 20 inch draw. Made of fine eastern maple with a standard children's handle. Choice of bow glass color. Howatt designed and hand crafted to provide a quality bow for archers 10 years of age and under. Start them right with a Little John. **22.50**

LEATHER GOODS

Howatt Archery carries a complete line of King archery accessories—the leather line long recognized for outstanding quality, design and workmanship. There is a King design and style to suit each individual's personal need and preference.
