

WINTER NEWSLETTER

Wow! It is hard to believe that 2017 is over. Guess the saying “When you are having fun, time flies” rings true. I would like to say thank you to all the families that have helped FGC have another successful year. We certainly would not be where we are today without the dedication of our gymnastics & cheer families. So from our staff to your families – “Thank You”!

CONGRATULATIONS TO OUR

COACH OF THE FALL 2 SESSION:

Kailey Daniels

ATHLETE OF THE FALL 2 SESSION:

Eleanor Nareff

To learn more about them check out the board in the gym lobby and/or our website!

BAD WEATHER POLICY

Safety is very important to us. As we dive into the season of bad weather, we want to make you aware of our closing policy. When the Farmington school District cancels school and all morning/afternoon activities, then FGC will be closed. We will post this closing on our website and our facebook page. Please watch the television stations to monitor the Districts closings.

COLD and FLU season is upon us and we want to make sure that we keep everyone as healthy as possible. Studies show that when kids get regular exercise, they can help fight off sicknesses easier. With this said, we want to make sure that we keep the gym as healthy as possible. If your child is sick please keep them at home. Just like with school, if over the 24 hours prior to their class, they are running a fever and/or throwing up please keep them at home. We would like to know if your child is home sick so please call us if you are not going to be attending class for a sickness. As a reminder, we do allow one make-up per session.

A number of our coaches are gymnast at Farmington High School – come out and show them your support at their first home gymnastics meet of the year:
