

Welcome to Healing Ministry

You have come to receive Christian healing prayer in the Name of Jesus Christ. We want your visit to this Healing Ministry to be a friendly and comfortable one.

Here is an outline of what you will experience.

1. You will be invited to sit in the Reception area. Please fill out the sheet the Receptionist has given to you. The information you provide will assist the team in knowing what to pray for. (While every effort is made to keep your information private, do not write anything which may be highly confidential.)
2. Please find a seat and relax. We ask that you have very minimal talking with others while you wait. Listen to the music, read Bible verses, think about being open to what God may have for you, pray as you would like, and review the stories of others who have experienced healing from Jesus Christ. Please realize that our teams may meet with each individual for 20 or 30 minutes.
3. When a team is available to receive you, a member of the group will come to the Reception area to find you and guide you to a their location. Each ministry group has 2-3 people of both men and women. All are Christians and have received various levels of approved training. The team leader may ask you some questions to clarify what you have written on your sheet.

Please turn to the other side.

4. The team leader will ask if the team may anoint you with oil. The Bible (Mark 6:13) talks about this practice. Oil in the Bible is a symbol of the Spirit of God. With your permission, a small dab of oil will be applied to your forehead. The team leader may ask if it is okay if the team members touch your hands, arms, shoulder, and/or head. The Bible speaks of this practice commonly known as “laying on of hands”. At any time you may feel free to do what is comfortable for you including leaving the room.
5. Sometimes God heals instantly. Other times it takes repeated sessions. We want to stand with you during your struggle for health and invite you to return as often as you like until you receive all the healing you desire.
6. After Prayer ministry, you are asked to return to the Receptionist. You may remain in the Reception area for a while, if space allows.

We are very glad that you took the effort to come and to reach out to the Lord Jesus Christ for healing. If you have questions about your experience or about the Christian faith, please speak with the Receptionist.

May God bless all of who you are - body, mind, and spirit.
