Spring 2017

Dear Friend of AAIM,

The **Alliance Against Intoxicated Motorists** is an organization that works very closely with victims of impaired driving crashes. In our efforts to aid these individuals, **AAIM** started the **Victim's Assistance Fund**, which offers financial help in a devastating situation. The fund provided mortgage payments for a family whose father was killed, supplied Christmas presents for the children whose mother was killed and funded grief counseling for children filled with anguish over the death of their father. These are just a few examples of what this fund can do.

*Pictured at right are 9 people – all killed by impaired drivers. While they may not be well-known to most, they are the very special, lost loved ones of **AAIM's** benefit committee members. The families of these 9 individuals have joined together for the greater cause – to aid and support the ever-growing populace of impaired driving victims.*

To help these victims, **AAIM** is hosting its 27<sup>th</sup> annual benefit to raise money for the **Victim's Assistance Fund**. The benefit will be held at Medinah Banquets, 550 Shriners Drive, Addison, IL on Saturday, October 21, 2017.

We appreciate that you likely receive many requests, but we ask that you consider supporting **AAIM** by utilizing our program book, which contains heartfelt stories from victims and offenders.
