DAYDREAMS COME TRUE:

GOD RAISES UP A FINANCIAL CYRUS – ISAIAH 45

Some years ago, I daydreamt that:

- 1) A company would approach Amazon Missions, offering us huge amounts of finance for the mission field.
- 2) Amazon Missions would support other missions and missionaries sustainably, and on a much larger scale than before.

These past 6 years prophecies were received that God was going to take this mission into a challenging new direction. A well-respected prophet, knowing some of my private codes, picked us out of an audience and said that we would "Never, never, ever, ever...lack again!" God has much larger amounts in store for all, our wider network of missionaries, Christians, and you.

HOW GOD DID IT – YOU CAN SHARE IN THIS OPPORTUNITY

In the past 12 months a commercial related company, trading one of the highest commodities in demand, offered us A SHARE IN ITS FINANCIAL RETURNS. Through this we're seeing exponential expansion in the Amazon across 4 countries. Sharing this opportunity with others, the results are that many are going into fulltime missionary work, while others can now attain essential materials, develop orphanages etc. People are being brought into a relationship with JESUS CHRIST.

You are welcome to become involved in a personal capacity. Ask us how we do it! This testimony is TRUE, that's why it's GOOD!

GOALS REACHED THIS YEAR 2017

Leaving South Africa earlier this year, we stayed with Ysmael and his newly married wife, Keila, in the south of Venezuela, and in north-western Brazil, our South African counterpart friends and missionaries, Glen & Corina Buys with their 4 children, moving towards the more unreached tribal areas. Then we left for our final destination, the south of Peru, where we did our reconnaissance for an upcoming Sep 2017 outreach. ☺

DURING OUR RECONNAISSANCE TRIP ...

In Peru, we became acquainted with members of the Yaminahua tribe on a remote River. We purchased a new 1600 boat engine for them, which now enables them to do emergency trips. Upon receiving it, they were moved to tears. Also, an elder stood up and publicly pronounced, relating to a statement by us in one of our sermons around the dangers of addictive drugs, alcohol, nicotine and the like, that they had decided to ban such drugs from entering their tribe.

THE WAYU INDIAN'S DREAM

ALIGATOR KILL

In Venezuela, Luiz, a Wayu Indian man, was stunned when he saw me. 1,5 months ago, he had a dream where they had a drought in their rural area and he went searching for water. He came upon a man, and saw my face exactly as I am, me, with long hair and a hairy chest, next to a bubbling wellspring of water, pushing up out of the ground. God confirmed through this dream, the importance of our work amongst the Indigenous Indian Tribes of South America and through our availability, that JESUS brings salvation and eternal life to them. Isaiah 35:7 - The burning sand will become a pool, ... Proverbs 18:4 - Wise words are like deep waters; ... John 4:14 - But those who drink the water I give will ..."

INDIAN CHIEF DREAMS OF JESUS

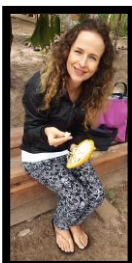

TRIBAL MINISTRY

Near the end of June, one morning as we were leaving the Yaminahua Indian Village, our chief related a dream in which he met a friend of mine. The chief added that he wore a beard and my friend stood ankle deep in the river, drawing water with a jug, handing it over to him. He said the water was crystal clear and sweet, and was meant for our journey, by canoe, back to civilization.

I asked the chief how he knew it was my friend and he said that in the dream, he asked me and I told him so. He also replied that he had a mustache and wore a white robe. Okay, I knew who this friend was ... JESUS. What an encouragement to know that JESUS CHRIST as our personal friend is in the Amazon Jungle.

RAISED FROM THE DEAD

HEIDI

In Peru, raised from the dead. Not one child, but two. Our mouths hang open, shutting again only to praise JESUS for resurrecting this woman's two children, now aged 8 and 3. In the jungle far from medical help, both were dead for between 15 and 30 minutes - not a breath and their faces discoloured - when they suddenly coughed and spluttered to life after their mom simply surrendered: "Only You, Jesus, can help them now." Simple faith still moves a faithful God.

LIVE RADIO TALK PERU

IN THE RSA/ MOZAMBIQUE - Mid JUL – Mid SEP 2017

Coming back to the RSA for a short while we're busy with significant visits, also to Mozambique, sharing with people on what God's doing in the Amazon and in general. We're also doing logistics, administration and preparing before we return. After this we arrive back in the Amazon in early September, doing final preparations to receive our outreach team after mid-September for half a month's sharing the Gospel to the tribes.
