*Class pictures, descriptions, costs and age limitations can be seen on next pages.  
Sign-up info can be seen on the last page.*

### Glass Blowing Workshop:

Ages 15-up. \$390.00/person.

Limited to 5 participants.

Have you ever wanted to try your hand at glass blowing? Each person will participate in every step necessary to create a piece of handmade glass. You will work on at least 4-5 pieces and the end results are all yours to keep.

### Blown Glass Candy Dish/Bowl.

Ages 14-up. \$59.00/person.

Limited to 15 participants.

Working with our staff you craft a hot glass bowl or dish. Work through the several steps of making a glass object by learning hands on, with assistance as needed, to create your own one of a kind piece of glass.

### Large Dalle Chipping

Ages 14-up. \$138.00/person.

Limited to 6 participants.

Turn your vision into a work of art by chipping away at slabs of glass. This class offers you the opportunity to learn the techniques involved in creating a faceted glass 18" x 18" panel.

### \*NEW CLASS\*

#### Intro To Fusing Glass:

Ages 12-up. \$48.00/person

Limited to 15 participants.

Taught by guest instructor

You will be making:

1 - 4"x4" project. this will be a mosaic of random pieces of glass. this one is aimed to teach you how to cut the glass and get more comfortable with how it's done.

1 - 8"x8" project. this is your final project and i would suggest that you look at simple stained glass patterns. less detail the better. remember it will be abstract.

### Miniature Water Bottle Night Light:

Ages 12-up. \$49.00/person

Limited to 15 participants.

Work with our skilled lamp designer, Charlie Harshbarger, to create your very own nightlight from our 384M Water Bottles.

### \*NEW CLASS\*

#### Crystal Crackled Globe Night Light:

Ages 12-up. \$49.00/person.

Limited to 15 participants.

Work with our skilled lamp designer, Charlie Harshbarger, to create your very own nightlight from a crackled crystal vase.

**\*NEW DESIGN\***

Stained Glass Panel:

Ages 12-up. \$90.00/person.

Limited to 5 participants.

You will learn the steps required to make a stained glass panel and will then create your own 8.5" x 11" panel. Brand new design.

Stepping Stone Glass Mosaic:

Ages 3-up. \$20.00/person.

Limited to 10 participants.

Parental supervision requested under age 10. A great class for kids. Create your own custom garden stone using various Blenko glass pieces and other unique decorations.

Small Dalle Mosaic:

Ages 5-up. \$48.00/person.

Limited to 8 participants.

Parental Supervision required under age 10. Use your imagination to create an 8" x 8" glass panel using various shapes of pre-cut Blenko glass.

Make Your Own Vase

Ages 14-up. \$59.00/person.

Limited to 15 participants.

Work through the several steps of making a glass object by learning hands on, with assistance as needed, to create your own one of a kind vase.

Make Your Own Large Glass Pumpkin:

Ages 14-up. \$59.00/person.

Limited to 15 participants.

Each person will be allowed to participate in every step necessary to create their very own glass pumpkin. They will heat the glass in the glory hole and blow their piece of glass into a wooden form so that it can be finished by putting a stem on the top.

#### Paperweight:

Ages 12-up. \$38.00/person.

Limited to 12 participants.

You choose the color and have hands on work toward making your own glass paperweight.

#### Glass Windchime

Ages 10-up. \$49.00/person

Limited to 15 participants.

Choose your colors and assemble a beautiful glass wind chime that will sparkle in the sun and bring music to your life. This chime features glass panes in various colors and shapes.

#### Plug-In Glass Night Light

Ages 10-up. \$29.00/person

Limited to 15 participants.

Utilize a variety of Blenko glass including; sheet glass and culet to create these unique one of a kind creations. In this class you will start with a 3" x 4" crystal base layer which you will add your desired glass accents to. Item will be fired in kiln to fuse glass and then Charlie Harshbarger will attach the light components turning your creation into your unique night light (Kiln process is at least an overnight process; therefore, make arrangements so that items can be shipped or picked up at a later date).

#### Fused Acid Etched Dichroic Glass Pendants

Ages 10-up. \$38.00/person

Limited to 15 participants.

Students will create a acid etched dichroic pendant which will be kiln fired during class. Pendants will be signed and bails attached so they may be taken with them when leaving the class. (Parental Supervision Required)

### Fused Stacked Dichroic Glass Pendant

Ages 10-up. \$38.00/person

Limited to 15 participants.

Students will create a Stacked Dichroic Glass Pendant. You may register for and pay for the Saturday companion class and, if registered, in that class make a pair of earrings to go with your creation. Pendants will be signed and bails attached so they may be taken with them when leaving the class. (Parental Supervision Required)

### \*NEW CLASS\*

#### Mosaic Dichroic Jewelry Pendant

Ages 10-up. \$30.00/person

Limited to 20 participants.

Students will create a Mosaic Dichroic Glass Pendant. The process will allow students to select the dichroic glass and use your artistic talent to create your pendant. Students will be able to take their pendants with them when leaving the class. (Parental Supervision Required)

### \*NEW CLASS\*

#### Stacked Dichroic Earrings

Ages 10-up. \$38.00/person

Limited to 15 participants.

Students will create stacked dichroic earrings which will be fired during the class. Bails will be attached and students will be shown how to attach the .925 sterling silver earring wires which can be done the following day. This is a companion class to the Fused Stacked Dichroic Glass Pendant taught on Friday. If you made a stacked pendant on Friday or in past classes, make earrings to go with your pendant. (Parental Supervision Required)

## *Sign-up Information*

### *Sign-ups begin July 5 at 8am*
