Note from Ms. Beverly

Spring is here, and we are so looking forward to some warm weather and sunny days! As the season begins to change, please remember to bring in appropriate change of clothing for your child (ren). Also for safety purposes we ask that the children wear sneakers and no crocks or sandals.

This month Apple Tree Prep will be celebrating the "Week of the Young Child" on April 12th -April 16th. This is an annual celebration that is sponsored by the National Association for Young Children (NAEYC). The purpose of this week is to focus public attention on the needs of young children and their families. Also, to recognize early childhood programs and services that meets the needs of children. During the week, there will be a schedule of planned activities for the children to enjoy!

Another exciting event taking place this month is our first time ever "Career Fest"! This event is an opportunity to receive information about Apple Tree Prep and learn of career opportunities that are available. Please share this event with family and friends that have a passion for working with small children, and who have a desire to make learning fun for preschoolers! More details coming soon! ☺

Also, Parents, remember we have a family referral program, for more information please stop by the office.

Happy spring!

Ms. Beverly

Family Highlights!

Parents, please share any new family member arrivals or special events or celebrations with us. We would like to share with the ATP Community!

Have a great month!
