**K-61 nearing completion Hutch to Mcpherson:**

The construction has taken about 10 yrs in all with delays...they have worked fairly steady the last 3 years. It is really nice! Smooth too! So nice to fly through! There are several cut offs.

See Map to familiarize yourself with changes ...

But be sure to open each of the corridor maps that show details!

**Whoop-whoop, hula hoop: Allen students Break 'Guinness' Record**

[www.hutchnews.com/Latestlocalnews/hulahoop](http://www.hutchnews.com/Latestlocalnews/hulahoop)

Students at Hutchinson Magnet School at Allen whooped after learning they had established a Guinness world record for hula hooping.

Sei Bella Studio's Michelle Clinage said the previous world record was 221 participants. Roughly 270 or more people were on the playground this afternoon as the students went for the record.

The kindergarten-through-Grade 6 students performed a 90-second routine that included 5 seconds of hula-hooping around their waist.
