We hope you are able to JOIN US ON Tuesday, December 13, 2016 at Bar Louie in the Pleasant Ridge Town Center off Cantrell Road in Little Rock for our monthly member meeting. The meeting will begin at 6 PM with our speaker Jennifer Patrick from United Cerebral Palsy of Arkansas. Jennifer is going to talk to the Section about UCP operations in Arkansas and the organization as a whole. We hope you will be able to join us for a presentation about an organization that has been helping families in Arkansas with Cerebral Palsy since 1957.

# Topic: United Cerebral Palsy of Arkansas

## About the Speaker:

Jennifer Patrick is a Baltimore, Maryland native. She earned a Bachelor's in Communications Studies from Frostburg State University, complementing a lifetime's work in human development and disability care. An Arkansas resident for the last 3 years, Jennifer currently serves as a Program Coordinator for United Cerebral Palsy. She oversees a staff of 13, conducting the education, habilitation, and daily care of 55 members of the community with various disabilities. Jennifer lives in Hot Springs with her husband Evan, two dogs and a cat.

**Don't miss out!**

## **In case you missed the November Meeting:**

Hans Vanhaute from Molex gave another great presentation to the Section about Design for Manufacturing and Assembly. Members learned how DFMA ties into Lean, Six Sigma and continual improvement. Hans explained DFMA and Quality by Design in real world terms using examples of products that were designed for mass quality production. Hans also answered several member questions after his presentation relating to the different ways that DFMA works. It was a great presentation! Also, the Red Lobster in North Little Rock is a great place for our meetings. If you missed this meeting and would like to have a copy of the presentation, please let me know at [ldparker@uams.edu](mailto:ldparker@uams.edu) and I'll forward you a copy provided by Hans.
