To Our Members and Supporters,

The Barnstable Comedy Club has always appreciated the support of our members and supporters through ticket sales and donations.

We are celebrating our 95<sup>th</sup> year as a local community theater. We feel we are an asset to the village of Barnstable and the Cape theater community by presenting family oriented musicals and plays where everyone is welcome to be in our audience, participate onstage, in production, or in hospitality.

We are continuing our annual fund drive for our 2016-17 season to help us with never ending repairs to the theater and to attempt to begin new ones. Along with the usual increases in everyday expenses such as heat and electricity, we again find ourselves in the position of trying to keep our theater clean and safe for our patrons. While we have received and appreciated some grants and anonymous donations from various sources, we find it challenging to keep our coffers adequately filled to maintain funds designated for repairs.

We were thrilled to receive a very generous donation from the Rotary Club of Hyannis which was designated for the upgrade of our fire alarm system. The upgrade and installation was completed this past summer.

We're hoping to raise \$20,000 by the end of 2017 to help us with our ongoing efforts to maintain & improve our theater. We are reaching out to our members and supporters to help us with our goal.

Any contributions or donations would be greatly appreciated, and all donations are tax exempt. Thank you for your consideration.

Best Regards,

Jane Wilbur

Treasurer – on behalf of the Board of Directors
