## What is CSA?

Community Supported Agriculture (CSA) is a partnership between the farmer and the consumer. As farmers, we are committed to providing the highest quality produce possible each week to you. As the consumer, or members of the farming partnership, you are asked to pay for produce in advance. The rewards of joining a CSA include: enjoying the freshest produce available, often harvested the same day you receive it; knowing where, how, and by whom your food is produced; having a direct connections with the people who produce your food; and supporting your local farmer.

Springs Farm's CSA will provide you a weekly share of high quality, fresh, homegrown fruits and vegetables. The quantity of items added in each box will depend on which size share you purchase. *Supplies will vary each week depending on weather and growing season.*

### Share Options:

**Half Share: \$175**

*(\$17.50 per week, family of 2)*

**Full Share: \$305**

*(\$30.50 per week, family of 4)*
