*****YOU MAY VOTE FOR THREE*****

Clive Bayliss

I have been a resident of the Hiddenbrook HOA for three years and a member of Hiddenbrook Swim & Tennis member for over ten years. I have a PhD in Engineering and I have held Director level positions at companies. I'd like to give back to the community and ensure its continued success by protecting property value and making improvements that benefit members.

Matthew King

My name is Matthew King and I have lived at 1528 Youngs Point Place since 2005. I am currently a federal employee with the Department of Defense. My wife and I were initially in the military, having spent 7 years at various army bases and deployments to include Operation Enduring and Iraqi Freedom. Since our departure from the military and coming to Hiddenbrook it took us awhile to become integral members of the neighborhood. Yet the relationship with the Hiddenbrook started to evolve around the same time our first son, Daniel, was born in 2010. It was around that time we became members of the Swim Club. Then as Daniel started pre-school at Herndon United Methodist Church (HUMC) and us meeting more families in the area we became more involved in activities. This included taking part in Swim Team events with the Hiddenbrook Hurricanes Water Sprouts program around 2014. Now we have 2 sons (Daniel – 4th, James – 1st) attending Dranesville Elementary School and our daughter (Caitlyn) spending her last year at HUMC. Moreover, you will see us spending every waking minute at the Swim Club over the summer enjoying the pool and company; setting up, helping or cheering at a Swim Team event; learning pickle ball at the tennis courts; running/biking around the neighborhood or trails; having parties at our cul-de-sac on Halloween; or just sitting in front of our

garage watching our kids play and talking to friends. I haven't run for any middle school/high school/college committee in the past, let alone a home owner's position. I always found myself too busy whether with work, school, or kids. But I made it a point in the last few years to attend at least one HOA meeting a year. I want to now become more involved and help the neighborhood thus continuing my evolution with Hiddenbrook. This includes becoming a member of the board. I can bring new "blood" and ideas. As to qualifications, let's see:

- Attended the United States Military Academy
- Was in the military and deployed to three different locations, of which, the greatest job was when I led a 180+ person unit in a combat zone
- I have two masters degrees
- I manage 167 facilities throughout the United States for a small Department of Defense sub agency
- Married to a demanding, yet awesome, wife from Staten Island, New York
- Constantly meeting and exceeding the requirements placed upon me by my three beautiful children

Kristin Leveto

I am Kristin Leveto and I would like to continue in my current position of the last three years as a Hiddenbrook HOA Board member. My family and I have been living in Hiddenbrook since 2003. I have four children currently attending Dranesville Elementary, Herndon Middle and Herndon High Schools. I enjoy volunteering and being involved in my kid's schools and our neighborhood activities. I am currently a Director for Groff Landscape Design.

I have been involved in the Dranesville Elementary PTA for over 6 years co-chairing fundraisers in the past. My children have been members of the Hiddenbrook Hurricanes Swim Team for the past 12 years. I currently serve as a member of the Steering Committee for the swim team and have for the last 7 years. I have also held the following committee positions: Fundraising chair, co-chair for Social Activities, as well as Apparel & Uniform chair & co-chair for the team. I have assisted with the HOA Crab Feast and the Pool Opening Parties over many years previously.

I have a vested interest in the future of our community and would like to continue to be a part of its positive growth. Thank you for your consideration.
