

NOTICE

Valley Trail Landfill in Berlin has notified the Village of Redgranite in writing that they are receiving banned items in the WM recycle carts picked up from Redgranite residences including, but not limited to, amounts of yard debris, carpet, and tires. These items are NOT allowed in the landfill or in the recycle carts. Due to this unfortunate situation WM has also notified the Village in writing that soon all **WM** trucks will be equipped with **cameras** which will confirm which residents in the Village are placing the banned materials in the carts. WM's contract with the Village reserves the right to reject any contaminated recycling, charge extra for it, or exclude certain addresses from recycling pickup. You could lose your recycling benefit if banned items are found by video camera being dumped from your cart.
