

PHMS Percussion Students & Parents -

I hope all of you had a safe & relaxing summer vacation. It is time to kick-off the band season with marching band fundamentals; which means.....7th & 8th Grade Drumline!

The heart of all marching bands revolves around the drumline. We will be starting the Prairie Hills Middle School Drumline audition process & rehearsals very soon. It is vital that you are able to make it to the **Audition, all “Zero Hour” Rehearsals, & Performances**. The audition process is to assign specific parts to each percussion student based on their performance level demonstrated during the audition. “Zero Hour” rehearsals is the only time we are able to rehearse the 7th grade & 8th grade percussion students (collectively). If necessary, I will be happy to provide you a list of the drumline members to help with car-pooling. Please make the necessary arrangements to attend the following below:

Audition Assistance – (optional)

**Students are highly encouraged to come in during this time to get help on the audition music.*

August 28 7:00-8:00am

September 2 7:00-8:00am

Audition Music

Students are asked to prepare & perform the “2015 PHMS Drumline Audition” assigned music to demonstrate their ability level.

PHMS Drumline Auditions
