

Pilots (gentlemen & ladies,

The Radio Control Club of Detroit ([www.rccd.org](http://www.rccd.org)) would like to invite you to our Big Bird/Giant Scale Fly-In, scheduled for Saturday, August 22, 2020. This event will be held at our club field, 25001 27-Mile Road, New Haven, Michigan. Our field is located in the Wetzel State Recreation Area. Flying begins at 10:00 AM with a Pilots Meeting at 9:45 AM.

This Big Bird/Giant Scale Event is open to all current AMA pilots. We will be following the IMAA Giant Scale Rules. Monoplanes must have a minimum wingspan of 80", biplanes must have a minimum wingspan of 60". In lieu of that, planes must be 1/4 Scale or larger.

Free parking with food available at lunch time. A Michigan State Park sticker is required.

Pilot fee is \$10.

We have a large, well kept grass runway.

This is a Giant Scale Event and that's what will be flying all day.

We have a lot of prizes and pilots must be registered to win. Several companies are represented in our prizes: Desert Aircraft, Dubro, Sullivan, Prop Shop Hobbies, Balsa USA, Tru-Turn, Vortec Spinners/Dave Brown Products and others (more to come).

CD: Lou Tisch email: [DUCKGUYLSB@JUNO.COM](mailto:DUCKGUYLSB@JUNO.COM) cell: 586-709-5378

Co-CDs: Don Veres & Mike Schafka (see flier)

Sponsoring Club: Radio Control Club of Detroit [RCCD.ORG](http://RCCD.ORG)

Flier is on our website: go to calendar and click on August 22. There are also pictures from our 2019 Giant Scale Event.
