

Terryville Fire Department
Chiefs Directive

Subject
Deactivation of Company 3

Effective
2/1/2024

All members and employees are advised of the following directive:

Effective February 1st, 2024, Company 3 will be deactivated for the purposes of training and administrative functions. Station 3 and Engine 3 will remain active for members to respond to Fire/EMS calls.

Members of Company 3 will be disbursed into Company 1 & Company 2. This will remain in effect until such time as the Chief of Department deems that there is sufficient membership to reactivate Company 3.
