

# *Love Spoken Here*

The Christian Science Church in San Juan Capistrano invites you to an informal gathering to kick off a year of celebrating...

## **30 YEARS OF TOGETHERNESS WHERE EVERYONE IS NEEDED**

Come and break bread with us

**SUNDAY, AUGUST 4TH AT 11:30AM PT**

Come eat, share and sing together, in person or online, in a relaxed and intimate gathering (kind of like sitting around the living room) where absolutely everyone is embraced and included.

If possible, RSVP to: [christiansciencesjc@gmail.com](mailto:christiansciencesjc@gmail.com)

Zoomers, please reply to this email to confirm you'll be joining us. If we have your physical address we'll mail you a special treat to celebrate this occasion.

Others, it'd be helpful to know if you're coming in person or online so we'll have the right amount of food. Appreciate your replying to this email by Monday, July 29th!
