Serious Injury Solicitors and Amputation Injury Specialists

At **Potter Rees Dolan**, our expert solicitors are here to help you claim the compensation you deserve following an amputation through **personal injury** or **clinical negligence**.

We have seen first-hand how traumatic the experience is and how difficult it is to overcome an amputation.

Our solicitors are highly experienced in helping amputees to gain the compensation that is crucial for re-adjusting to their new circumstances.

Amputation claims typically have a **three year limitation** from the date of your injury, so you should speak to an expert as soon as possible.

Introduction to ACSIL

What we do: We provide free and confidential support in the Liverpool and Merseyside area for people for whom an amputation may be necessary or who already are amputees, this also extends to their families, partners and carers.

Support: Based on first hand experience we can provide advice, practical help and support when and where needed. Much of our support is given in hospital prior to the operation and just after the operation.

And after: The Amputees and Carers Support Group is an active and dynamic group who meet regularly and organise social events to benefit members.

Our social day is on a Thursday

between 10.30 am and 4.15 pm where you can chat and socialise with other people in a similar situation as yourself. We also provide day trips on specially adapted vehicles.

Interested? Then contact ACSIL between 9.30 am and 1.30 pm Monday to Friday or 0151 261 1166 or Come along to our office and drop-in centre at:
