## Spiritual Readings

**Spiritual Readings** provide an Intuitive Clarity, Guidance and Insight to one's Personal needs, growth, and discernment of any situation going on in your life, pertaining to self and/or to others you are involved with. In your private readings, Mary helps you to identify your inner truths, by helping you find Strength and Self-Empowerment which may lead you to solutions of any situation at hand. Having Insight is a powerful tool that can assist you to move forward from issues or situations that have held you back from Receiving. During your **Spiritual Reading**, there is also an integration of Healing Energy to the Receiver.

Spiritual Readings Often Confirm what you may already know, sense or suspect, that supports your knowingness.

## Testimonies

Thank you, thank you, thank you, for these wonderful insightful messages! It all makes more sense now. My need for truth in my current relationships led the way to huge changes that we are experiencing right now. I am moving to my new residence tomorrow, after purging a lot of stuff - physically, mentally and emotionally. No car, no job, not much belongings, the universe continues to provide for all that I need, as the universe provides for all beings all they need. What a blessing this life is and what a blessing to receive these insightful messages from the masters through you. May you be blessed in every way to continue to do all that you do for all of us; may your days be filled with love, joy and peace always and may the universe continue to bless you with overflowing abundance. Thank you for being you, for all that you do. Have a peaceful, relaxing weekend! I will see you again my friend.
