

Get To Know The Gathering: Volunteer Orientation

Saturday, April 29, 10-11:00 am

The Gathering Church, 31 South Clinton Street, Middletown, OH 45044

Looking for a new way to serve God and walk with the poor?

Come and learn how you can be involved in the life transforming work at The Gathering.

The Gathering is a church in mission; a social movement with a spiritual center. We celebrate transformative stories of broken lives made whole. This is where we experience the overwhelming, unconditional love of neighbor. Our congregation intentionally welcomes all people in the community struggling to find life stability, especially in areas of employment, housing, and recovery from addictions. We are searching for new volunteers willing to share their God-given gifts and be in relationship with the marginalized in our community. All individuals and groups are welcome to attend. Please RSVP Vicki Robinson or Stef Cain at The Gathering, 513-217-5131 or vrobinson@mtso.edu.
