President's Message

HAPPY THANKGIVING!

Several years ago El Prado Men's Golf Club started collecting Christmas Gifts for children in cooperation with the Chino Rotary Club. The December tournament will be the time for all members to contribute a new toy (\$20 value would be appreciated). No need to wrap it. Cash donations will also be accepted. The Chino Rotary Club really appreciates what all of you do for the children in the area.

Membership is moving along fairly well. I have seen many new faces and some old faces who have resigned after being gone for a year or longer, welcome! I need to remind those members who have yet to sign-up, that anyone not signed up by December 31, 2013 will be taken off of S.C.G.A and the GHIN rolls. This means that if you are not a member of a Men's Club, you will not be able to post scores or play in a USGA or SCGA tournament.

A new tournament schedule with formats will be on the web site (elpradomensclub.com) in December. There will be a couple of changes in format next year.

Tournament News

We had another great turnout and some real good scores to take the low net money spots. Thanks to everyone for making the check table go smoothly. I even had a chance to warm up a little. I forgot my hat so I had to use my St Patrick day green hat I had left in the car. It went great with my purple shirt. It was a very lucky hat for the front 9 but fell a wee bit short on the back 9! Still, I finished fourth! It must have been that shamrock!

We had a total of 77 players in four flights. We had 19 A, 21 B, 19 C and 18 D flight players. The B flight was a bit heavier due to some last minute add ins but everything worked out well. Congratulations to the flight winners, Jim Lovell (A), Richard Lizarraga(B), Randy Maddox(C) and Chris Kaplan (C) and Doug King (D). It was nice to see some new faces and some of our returning members. Next month is the most popular 4 club Red Tee tournament. Please get your entries in early. Remember, the easiest way to enter is to send me an email. I always acknowledge your entry with a reply email to let you know I "Got it". It also gives me a good record so I can double check that I've got your entry.

In the audit following the tournament there were 4 major errors. Six cards had math errors. Three of these were significant since they affected the outcome. I take pictures of all of these in case you are one of those affected you can see me at any time and I will go over the card and error with you personally. The last error was on C Flight #14 Close to the Pin card in which the previous player was 9 and 1/2 inches but the next player mistook it for 9 feet and 1/2". The witnesses verified the shot at 9 1/2 inches.

Lastly, if you think there are any issues regarding the results or anything else regarding your own situation, please bring it to my attention and we will work it out together to your satisfaction. But.....I detest bar talk and hearsay information regarding others.

Check in table tips:

1. Don't check in before the table is open (usually 7 am).

2. Do check in before the table is designated to close (Usually 1 hour before the last time).
3. Your handicap is taken from the first of the month so if you have an issue please let me know but don't discuss it in detail at the check in. I will repair any discrepancies by the end of the day.

Dave Cox

Social News

Wanted to make a mention of Harry Jiores. He shot a 75 at Marshal Canyon this last week, which was his age. Not many folks can say they shot their age. He made a 35 foot putt on the final hole to finish off the round.

Please be sure and say hello to any new members as we have quite a few this year!

Make note that we will be collecting donations for the El Prado staff and gifts for to be given to children via the Chino Rotary Club. All donations are appreciated, but are not mandatory!!

Golf Course News

Make El Prado your home this Holiday Season.

Just in case you haven't noticed, we have officially started the Holiday season. Golf is a perfect opportunity to spend time with friends and family and El Prado is the perfect place to bring them.

Golf courses can get busy this time of year, especially those 18 hole facilities. Our 36 hole facility helps tremendously to not only give you the golfer the availability to play, but also to keep things moving. El Prado has very playable conditions which allows players of any skill level to get around in a respectable time. We take great pride in pace of play which many of our neighboring courses do not.

We have great things coming in the month of December including "Daily December Drawings." Everyday will be drawing a winner who will win a prize just for playing the course. 31 days - 31 winners. Prizes range from \$20 - \$200. Also, be on the lookout for snack bar and lounge specials going on all month long. More info to come.

So if you want to bring out the troops for golf this Holiday season, and don't want to spend 6 hours doing it, we hope you chose El Prado. Everyone on our staff, including the cart attendants all the way to our beverage cart girls all look forward to your arrival.
