STEWARDSHIP

Gratitude in Action: Our Way of Life

Stewardship is a way of life. It is not a parish *program*. It is not a *ministry* for certain individuals or groups. It is not a *service* within the parish available for certain people with identified needs. It is a way of life to be embraced and lived in accordance with the Gospel and as directed by God's will in each of our lives.

On Sunday evening, October 22, **a unique Parish Mission experience is coming to Saint George Catholic Church.** Join us in Kuzy Hall from 6:30 – 8:00 pm for an uplifting, thought-provoking and spiritually enriching mission experience with international Catholic speaker and writer, **Tracy Earl Welliver.** Tracy is the author of *Everyday Stewardship: Reflections for the Journey* and other publications.

Through reflection, discussion, laughter, and maybe even a few tears, you will find yourself asking the questions:

- Where is God calling me each and every day?
- How can I cultivate ordinary characteristics in my life that can lead to extraordinary things?
- What does it mean that I am a disciple of Jesus Christ?
- What does a stewardship way of life really mean?

Three days of Everyday Stewardship in everyday language for everyday people.

Don't miss this opportunity! You will be glad you were here.

*"Our everyday actions sometimes may seem small, but they can have great power to make a difference, even changes lives. There is real transformative power in becoming an everyday steward."*¹
