

MARCH 28TH FUNDRAISING EVENT

The fun starts at 11am!

Join Flat Top Grill in supporting the Wish Bone Canine Rescue in Bloomington, Illinois. Wish Bone Canine Rescue routinely takes on special cases such as dogs with severe medical and behavioral issues and provides them with the medical care, training and rehabilitation they need. Wish Bone Canine Rescue also opened their pet food pantry, providing food and supplies to those in need, thus keeping pets out of shelters and safely in their homes.

Show this flyer to your server and Flat Top Grill will donate 10% of food sales to Wish Bone Canine Rescue

WBCR's mission is based on Nathan Winograd's No Kill Philosophy, which states that all healthy and treatable homeless companion animals have the right to live. Only animals that are too sick, irremediably suffering or too injured to be rehabilitated, or animals that are too vicious with a poor prognosis for rehabilitation should be euthanized.

To learn more about Wish Bone Canine Rescue or how to get involved, visit wishbonecaninerescue.org
