"VIRGINIA BEACH" Great Value Tours 2016 from \$499 5 Days/4 Nights on the Beach!

"The best of the Chesapeake Bay" Coastal Food Tour! (add \$79) Have a group? Want to try a beach tour? Call us with your date!

Our first day of travel will let us arrive into Virginia Beach late afternoon for a four night stay! This is a perfect time to enjoy the last days of warm weather in our ocean front hotel. All rooms have private balcony overlooking the boardwalk and beach and include a full breakfast each day. Our optional tour includes a coastal food adventure of the Chesapeake Bay with a local guide. We will drive across the Chesapeake Bay Bridge Tunnel, which is a great engineering marvel, to visit an Aqua Farm to see how Virginia clams are grown and harvested during our "VIP" tour. A relaxing lunch with locally farmed seafood will be included following our tour of the historic village of Cape Charles, preserved in 19th century architecture. There will be time to walk around town before we enjoy our homemade desserts at a family run restaurant in the heart of vibrant Main Street. Our next stop will be an award winning winery where we will enjoy a tour, tasting, local cheeses, seafood and more wine as we relax in the vineyards. Our tour will end with a Virginia BBQ Dinner with slow roasted beef and pork, fresh and grilled vegetables, and breads while enjoying the view from the restaurant, located on the Chesapeake Bay Bridge. After a day of exploring, we relax at the beach. While there is plenty of time to enjoy the beach, we will offer another side tour for those that would like to explore McArthur Center, Waterside or the Nauticus Naval Museum. Join us this year in September as we take advantage of the lesser crowds, peaceful atmosphere and added coastal food adventure! Book Early!
