REGISTRATION PACKET

PAYMENT POLICY

Thank you for choosing Building Bridges Therapy Center...we welcome you to our clinic. Our goal, first and foremost, is to provide you with the highest quality care. Following is our payment policy, which enables us to best focus our resources on providing services. Please review carefully, and return a signed copy prior to your child's first therapy session.

1. Each client is solely and individually responsible for all fees for services provided. It is up to the client to determine if therapy is a covered benefit under his or her particular plan. Clients' contracts with their insurance company are agreements between the clients and insurance company, and we are not a party to it. We urge clients to check the particulars of their policy prior to beginning treatment.
2. In the event that an outside organization or agency fails to provide the planned payment for your services for any reason, the client is solely and individually responsible for all fees for services provided.
3. Each client must establish a weekly or monthly payment schedule. Bills are sent at the end of each month. Note that certain programs may have an established payment schedule; if this is the case, clients will be informed of the applicable payment schedule.
4. All initial evaluations are to be paid on the date of service.
5. Payment can be made by cash, check or credit card. Payments can be made directly at the front office or left in the locked payment drop box through the window to the front office.
6. Please note that there is an Attendance policy (enclosed). Under this policy, if a client is a no show / late cancellation, the client may be charged 50% of the scheduled therapy fee to compensate the therapist for preparation and wait time. In situations of an emergency or illness, the above fee will not apply. If a client is late for a therapy session, the client is responsible for the fee for the entire scheduled session.
7. Prior to the last scheduled day of services, accounts must be paid in full or an alternate payment plan must be established.
8. In situations of divorce, separation, or other situations of shared custody, the adult who signs this policy shall be responsible in full for payment.
9. I agree, in order for Building Bridges Therapy Center to service my account or to collect any amounts that are due, Building Bridges Therapy Center and debt collection service providers may contact me by telephone at any telephone number or email address associated with my account.
10. In the event that: (a) no payment is made by a client receiving ongoing services for over sixty (60) days, or (b) that an account is not paid in full by the last day of services, Building Bridges Therapy Center reserves the right to assess a 2.0% late penalty per month from the last date of zero balance until the account is paid in full. This charge is to offset the cost and efforts required for collection of extremely delinquent accounts and to encourage timely payment of accounts.
11. The terms of this payment policy apply for all services currently being provided to as well as any future services provided by our clinic.
12. Building Bridges Therapy Center reserves the right to modify or replace this policy at any point in the future. Clients will be notified of any such changes.

We recognize that therapy services, while often essential to your child's development, are costly. If the financial considerations are prohibitive, please speak with Lauren Macuga to see if you are eligible for alternative arrangements. It is our desire to provide services to all who would benefit from them.

I have read this policy and consent to its terms and provisions. I agree to pay for services on a weekly/monthly schedule, or according to any established payment plan that may be applicable. I understand that I am directly responsible for payment for services, and that it is my responsibility to submit any claims to my insurance company for reimbursement.
