

# 2017 CAMBERSHIP APPLICATION

The Three Fires Council Campership Committee is comprised of representatives from all Districts. Camperships can be requested for registered Three Fires Council Scouts, for use at Boy Scout and Webelos Summer Camp sessions at Camp Freeland Leslie and Three Fires Council Day Camps only.

Camperships are limited to a **maximum of 50%** of the Early Bird Registration Fee for any CFL Boy Scout/Webelos session the Scout is attending or a **maximum of 75%** of the Early Bird Registration Fee for any Day Camp a Cub Scout is attending. Due to the limited amount of funds available for camperships, please provide this helpful information below so that camperships may be awarded to the neediest of our Scouts. Please list only one Scout per application. Campership funds **are not provided to adults, siblings or friends** due to limited funds.

All campership applications are due to the Norris Scout Service Center by **April 1, 2017**. Decisions will be made and communicated to the contact person listed on the bottom of this form by the week of April 14, 2017.
