Doing good to people pleases God.

As we receive good things from God's hand, we will always have opportunities to share his gifts with others. "Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God" (Hebrews 13:16). The Lord smiles on our benevolence, as we find ways to bless not only those around us but also those in places more distant.

4th Sunday Area Singing

The schedule for the 2020 quarterly area singing has been cancelled because of the uncertainty centered round the pandemic. **The Murphy congregation will not be hosting as planned for in October.** We pray that the pandemic will be a thing of the past and we can resume area singing starting in February 2021.

- Please continue to send cards to Wayne and Nell with words of encouragement. Because of the seriousness of his condition please contact Nell if you want to visit. He is under hospice care.

REACH, Inc. – Community Project

The ladies made a commitment to supply the Cherokee County domestic violence shelter with cleaning supplies and laundry detergent. **Please do not forget them when you are out shopping.** If you have items of clothing, children books, etc. to donate please place them in the bin provided in the pantry area or you can take them to the REACH office located behind the thrift store on HWY 64. We can always use some small tote bags and small travel size items to fill them with, e.g. combs, hand sanitizer, toothbrush, travel size toothpaste, deodorant, etc. for their clientele. Recommended size for the tote bags is 9”X9”. Put them on the table in the pantry and we will fill them as time permits. **Please contact the Thrift Store if you have furniture you want to donate and arrange pickup.**

If you would like to donate on a recurrent basis, please fill out the card on the back table. You can take the card directly by the office or give it to Lula to take for you.

Often the victims leave home with only the clothes on their back, so they are given clothes and furniture from the Thrift Store until they can get back on their feet. They can always use volunteers to help with some of their community outreach activities and local fundraiser events. Call the office at 828-837-2097 or 828-837-8064 for more information.

her family in your prayers as they deal with their lost.

Kitchen Repairs

Dean shared that there was some water damage to the floor in the fellowship room and bathrooms. Repairs are underway, and thanks to everyone who is helping to finalize the repairs and the painting.

Pantry Items

We need your help to restock our pantry. If no family or individual has made a special request; then, at the end of each month Lula pull items off the shelves and takes them to the Cherokee County Food Bank, Inc. in Andrews since they have access to the Cherokee County community at-large and average about 100 clients a week but has seen a three-fold increase in need during the COVID-19 pandemic and increase in unemployment. NOTE: **We give out food only if someone is here when an individual comes to the church or special arrangements have been made to meet someone.**

The food bank is open to the public on Tuesdays and Saturdays from 10-12. They have requested empty dozen size egg cartons so they can divide the large crates of eggs they receive from other organizations and from people who raise chickens.
