Dear Members of the NUSA Community,

On behalf of NUSA Inc., I write to share an important update regarding NUSA's 2020 Silver Jubilee convention. In an effort to protect the health and safety of our families, children, friends, and well-wishers, we are postponing this year's Convention to 2021. The President & his executive, Chapter presidents, and NUSA delegates and in response to recommendations from the Center for Disease Control and Prevention, health and government agencies, made this difficult decision after much deliberation.

The Boston Chapter will hold our 2021 NUSA convention. We are working to determine how to adapt to the postponed event. We will provide more information in due time.

Our NUSA members are strong and dedicated to caring for each other and for the well being of our Nnewi community. We take comfort knowing that in this uncertain time you and your family are staying safe and taking necessary precautionary measures to support the collective efforts to protect ourselves from the global coronavirus pandemic.
