Recycling Fund Raiser

Please consider donating your beverage containers. If you wish to donate your beverage containers, you can do so by dropping your bags into the green bin next to the parish centre door. We ask that you drop off your recycling in this bin on Mondays if possible. This will give time to bring the bags to the depot and get a report for the bulletin. Please remember this is for beverage containers only (pop cans, juices boxes, liquor bottles, beer bottles) not milk cartons, soup cans or plastic containers. Please be careful as to what you put in the recycling bags. The containers must be cleaned and caps removed. Thank you to all who are contributing. **To date we have \$1025.70 in our recycling account.**

The nominations are open to all Parish members. Please consider participating. A strong Parish Council with broad representation is important during this time in St. Edward's history.
