THANK YOU

At its heart, North Shore Area Partners is about supporting the independence of older adults, so it was with deep gratitude that we received long-time Silver Bay resident, Richard Smach's, bequest donation after he recently passed away. With no known family or friends to thank for this great kindness, we wanted to express our gratefulness for his gift to the North Shore communities. Whether helping older adults in their homes with personal cares, providing support to caregivers, assisting with care planning, or arranging transportation assistance, NSAP will be there thanks to Smach's decision to honor a life well lived. It is decisions like his that ensure, in turn, others will live better too. Thank you to Richard and to others who include North Shore Area Partners in their legacy gift planning. We are truly grateful.
