Animal Shelters, Garages & Custom Structures

At A Structure for Life we help our clients with all their needs from Sheds, to Gazebo's to Garages and Greenhouses! Custom structure's pricing are based on your specific needs and/ or designs. Stop by today and speak with one of our knowledgeable carpenters and let us help make your vision come to life! No job is too little or too big, they all get the same quality care from start to finish.

Animal Shelters: A Structure For Life offers you a full line of animal shelters from small goat shacks up to large horse stalls or anywhere in between! We even built the camel shelter at the Point Defiance Zoo & Aquarium!! For the most part we use the same great materials as our sheds but instead of a floor, we rest the walls upon heavy duty, in ground rated, pressure treated 6x6 runners for a foundation and you then use the ground as your animal shelter floor. Pricing runs right in line with our standard shed pricing.

Add \$2.50 per square foot for each additional foot of wall height you would like to add. \$250 min. per foot. *Steep Gables 6-12 to 10-12
