

*PTAs need funding!
Parents want their children to get into their dream college/career!*

Digital Armour partners with PTAs to help them fundraise, empower, and protect students in the Digital Age so their social media activity and Internet search history does not destroy their college and career opportunities.

Benefits to MCPS PTAs, Parents, & Students:

1. MCPS PTAs receive up to 40% of every e-course license subscription sale.
2. MCPS PTA members receive a discount on e-courses, digital products, & services.
3. MCPS students won't be rejected from college or denied job opportunities based upon their social media activities and Internet search history.

Money Back Guarantee On E-Courses

"Brad, at Digital Armour, has helped me build and protect my child's online foot print to keep his digital activities working for his future (rather than against him)."
