

Tammy Kinney has practiced the art of massage therapy for 8 years. Inside that time, she has honed her skills to perfection. Tammy is trained in medical massage and has a gifted ability to ease muscle and joint pain, relieve stress headaches, and to help you regain mobility. Wife to Spencer for 27 years, and mother to 4, Tammy has been a Mason native for her entire life. Tammy and her family share a love for sports, Michigan summers on the beach, cooking, and Michigan State.

Tammy wants all of her clients to leave feeling relaxed and replenished. The ambiance is quiet and tranquil in the warmth of her room. Inside, customers will find a room lit with candles and a fireplace. A private bathroom is also attached for your comfort. Whether you prefer the calming effects of essential oils or a heated blanket, Tammy will customize your visit to your own personal wants and needs. Whether customers are receiving a sports massage or deep tissue massage, every appointment with Tam is time well spent and you will leave wanting to reschedule again and again.

Tammy also carries Rodan and Fields Massage products, and will begin performing Cupping therapy in the near future! You can reach Tammy best by- Text: 517-525-4255
