President's Message

It's April, coming up is April Fool's day, Tax day, Cherry Blossoms blooming, warmer weather and car season. I want to wish our Vice President a speedy recovery. I am sure the whole club is well aware of all the great work she does to keep our club active and fun. Several of us had a good time at Harold's on the 17th, Thanks to Toni Sabino for chairing and Paul Adamoff for sending the dessert even though he did not attend. Our March meeting was very well attended and we covered a lot of issues. This is your club , so if you don't come to the meetings and give your input it is hard to make it a better club. As an update on dues ,we only have 1 unpaid "snowbird" who I am sure will pay when they get back.

Please stay safe and pray for our members who are under the weather.

Vice President's Message

Happy Spring everyone. A couple of weeks ago it did feel like Spring, but unfortunately that was short lived. We went right back to Winter with cold temps. I do believe the weather is going to start to warm up this week.

Sooo with that said, it's time to get our little Birds out of storage and ready to go out on the open road. Before you know it cruise nights and car shows will be starting up.

We had our monthly meeting and it was well attended. Thanks to our host. It was good to see Aileen and Bruce Corbett.

Member get well list: Joan McMillian doing good, she even went to visit Steve in Florida for a week. Prayers being sent to Don Dobres, George Gayet, Al Cirinelli, Lucille Chabala, Dorothy Guidone, Judy (Bob Heissler's significant other). On the mend, Lois Martin from back surgery, Aileen Corbett from knee surgery and, of course, me, who is recovery from some heart issues. If i missed anyone. I am sorry. As they say, "getting old is not for the weak"! Prayers for all!

Julie Ann and Lucille wanted to know if we wanted to go back to the Brownstone for our Sweetheart Brunch, all seemed satisfied, but they are going to look for other places in case they find one better. If anyone has any ideas call Julie Ann or Lucille.

I heard that Harold's Deli was good, as usual good food, good company. Unfortunately, it was not well attended, which is sad. Hope our next event is better attended. Please try to come to our club events. It is always a good time. Our next event is our Spring Cruise.

April 28th, rain or shine. Meeting at Delizias at 9:00 am.. Please let Mike Perillo know if you are going to attend.

May 19th Rich and Lois Martin will be hosting our Tune-Up Clinic . Rich asked that if anyone is having a big job done, please notify him in advance so that he has the parts on hand. Rich and Lois will also be hosting the monthly May meeting.

If anybody has any ideas about a DJ for our Christmas party, please let me know,,,

Next meeting April 21st 2:00 at Delizias. Hosted by Gerry Ingersoll. See you soon Arlene

March Meeting

The March meeting , like the previous meeting, was a very well attended meeting. It was at Delizia's. The food was good and it seems everyone had a good time. .

Highlights of the Business Meeting

The minutes for the last meeting were read and the treasurer's report given. Both were accepted.

Pat mentioned that all dues for 2024 have paid except for one member who is out of the country.

Donna went over the CTCI report. She mentioned that 1024 people have left CTCI because of the on-going controversies. Also noted the recent controversy over the awarding of plaques at the Florida convention

Mike Perillo reported on the upcoming Spring Cruise April 28th (see info in Club Announcements)

Rich spoke about the Tune Up clinic in May. He asked that anyone planning to work on their cars at the clinic to notify him.

Pat & Arlene reported that we are still looking for a DJ for the Christmas party. The Gup and Nick at Night are possibilities.

Julie asked for feedback on the Sweetheart brunch and asked for suggestions for next year.

Pat received the Ford Johnson Award plaque and gave it to Donna as she was instrumental in getting the award

Next meeting April 21st
Irene won the 50/50.

Paul A sent this along - for people who convert their TBirds to electric

Borla car parts now has an item you can add / have installed so you can electronically adjust to make "several" different Exhaust sounds of different cars, as you drive.

Why are they called apartments if they are all stuck together

Harold's Deli

We made the trip to Harold's again - for those who like pastrami it's a great place to go.. While not everyone had pastrami, every one sure went away stuffed with plenty left over to take home. Crowd was on the small size this year but 16 of us made the trip. The food was as good as ever. Paul A, who was unable to attend, nevertheless sprung for Harold's giant napoleon for dessert as it has been a tradition of his to order it. Thanks to Toni who set up the outing.

This was my take home

Donna - CTCI Report

The only thing I have to report for CTCI is that they want us to push the August convention. More details regarding the venue should be in the next issue of the early bird.

They are looking for volunteers to work on a recruiting committee and possibly a committee to review and revise the procedures on the website.

If interested please contact Donna Jessie (CTCI Club Rep) at tbandmetro@aol.com
