

Sr. Bernadette, DLJC

Sister Bernadette has had a passion to know God ever since she was young. As a young adult she had a life changing experience of the Holy Spirit and soon after she answered His call to become a Franciscan Sister in the newly forming community the Disciples of the Lord Jesus Christ. Sister Bernadette has had many experiences in the community's various apostolate outreaches and ministries of evangelization throughout the United States, Mexico and abroad to Ireland, Uganda, Tanzania, Poland and the Orient. True to her Franciscan heritage, Sister Bernadette lives a life led by the Holy Spirit. She has been called by God to lead others into the freedom of living a life filled with and guided by the Spirit of God!
