

ENTRY REQUIREMENTS

VERDE VALLEY FAIR
MAY 3 – 7, 2017

Special Instructions for Floriculture/Horticulture Entries Only

All Floriculture Specimens and potted plants must be grown by the exhibitor and must be free of disease, dead leaves, insects and damaged petals. Remove all dead blooms prior to the show. Flowers will be in much better condition if they are cut the night before or early morning of the day they are to be entered. Wash all leaves of plants.

Containers and water will be provided for cut flowers by the Verde Valley Fair. Containers that belong to the Fair will stay at the Fair upon closing.

Cut Flowers will be watered by the Building Coordinator and removed when they are unsuited to remain on exhibit, they will not be returned to the exhibitor.

Houseplants will be watered unless labeled otherwise. Houseplants must have a saucer, labeled with the exhibitor's name and telephone number.

Specific Instructions per Division:

Iris / Spuria: One Open Bloom and 2 buds.

Bulbous: One Bloom or Stalk

Garden Flowers / Annuals: Three Stems

Garden Flowers/ Biennial: Three Stems

Garden Flowers / Perennial: One Stem

Roses: Roses should be three- quarters open, disbudded and all thorns should be removed. One stem of foliage should be removed from flower stem, below water level.
