

Hi Everyone,

Thank you for signing up for the Mare Island Half Marathon. This is our first run only event and we are very excited for it. We have completed quite a few Triathlons, 10Ks and 5Ks, but this is our first time being able to show off the stunning views of the Mare Island Shoreline Heritage Preserve from the top of the hill and the western side of the island as part of the San Pablo Bay Trail. We are all hoping for clear skies so you can take it all in as well.

Times:

Check-in: 6:00am

Half Marathon: 7:30am

10K and 5K ready time is at 8:30. We will then walk over to the ferry to cross the strait with a start time of approximately 9:15.

Parking and Site Map:

- The parking lots in red at the Vallejo City marina, and near the ferry building are free parking.
- The yellow ferry parking is a pay to park lot
- There is also street parking along Mare Island Way.
- The light blue square is the approximate location for the finish line and check in tables.

Check In:

There will be no prior packet pickup for Sundays event. We will have all packets ready for pickup on Sunday morning starting at 6am. In order for us to start everything on time, if you are participating in the 10k or 5k can you please wait until 7:30am to pick up your items. If there is no line prior to 7:30, you can come on up to collect your items, we just want to make sure we prioritize the Half Marathon participants.

Below are maps and directions for the different events this weekend. Thanks again for signing up!

-The iRec Team

10K Run

Meeting Location: Please meet race organizers at the finish line at 8:30am. Check in should be completed by this time, so that we can walk over to the ferry dock for a 9:00am departure. We will ride the ferry to the other side of the Mare Island Strait and then have a 100 yard walk to the start line. This is a good stretch for a warm up jog if you'd like. The race will begin at the same time as the 5K race which will be about 400 yards ahead you. The first mile of your course will take the same path as the all other events with nearly the full course part of the Half Marathon.

Map:

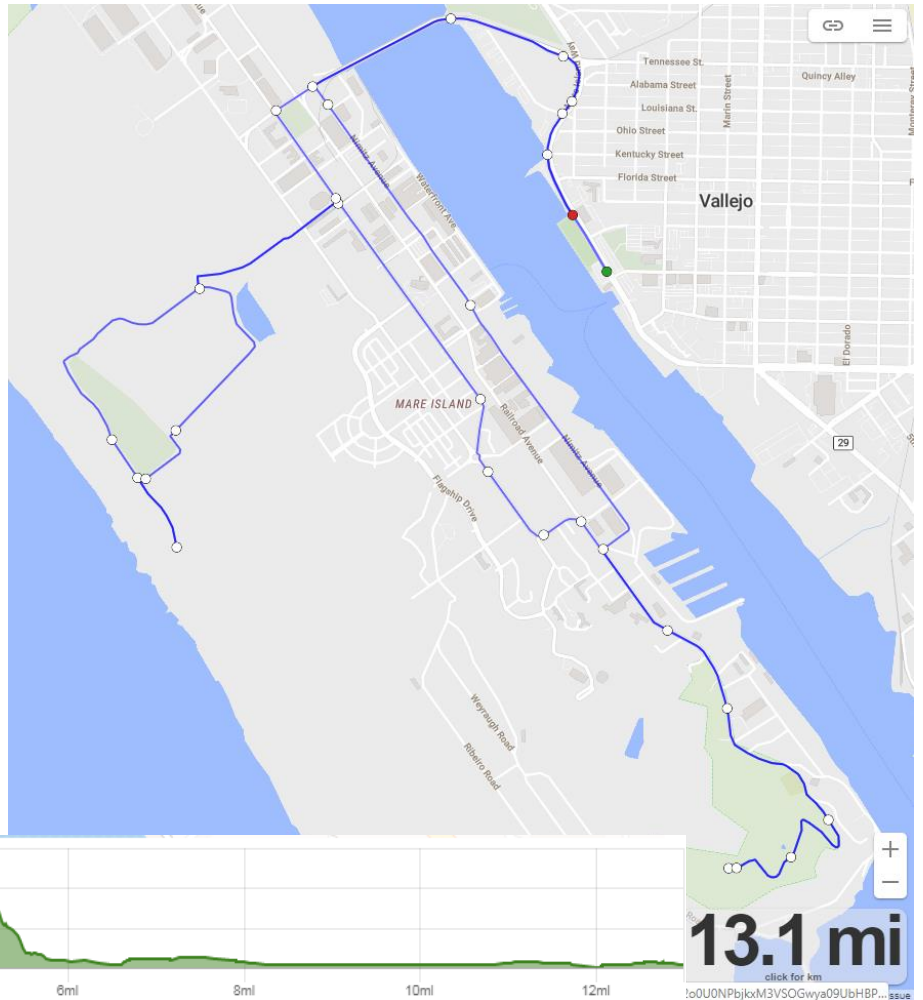

Directions:

- | | |
|--|---|
| 0.00 – Start | 3.21 – Take Left |
| 0.43 – Turn Right on Bagley Ave | 3.26 – Take Right |
