#### **Saturday pennant.**

It is requested that a copy of these Conditions of Play be handed to each Side Manager appointed by your Club. Games will again commence no later than 1.00pm. It is permissible however to commence games prior to 1.00pm if all players are present. The two trial ends must be completed before 1.00pm. Play terminates at 6.00pm

Clubs are requested to make sure that Selectors and Officials are conversant with the Bowls Victoria Regulations and Rules for Competition, which the PBD Board, have decided will be applicable to all PBD controlled events.

Games will again commence no later than 10.00am. Two trials ends must be completed before 10.00am. Play terminates at 3.30pm

### **Timing of Greens**

The Bowls Victoria Board has directed all greens must be timed before the start of competitive play and recorded on the Pennant Check Form. Timing of your greens must be carried out thirty (30) minutes prior to the scheduled starting time by the nominated Umpire for the day in conjunction with the senior visiting side Manager. The pace must be recorded and immediately prominently displayed by the Manager of the home side.

Greens must be timed in the presence of a member of the visiting side scheduled to play on that green. Clubs are reminded of the updated procedures for the use of timing ramps and the amended speed chart.

The Pennant Check Form must be photocopied and emailed/ faxed to the Division Match Committee. It is important timing is carried out and reported accurately as the information is used by both the PBD Match Committee and Greens Committees. Clubs are reminded that Bowls Victoria has timing ramp kits available which are precise instruments for recording the speed of greens. Timing Ramps are not permitted to be used for the timing of Needle Punch Synthetic greens. These greens must be timed with a stopwatch over a distance of 27 metres.

### **Duration**

Each Match will consist of 25 ends per rink with an optional break taken as defined in PBD Rules of Competition for the current season. Replay Dead ends.

### **Rule 9(BVR) Sides - Numbers and Composition**

If a Club for any one of a number of reasons, including inclement weather, has insufficient rinks available for the number of games scheduled to be played at home on a given day it is put into a situation where it has to either find an alternative venue that is prepared to assist by making rinks available or deciding which of the home games are not going to be played.
- In such a case the following will apply
- (i) Available greens are to be allocated to the home sides in order of seniority of the sides drawn to play at home.
- (ii) If an alternative venue is available that venue may be used, again in seniority, by those sides which cannot be catered for at home.
- (iii) It will always be the sides in the lower Divisions which may be transferred or miss out on a game.
- (iv) In the event that a game is to be transferred to an alternative venue the mutual agreement of the opposing side needs to be obtained as soon as possible and the Chairman of the PBD Match Committee advised.

If play for the day is abandoned by the PBD Match Committee prior to the scheduled commencement time then points will be shared for matches scheduled on that day. This includes walkovers where the walkover has resulted from a Side previously withdrawing from the competition (not just a walkover on the day.)

If a match is abandoned by mutual agreement before or during play before a result is obtained then each side shall share equally the maximum points available for the game.

If a match is abandoned during play and a result is possible under Rule 10E (h) (i) then the points shall be allotted as if the match had been completed at the time of abandonment.

If in accordance with the extreme heat rule all games are abandoned at 3.30pm Saturday and 12.00 noon Midweek then points are to be awarded for matches scheduled on that day as previously described above.
