Article I

Name

As stated in Article I of the Central Alabama Emmaus Community, Inc. By-Laws; the organization is incorporated under the name, Central Alabama Emmaus Community, Inc. aka: the “Community”. Article II

Section 1

General Policies

1.1 The Board of Directors of CAEC is committed to the following guideline set forth by the Upper Room concerning participation in the Walk to Emmaus. Emmaus is open to members of any Christian denomination. Emmaus is for the development of Christian leaders who:

- Have a church affiliation
- Have a desire to strengthen their spiritual lives
- May have unanswered questions about their faith
- Understand that being a Christian involves responsibility
- Are willing to dedicate their everyday lives to God in an ongoing manner.

1.2 The Board of Directors prohibits any behavior of Emmaus community members or pilgrims during a walk that is not compliant with Emmaus principles. This includes but not limited to; sexual harassment, use of illegal drugs, abusive behaviors or any activity that disrupts the Walk for the pilgrims, Conference room team or the Support team.

¹If corrective action toward a pilgrim or a Walk team member is deemed necessary during a Walk, The Walk Board Rep along with the Lay Director and Spiritual Director will meet with the person and make determination if the person should be asked to leave the Walk.

If corrective action toward a community member is deemed necessary by agreement of the Board other than at a Walk, a gender equitable committee of no less than 3 members should be designated to talk with that member by appointment, confining their remarks to the specific concerns voiced by the Board.

Based on the offense, the individual could be placed on a probation status or removed from list of eligible workers for Walks. Reinstatement will be at the discretion of the Board. Confidentiality regarding the correction should be maintained to the maximum extent.

¹Rewording to P & P based on more definition and approved at the 11/19/2017 CAEW Board Meeting.

Most Recent Revision 11/19/2017; Original Adoption of Policy and Procedures 11/11/2012

- 1.3** All community gatherings should be kept apolitical. Board members are responsible for keeping community gatherings focused upon our Lord, Jesus Christ.
- 1.4** It is the policy of the Upper Room that persons that have not been on an Upper Room Walk to Emmaus or other Fourth Day walks recognized by the Upper Room should not be present at the walk site during an ongoing walk. The Board has also been made aware that when children under the age of eighteen (18) are present at a walk site, every adult working at said walk must go through a background check as part of the Upper Room's Safe Sanctuary Program. Costs to concur with the Safe Sanctuary Program under these circumstances are prohibitive; therefore, the Board asks that no person who has not attended an Upper Room Walk to Emmaus or other recognized Fourth Day Walk be brought to the site of the walk during the 72 Hour Walk experience.
- 1.5** No non-team member invited or otherwise, should be outside the Conference room listening to the activities in the Conference Room. Weekend Lay Directors are to include this information in their directions to their team.
- 1.6** There are no accessibility features of the facility rented by CAEC for the 72 hour Emmaus Walk. Applicants for participation must be physically able to go up and down stairs, walk between the large gathering rooms and individual rooms and restroom facilities without assistance during the 72 hours of the walk. Golf carts will be available to assist those in need of transport between different areas of the camp.

ARTICLE III

Section 2

BOARD OF DIRECTORS (Board)

2.1 BOARD ELECTION:

In compliance with Article III; Section 2.5 of the CAEC By-Laws, it is the intent that the Board consist of two (2) representatives from each CAEC Cluster. At the direction of the Community Lay Director, the Nominating Committee during the month of August of each year will evaluate the tenure of the existing Board.

Based upon Article III; Section 2.2 of the CAEC By-Laws, a Board Member serves a three (3) year term. The Nominating Committee will be directed to determine how many Board positions will be vacated at the end of that respective year due to completion of a term and/or vacancy which will or

has arisen due to resignation or otherwise occurred. Once this number of vacancies is determined, the Nominating Committee will further evaluate the returning Board make up to determine from which cluster or clusters new Board Members should be elected to comply with the above directive. The Nominating Committee will submit to the Community Lay Director, no later than the annual September Board meeting, their report specifying how many new Board Members are needed for the next year and from which cluster(s) these new Board Members should be elected. The Community Lay Director will contact the leadership of those clusters which will need representation on the Board for the next year. Those clusters will be directed to hold an election within their cluster to elect their representative who will serve a three year term beginning in January of the next year. (Qualifications to be a Member of the Board of Directors is specified in CAEC By-Laws as any person who is a member of the CAEC is eligible to be elected to the Board as a lay member of the Board). In addition, potential Board Member must be qualified to meet the criteria of a Conference Room Table Leader. In the event that a new cluster is formed which joins CAEC or if an existing cluster of the CAEC is reorganized, the qualification requirement of a Board member to be Table Leader may be waived at the discretion of the Board. Results of cluster election will be reported to the Community Lay Director prior to the November Board Meeting. If a cluster fails to elect their representative, then that Board position may be filled with a candidate from another cluster, (see By- Laws, Article III, Section 2.5). As long as a cluster is active and functioning (continues to hold monthly cluster meetings consistent with the remainder of the Community and continues to participate in walk activities either by sponsorship or cluster member participation), they will be offered the opportunity for representation each year.

²When a Board member relocates from one cluster to another, they forfeit their position on the Board. This would allow the Cluster they represented the opportunity to appoint another representative to the Board. If the Cluster they relocated to has an opening for a Board member, they may be appointed to represent their new Cluster. Each Cluster could make an informed decision as to if they wish to replace their representative. The original cluster may be totally satisfied with the relocated Board member representing them, but if they chose to appoint another representative, they should be able to appoint another to the board.

These guidelines should be in compliance with Upper Room guidelines.

Progressive Servanthood: *The purpose of an established progression of responsibilities for Emmaus community members is twofold: leadership training and spiritual development. A person’s readiness to carry out his or her particular assignment effectively often depends on and is always enhanced by prior experience in another position. The progression of responsibilities starts with support roles (agape, kitchen, and logistics) and then moves into the conference room.*

The “One-Third Rule”: ⁸*This rule means the Team Selection Committee will strive to staff each team with approximately one-third new conference room team members, one-third second- or third-time team members and one-third team veterans. This guideline helps a community avoid using the same “old hands” team after team and expands the leadership base of the community. Each Walk*
